## ANNUAL CLEARANCE SALE

### OPENING DAY, SATURDAY, JAN. 2, 1909

#### Out Goes All Our Winter Stock at a Big Reduction in Price.

The reason for the big cut in price is a logical and sensible one. Too much stock to carry over. Over stock not only hampers the spring stocks, soon to arrive, but it also means dormant capital, insurance charges and loss from changes of fashion, hence we are willing to sacrifice our profits to turn our goods into money.
