

LOCAL AFFAIRS

Born to Mr. and Mrs. S. B. Greene on June 8th, a baby girl. Mr. David Greene is off to Richmond, Va., this week, on a business trip.

Mrs. C. A. Ellis, whose health is slightly impaired, is taking treatment for a few days under Dr. Proffit at Elk Park.

Attorneys L. D. Lowe, of Banner Elk, and Mark Squires, of Lenoir, transacted legal business in Boone this week.

If you have not been attending regularly, start in at the Methodist services Sunday at 10, 11 and 8 o'clock. J. R. Walker.

Mr. Bill Ellis and family are now occupying the Miller cottage vacated by Capt. Cy. Crumley last week.

Quite a number of guests are in town awaiting the Bernhardt-Penn marriage, which will occur in St. Luke's church at 8:30 o'clock this evening.

Mrs. Linney, wife of Dr. R. Z. Linney, of Charlotte, with her son Zach returned home the first of the week, after several days visit to relatives in Watauga.

Mr. C. J. Cottrell who has been in feeble health for some time, visited the home of L. N. Perkins a few days ago, where he enjoyed some of the fine cherries. He says he is going back to get more.

Mr. J. P. Hampton, Federal Prohibition Agent, wishes the people of Watauga to write him at Asheville when bothered with illicit violation. All information will be held strictly in confidence.

Mr. R. R. Trivett, of Todd, passed through town Tuesday on his return from a visit to his sick mother, Mrs. G. W. Trivett, who resides in the Watauga river section. He says her condition is somewhat better, but still she is far from well.

Mr. James Council, son of Mr. and Mrs. B. J. Council, of Boone, one of the engineers on the Cherokee county roads, returned to his work yesterday after a visit to his parents since last Saturday.

"Claim Allowed—Continued," a play put on by the senior class at the A. T. S. Tuesday night, was delightfully rendered, highly entertaining, and as a result the endowment fund of the school is augmented about \$200.00.

Messrs. David Greene and D. B. Bingham have purchased the moving picture business in Boone of Messrs. Coffey and Ellis, and now have it in charge. They will continue to handle nothing but first class pictures, and endeavor to hold the business at the high standard it has attained.

The remnant of the veterans of the Confederacy, members of Camp Nimrod Triplett, are assembling in Boone as this paper is going through the press. The ranks of these "old boys" are rapidly thinning, but no effort will be spared by our people to make this another bright spot in the minds of the few survivors.

Hon. R. L. Doughton, member of Congress and candidate for re-election, was in town Tuesday and Wednesday, shaking hands with his friends and, incidentally, looking after his political interests in Watauga. He will be in Boone at the September term of court, and it is his intention now to speak some time during the week, most likely during the noon hour on Tuesday.

THANKS.

The Woman's Missionary Society of the Methodist Church, extends its thanks to the community and to all who attended and helped make the Measuring Party a success. The social features were much enjoyed and the returns gratifying.

MRS. F. A. LINNEY, Sec.

Announcements have been received by many friends and relatives of Miss Mary Leslie Puliam, of her marriage, in "Temple" Baptist Church, Los Angeles, California, to Mr. E. P. Marshall, one of California's select young men. Many of the readers of this paper will remember her, as she was once a student in the Training School. Mrs. Marshall is expected in for a short visit soon.

Mr. B. J. Hodges, who, some days previous, took his daughter, Mrs. Gurdie Barnes, to Johns Hopkins Hospital in Baltimore, returned last Wednesday, bringing the lady with him. The surgeons, after a very thorough examination, advised Mr. Hodges to bring her back, saying that they would take up the case with her physician, Dr. Tate, of Banner Elk.

Prof. W. G. Hartzog is to be congratulated upon his splendid success with the seventh grade commencement, which was held in the auditorium of the A. T. S. yesterday forenoon. Beautiful diplomas, bearing the signatures of the County Board of Education and the teacher of the child passing the seventh grade satisfactorily, were awarded to sixty-five children from all over the county. Again, congratulations to the Professor and his helpers for the big success.

PUBLIC SPEAKING

Hon. R. L. Doughton, M. C., and Democratic candidate for re-election to Congress, will speak in the court house in Boone on Tuesday of court, September 7, 1920.

DR. ALFRED W. DULA

Eye Specialist, of Lenoir N. C. will be at Zionville on Thursday July 15th, and Blowing Rock on Friday July 16th, for the practice of his profession. ad

The Trolley Line.

A meeting of the stockholders in the Blue Ridge Development Company was held in Hickory last Friday; the organization was perfected, and it seems that the prospects for the construction of the trolley line from Mt. Holly to Blowing Rock are bright indeed. Watauga was represented at the Hickory meeting by Capt. E. F. Lovill, and Messrs. G. M. Sudderth, W. E. Shipley and T. H. Coffey. Referring to the big enterprise the Charlotte Observer says:

"It is gratifying to Charlotte and to the people in the towns and counties to be served by the proposed trolley line between here and Blowing Rock that the organization of the promoting company, the Blue Ridge Development Company, has been completed and that good progress is being made on the survey of the line from Mount Holly to the mountain resort in Watauga Co. There apparently is no longer ground for doubt that the electric railroad line is to be a reality in the near future, and that in due time Charlotte will be connected with Blowing Rock, Lenoir, Hickory, Newton and Lincolnton by a line of trolley cars in operation. It will be one of the biggest things that has come Charlotte's way in years and one of the greatest beneficial developments for the other towns and counties along the line, especially Watauga, that has ever been projected."

INVITATION.

Mrs. Ada Worth Penn-Coffey requests the honour of your presence at the marriage of her daughter Miss Allie Henry Penn to Mr. Matthias Richmond Bernhardt on Thursday, the fifteenth of July at eight o'clock in the evening at Saint Luke's Church Boone, North Carolina.

Mr. Thos. Gragg Killed.

On Wednesday of last week, Mr. Thomas Gragg, son of Mr. and Mrs. Finley Gragg, and a trusted employee of the Boone Fork Lumber people ever since the Company began operations in the county, met his death in a most peculiar way. He was logging, using a double-bladed axe, and when he stopped to eat his lunch at noon, he stuck the axe in the log he was cutting. After eating and resting, he lighted his pipe and returned to his work. In attempting to step up on the log his foot slipped and he fell his full weight on the blade of the axe which buried itself in his side, death resulting before surgical aid could reach him. Interment was made near his home the following day, his kinsman, the Rev. E. M. Gragg, conducting the funeral. Deceased leaves a young wife and two small children.

Prevented By Rain.

I regret very much that rain prevented our reaching Mount Vernon last Sunday night, but it could not be prevented. The Institute for Middle Fork is called off, owing to the fact that the assignment for the Mobile Schools made it impractical for the workers to remain for and reach their assignments in time to begin the work. The Institute will be held later and announcement will be made in good time for all to make ready for it.

M. A. ADAMS, General Field Worker.

LOST! A boy's grey coat, somewhere between the Muster Field and high bridge. Fiunder Will please return to A. E. Hamby, or this office.

In 1902 a number of the leading druggists throughout the United States, realizing that the health of the public demanded it, got together and formed a co-operative company for the purpose of producing medicines which they could truthfully recommend and honestly sell as being the best that could be produced anywhere by anyone.

To that end, the counsel and co-operation of some of the ablest minds in the drug world were employed and are still associated with the company, established under the name—United Drug Company.

No one is in a better position than the druggist to note the drug combinations regularly used with good results in a high average of cases. Druggists affiliated with this organization contributed formulae of proven value. Thousands of formulae and other data were consulted in each case, and what was considered by a most competent research committee, appointed especially for that purpose, to be the one best recipe for the treatment of the particular ailment for which it was intended, was adopted.

As an easy means of identification for their products, the name "Rexall" was selected as a general trade-mark. This name is derived from the word Rex, meaning "King," to which was added the word "all" meaning "King of All."

Great laboratories in Boston, occupying many buildings of many stories, and many acres of floor space, employing upwards of three thousand people, is the monument that stands to the success of the enterprise that started in such a small way.

Today, besides the many different Rexall Remedies and Toilet Preparations this co-operative company produces the following splendid lines: Harmony Perfumes, Liggett's Chocolates, Fenway Chocolates, Guth Chocolates, Symphony Lawn and Lord Baltimore Stationery, Maximum and Monogram Rubber Goods, and many others, and over seven thousand druggists of the United States, Canada and Great Britain have become members of the organization which means that Rexall Remedies and the other lines produced by the United Drug Company are sold in over seven thousand different communities, because only the leading druggist of any one community is eligible to membership in this co-operative organization.

We wish to emphasize that Rexall Remedies are not designed or intended to supersede the services of a physician. If you are ill and do not know what is wrong, then we strongly advise you to consult a physician, and the best that you can locate. If you know what ails you and do not desire the services of a physician, we then urge you to select one of the Rexall Remedies to treat your ailment. Millions of people have now come to understand that when they buy Rexall Remedies they buy health insurance of a splendid character. They know that Rexall Remedies and Toilet Preparations are free from deception, and that they are protected against loss of their money should they, at any time, find any Rexall preparation not to give satisfaction.

The guarantee simply means that if you believe the remedy has not given the satisfaction you are entitled to, simply go back to the Rexall Store where you bought it and ask for your money; it will be cheerfully given you.

When you have decided to use a prepared medicine or Toilet Preparation of any kind, we urge you to go to "The Rexall Store" and ask for a Rexall Preparation that is suited to your needs and meets your requirements. If you desire any particulars or literature about any of them, the same will be gladly furnished you by the Rexall Druggist.

Also bear in mind that whether or not you desire a Rexall Remedy it will pay you in satisfaction, as well as in dollars and cents, to patronize "The Rexall Store," where you will always find courteous treatment, well-kept and complete stocks, and the lowest possible prices, consistent with quality.

STATIONERY
