FINED \$7 AND COSTS. Gustav Walstrom Pays for Assault on John Hansen. Gustav Walstrom was before the police court Friday morning charged with assaulting John Hansen late on Thursday evening. He entered a plea of not guilty.

Hansen testified that at about 9.15 Thursday evening he was on Valley street when Walstrom came up to him and without any cause struck him and jumped upon him. His face was bruised and cut; later he discovered that there was a slit in his vest as though made with a knife. He said that he did not see any knife and could not swear that he loved assault had used one; he knew of no reason why Walstrom should wish to strike him.

George Cronley testified that he was coming out of the armory on Valley street and saw Hansen standing near Holland's mill. He saw Walstrom come around the corner and both men went at it. He said that he told them to quit, and they did. Walstrom then beat himself into the lot back of the mill.

Officer Allan McArthur testified that about ten o'clock Thursday evening Hansen made a complaint against Walstrom, saying that the latter had assaulted him with a knife. Walstrom was arrested and lodged in the station house.

In testifying in his own behalf, Walstrom stated that he and Hansen had had a "chewing match" and Hansen struck him three times. He endeavored to push Hansen away and in the attempt had scratched his face, but had no knife. Walstrom was found guilty and fined \$7 and costs, which he paid.

VICTORIOUS TEAM Met by Enthusiastic Rooters After Defeating Putnam. Windham high's basketball team was met at the union station Friday evening by an enthusiastic bunch of rooters upon its return from Putnam, where it succeeded in breaking the hoodlum by defeating Putnam high on its own floor in a good fast game by the score of 22-18. The team was cheered lustily and received congratulations all along the line, as it marched up from the station, from business men and others interested in the school and its activities. The members of the team were highly elated as the victory now insures them a good lead in the race for the championship and the pennant of the Windham county interscholastic league.

Odd Fellows Donate \$25 to Cargill Park Fund—Boxing Bout Arranged—Willimantic Team Wins League Game, 23 to 18—Various Local Interests. Treasurer Leon T. Wilson on Friday gave a check for \$25 to Treasurer Charles H. Brown of the Cargill Park fund and as the gift of Israel Putnam, No. 33, I. O. O. F. Stanton Abbott of Providence will be master of ceremonies.

WILLIMANTIC WON. Defeated Local Team, 23 to 18—Leads the League. Windham High school, Willimantic, turned the trick that gives them a clear lead in the interscholastic league, defeating Putnam High school Friday afternoon by a score of 23 to 18. It was a rough, hard game, played like a whirlwind, and the visitors got away with a home field advantage. Captain Kelley goes the lion's share of the honors for his team and the three baskets that he shot in quick succession. In the first twenty minutes of the game, Putnam was leading when the whistle blew for the end of the first half. The score was then Putnam 19, Windham 7. In the first twenty minutes it looked as if Putnam would win, as Franklin was playing a great game, with Rich and Macdonald doing fairly well.

They did not maintain the pace, however, at a cost of losing the first runs in a home field during the league season. At times there was unnecessary roughness and in this Richmond was a noticeable offender. Franklin and Kelley were the stars in shooting goals from the floor, each registering five times. Several of the players on the Putnam team were in the hospital. Putnam—Franklin if, Macdonald if, Tibbets c, Rich rg, Mcduffy lg. Windham—Burr if, Leley lg, Richmond c, Leonard rg, Walden lg. Field goals, Franklin 5, Macdonald 3, Burns 2, Kelley 3, Walden 3, Richmond 1, Leonard 1, Leley 1, Mcduffy 1. Referee, Gahan; 20-minute halves.

No serious injury was sustained. This had been brought home four times in an unconscious state. The first time he was in a wagon which was run into by a train at Appleton, was thrown out and his leg broken. The second time someone ran over him, near his home, and hurt his arm. The third time another train knocked him down, during a band concert, and fractured his skull. Thursday night's accident was the fourth. Evidently "three times and out" does not apply to him.

HEALTHY PLANTS Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil and sunshine—and of atmosphere,—seemed never to achieve a healthy growth. A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect. You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc. You must look into the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Not Responsible. The Prince of Wales is accused of owning and enjoying the rent of some shockingly unsanitary tenement houses in the slums of London. It is estimated that he owns them in his capacity of Duke of Cornwall, which makes him possessor of the revenues. The duchy of Cornwall is valued at over £1,000,000 a year, which cannot be broken until they expire, so the prince is acquitted of blame, but is to be very sore over the criticisms of him.
