Children and Divorce.

Will study the origins of marriage you will find that it is instituted in all probability by the instance and pressure of the law to protect the rights and the maintenance of children. The Roman law term "matrimonium" or matrimony, which in the latin for marriage, bears no distance reference to motherhood. In fact, it means no more and no less than legalized motherhood. Thus at the base of marriage lies the idea of motherhood. The Sinclair crew, in their riot of selfishness, have chosen to neglect this fact. It will be in its might to destroy them. This inclines one to ask about the child of this marriage. In all the lunatic jabber about soul mates, poems, freedom, aspirations, lyrics, Kansas railroad engines, Aegean seas and temperament adjustments—they soon get disgusted—neither parent—not even the poet Kerm—has the slightest regard for the interest of the future of that innocent and helpless atom of humanity.

In nine cases out of ten divorce means the ruin of the lives of children, the tainting of their future, the casting of their careers. The children of the divorced are the unhappiest in the world. The cruelties of life oppress them when they have not the moral maturity to be able to bear them. They make their entrance into life crippled, lonely and bewildered. The furies of their parent's wrong doing pursue them to the end of their lives. The ghost of the ugly and sordid past haunts them to the last syllable of their recorded time. A tear trembles on their eyelids forever.

It's only when some men get light that they turn themselves loose.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eyes, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark stage around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but they give a permanent relief to the system. Do not fail to get a bottle of Chamberlain's Stomach and Liver Tablets.

The Secret of Youth

Do you ever wonder how you can remain young, or why other women older than you, look younger than you do? The secret can be put in a few words: "Preserve your health, and you will preserve your youth." By "health" we mean not alone physical health, but nerve health, as, sometimes, magnificently strong-looking women are nervous wrecks.

But whether you are weak physically or nervously, you need a tonic, and the best tonic for you is Cardui. It builds strength for the physical and nervous systems. It helps put flesh on your bones and vitality into your nerves.

Take CARDUI

The Woman's Tonic

"My mother," writes Mrs. Z. L. Adcock, of Smithville, Tenn., "is 44 years old and is passing through the change of life. She was irregular and bloated and suffered terribly. My father stepped over to the store and got her a bottle of Cardui, which she took according to directions and now she is up, able to do her housework and says she feels like a new woman." Try Cardui in your own case.
