RICH WITHOUT MONEY.

Many men are rich without money. Thousands of men with nothing in their pockets, thousands without even a pocket are rich. A man born with a good sound constitution, a good stomach, a good heart, good limbs and a pretty headpiece is rich. Good bones are better than gold; tough muscles than silver and nerves that flash fire and carry energy to every function are better than houses and land. It is better than a landed estate to have the right kind of a father and mother. Good breeds and bad breeds exist among men as really as among herds and horses. Education may do much to check evil tendencies or to develop good ones; but it is a great thing to inherit the right proportions of faculties to start with. The man is rich who has a disposition, who is naturally kind, patient, cheerful, hopeful and who has a flavor of wit and fun in his composition.

The hardest thing to get on with in this life is a man's own self. A cross selfish fellow, a desponding and complaining fellow, a timid and careburdened man—these are all born deformed on the inside. They do not limp but their thoughts sometimes do.

There are many accidents and diseases which affect Stock and cause serious inconvenience and loss to the farmer in his work, which may be quickly remedied by the use of Dr. J. H. McLean's Volcanic Oil Liniment.

Take one of Dr. McLean's Little Liver and Kidney Pills at night before you go to bed and you will be surprised how buoyant and vigorous you will feel the next day. Only 25 cents a vial.

The Baltimore Herald has a cartoon representing the burial of the Force bill. Quay is digging the grave, Aldrich is undertaker, Lodge is chief mourner and is bitterly weeping, his hat being decorated with an immense tail of erape. Fat Tom, old Hoar, Cheap John Spooner are joining in the great sorrow. Cable ought to have been on hand inditing a Jeremiad over the dead measure.—*Wilmington Messenger.*

Sick headache and a sensation of oppression and dullness in the head, are very commonly produced by indigestion; morbid despondency, irritability and over sensitiveness of the nerves may, in a majority of cases, be traced to the same cause. Dr. J. H. McLean's Liver and Kidney Balm and Pills will positively cure.

The quality of the blood depends much upon good or bad digestion and assimilation, to make the blood rich in life and strength giving constituents, use Dr. J. H. McLean's strengthening cordial and blood purifier, it will nourish the properties of the blood from which the elements of vitality are drawn. 1.00 per bottle.

PUBLIC SAFETY DEMANDS

That only honest and reliable medicines should be placed upon the market. It cannot, therefore, be stated too emphatically, nor repeated too often, that all who are in need of a genuine Blood-purifier should be sure and ask for

Ayer's

Sarsaparilla. Your life, or that of some one near and dear to you, may depend on the use of this well-approved remedy in preference to any other preparation of similar name. It is compounded of Honduras sarsaparilla (the variety most rich in curative properties), stillingia, manrake, yellow dock, and the iodides. The process of manufacture is original, skilful, scrupulously clean, and such as to secure the very best medicinal qualities of each ingredient. This medicine is not boiled nor heated, and is, therefore, not a decoction; but it is a compound extract, obtained by a method exclusively our own, of the best and most powerful alteratives, tonics, and diuretics known to pharmacy. For the last forty years, Ayer's

Sarsaparilla

has been the standard blood-purifier of the world—no other approaching it in popular confidence or universal demand. Its formula is approved by the leading physicians and druggists. Being pure and highly concentrated, it is the most economical of any possible blood medicine. Every purchaser of Sarsaparilla should insist upon having this preparation and see that each bottle bears the well-known name of

J. C. Ayer & Co.,
Lowell, Mass.

In every quarter of the globe Ayer's Sarsaparilla is proved to be the best remedy for all diseases of the blood. Lowell druggists unite in testifying to the superior excellence of this medicine and to its great popularity in the city of its manufacture.
