GREENEVILLE.
Annual Reception of Holy Name So-
ciety—Sermon by Father O'Meara
Timely—Quinley-Daniels Wedding.
The annual reception of the Holy
Name society of St. Mary's parish was
held on Sunday. The members received
holy communion in a body at the
7:30 o'clock mass. The reception of
the society was held in the evening at
the special vesper service at 8:30
o'clock, which was largely attended.
The service was celebrated by Rev.
James J. Smith. The sermon for the
occasion was preached by the Rev.
James A. O'Meara of Bridgeport, a
former curate of St. Mary's church.
Father O'Meara took for his text,
These are children that you may be-
lieve that Jesus is the Son of God and
that believing you may have life in
His name. In his sermon Father
O'Meara drew chiefly on two points,
What has Christ done to deserve the
name? and What has it cost Christ to
merit this name? The two points
were clearly brought out, especially
the second which was shown in the
thirty years of his private life and the
sufferings in the last three years of
his public life. In closing he urged
the members of the holy name society
in the end we would receive the bless-
ings due us.

New Questions Before City Court.

The Case Against Three Junk Dealers Come Up for the
Second Time—Four Lawyers Interested in Matter,
Decision Being Reserved.

There was a long session of the city
court on Saturday morning, not from
the number of cases, but because of a
new question arising from the second
arrest of David N. Gordon, Abraham
Fox and Moses Goldfarb, who are
charged with receiving \$100 worth of
copper wire, which was stolen from
the Consolidated Railroad company in
March, 1907, by H. C. Gertz and Jake
Lewis. Last August the men were
tried for the offense and discharged in
the city court. Now they are before
the court again because of alleged new
evidence, and the amount of the wire
is fixed at \$130. The accused are de-
fended by Attorneys W. H. Shields and
C. F. Thayer, while the state is as-
sisted by State's Attorney Hill.
A plea in bar was made in writing by
Attorney Shields, which is to the effect
that Attorney Hill had been guilty of
bringing the case, inasmuch as the
men were tried and acquitted last Au-
gust, and this is but asking that the
decision be set aside. A written de-
fense was made by Attorney Hill, who
claimed the plea was not sufficient
and that it be set aside and judgment
given. He claimed that the men had
not been put in jeopardy at the first
court was not one of final jurisdiction.
The August hearing was but prelimi-
nary, it being only possible to bind the
men over or discharge them. The men
could have been taken to the higher
court on a bench warrant or even to
another justice court, had there been
one in town, after the discharge in Au-
gust. The case was brought again at
the suggestion of State's Attorney Hill.
Attorney Shields claimed the case
was unprecedented in his 35 years' ex-
perience in the court. He claimed the
court could have inflicted a penalty of
\$200 and six months in jail, and were
tried wholly within the court's juris-
diction. He thought the appearance of
did not look upon the offense of the
men who stole the copper as very great,
as they were only fined \$50 and
costs. Attorney Hill replied that the
action of the other court made no dif-
ference and that there is new evidence
now in this matter.

Judge Brown asked for a full discus-
sion of the matter, claiming that it was
his first case of this kind in his long
experience; that he knew nothing of
the new evidence and that he should
be given all and no man placed in
jeopardy.
Judge Brown asked State's Attorney
Hill regarding the matter, and the lat-
ter stated that such cases are few, but
an Old Lyme justice once sent a man
to jail for assault after being charged
with intent to kill. After serving his
time the accused came arrested on a
bench warrant and sent to prison on
the charge "to kill."
Attorney Thayer stated that he had
been called into the case but the night
before, but inquired if a new trial
would have been asked if the men had
been found guilty and fined. He main-
tained the court was right.
State's Attorney Hill informed the
court that the matter had come to his
attention through men in the interests
of the Consolidated road. A bench
warrant had been considered, but he
preferred to have the matter take its
regular course in view of the fact that
there is an old and capable lawyer as
attorney for the city, and that it had
been a justice court, in which law was
not as well understood, other action would
have been taken.
The state's few authorities on the
matter and in view of that fact Judge
Brown stated that he desired time to
consider it. It was agreed that briefs
would be filed by the city and by the
defense, and that the decision will be
made until March 1st, inasmuch
as State's Attorney Hill is now en-
gaged with the criminal session of the
superior court.
The matter was heard by many as-
sembled in the court room, there being
many witnesses also for both sides.
Attorney Hill stated that he had
twenty witnesses. The case has at-
tracted much interest and Detective
Hazelhurst of the New Haven road
was present. The case was arranged
down both of the men who did the
stealing and had them prosecuted in
Windham and this county.

Mr. Greer also connected with this
verse the two preceding ones.

WHEEZER OR SNEEZER?
Have You Heard of Hyomei for
Catarrah, Asthma and Hay Fever.
If you wheeze or sneeze, hawk or
spit, snuffle or blow, something is the
matter with the membrane of your re-
spiratory tract, and you need Hyomei.
And you need Hyomei because it
will cure you of any catarrhal or in-
flammatory condition that exists.
It is not a stimulant, medicine, or
spray, or douche, but a very pleasant,
healing, antiseptic balsam, from the
eucalyptus forests of Australia. You
breathe this balsam into the nostrils
through a small, hard rubber inhaler, and
it reaches every nook, corner and crevice
of the membrane, and promptly
kills the catarrhal germs.
The Lee & Osgood Co. will sell you
a complete Hyomei (pronounced High-
o-mey) outfit for \$1.00, on the money-
back plan.
The use of Hyomei cured Mr. Cutler
of catarrh in 1904. He has strongly
endorsed the use of Hyomei in many
instances, and we are glad to go on
record regarding this marvelous cat-
tarrah cure, and endorsing its use.—
Mrs. A. Cutler, 201 Post Ave., Battle
Creek, Mich., Oct. 12, 1908.
