Some Banks pay their Depositors no interest. Some Banks pay interest. Banks which have enjoyed the rich harvest of using the money of their depositors without paying interest therefor claim it can't be done.

Well, IT IS DONE

The Bank of Boone pays 2 per cent per annum on Monthly Balances on all Checking accounts.

It pays 4 per cent per annum on Certificates of Deposit, 3 months or over.

It pays 5 per cent per annum on Savings Accounts compounded semi-annually.

Do not lend or deposit where your money pays you nothing.

**Why Suffer?**

Cardui "Did Wonders for Me," Declares This Lady.

"I suffered for a long time with womanly weakness," says Mrs. J. R. Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. I would have bearing-down pains in my side and back—especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset."

The Woman's Tonic

"I heard of Cardui and decided to use it," continues Mrs. Simpson. "I saw shortly it was benefiting me, so I kept it up and it did wonders for me. And since then I have been glad to praise Cardui. It is the best woman's tonic made." Weak women need a tonic. Thousands and thousands, like Mrs. Simpson, have found Cardui of benefit to them. Try Cardui for your trouble.
