LEONARD HALL'S ELEVEN LOOKS GOOD
From the football standpoint, Leonard Hall should make a very favorable showing in the season's work. The fact that the boarding school department of Old Point Comfort College has been transferred to the local institution, is a very encouraging circumstance. All the material on hand, with the exception of the seasonal material above mentioned, is very "green," but if the improvement is as progressive as it has been during the past two weeks, Leonard Hall may hope to put a well balanced eleven on the field.

Last year's center, R. Howard, though his direct passing must be improved, may now be stated as a regular in the line. Mortuary, a new and experienced man, will hold down one guard, while Bart Freer will do duty on the other side of center. With regard to the tackle position, things are still uncertain, though it may be said that Robert Hunt has surely won a place. D. O. Carter, J. Donnelly and J. Heterby look very good. The end position is wide open. George Baker has much experience as an end man, and is fairly sure to guard one of the wings. Albee is also another likely looking man, but is very "green." J. Sullivan, with his three years' experience of northern football, may yet be a regular end. Sullivan's ability as a heady quarterback will also be a secondary asset in the line. In all, the line charges hard and low. Men like Hall, Blair, Beitzel, Thomas and Sweeney are all very likely substitute for action. The position in preference Leonard Hall may feel secure.

The backfield is about finished. It is a fast, hard-driving quartet on the offensive and tackles offensively. H. Howard is quarter, and though his experience and knowledge of the game is negligible, he has learned so fast that he is ready to play. The position of Sullivan, who has three years' experience, and to Sweeney, who has two. Howard will have three real veterans to assist him in carrying the ball. Old Point influence has brought to Leonard Murphy, Donnelly and Hall. All of them can throw and receive a pass well. All are good field kickers. All of them are fast, driving backs with plenty of weight to advance the ball. In experience, tackling will never force these men to the ground.

While the team is by no means picking their last 4 runs after umpire Thrall had called the game because of darkness, Gibson struck out 16 men. The Oakley team's record for the season is 12 games won, 3 lost and 1 tie. They held a meeting at Oakley Saturday and the following officers were elected for 1922: A. H. Wible, manager; Laurie Gibson, assistant manager; E. Dent, secretary; J. E. Dent, treasurer; Harvey Bailey, captain.

It was decided to have a dance at Oakley Hall for the benefit of the club, the whole club being appointed. Committee to arrange for same in the very near future.

Messrs. Ernest Clark and Joseph C. Wible, of Hollywood, Democratic candidates for Sheriff and Treasurer, respectively, were exchanging friendly grips with the citizens of this district Saturday.

How Better Than Pills?
The question has been asked, in what way are Chamberlain's Tablets better than the ordinary cathartic and liver pills? They are better because they are easier and more pleasant to take and their effect is so gentle that one hardly realizes that they are producing any medicine. They not only move the bowels, but improve the appetite and strengthen the digestion.—Ady.

Dear Mr. Dyer:
During my absence from home many kind letters have been received, but no communication has given me more pleasure than the resolutions adopted by the Board of Trustees of St. Mary's Seminary, which have been forwarded to me. They evoked a warm spot in my heart for every member of the Board, and I wish to thank, through the BEACON, every one of my fellow members for their kind words of sympathy, which I truly appreciate. As for my recovery, I am glad to say I am getting on my feet, with the exception of about an hour each day, when I sit up. Dr. Norris is very encouraging. IN MEMORIAM
In memory of little BEATRICE EVANGELINE MORGAN, aged 7 months and 20 days, beloved daughter of Mr. and Mrs. Benj. Morgan, who departed this life October 15.

All is sad within our dwelling,
Lonely is our house today,
For the one we loved so dearly
Has forever passed away.
The little crib is empty now,
The little clothes laid by,
A mother's hope, a father's joy,
In death's cold arms laid low.
God needed one more angel child
Amidst his shining band,
And so he bent with loving smile
And clasped our darling's hand.
By Her Parents.

A Good Physician.
When you want a physician that is mild and gentle in effect, easy to take and certain to act, take Chamberlain's Tablets. They are excellent.—Ady.

To Gain a Good Reputation.
The way to gain a good reputation is to endeavor to be what you appear. That is precisely the manner in which Chamberlain's Cough Remedy has gained its reputation as a cure for coughs, colds, croup and whooping cough. Every bottle that has ever been put out by the manufacturers has been fully up to the high standard of excellence claimed for it. People have found it get-to-the-bottom medicine for the relief and cure of these ailments and that it is pleasant and safe to take.—Advertisement.
