Makes Report of Profitable Year—State Armory to be Used for Lincoln Exercises—Court Holds Collins to Obligations in Paternity Case—Fine for Illegal Liquor Selling.

Dr. J. Howard Morgan of Westery, medical examiner for the town, was a veteran of the civil war, serving in Company H, Twenty-sixth Connecticut. While the Twenty-sixth was in the field, Morgan was in the hospital at West Point, N. Y., where he was discharged in 1864.

Intoxicating liquors for sale, gave notice that he should ask for a bill of particulars. Hearing on the motion was held at the Westery town hall on Friday.

It is evident that the planned road improvements in Westery will not be executed very soon, for carpenters of the New York, New Haven and Hartford Railroad company are repairing and otherwise repairing the freight depot, and specifications are out for wiring the passenger station and baggage room for electric lights and for repainting and painting the passenger station and baggage room.

The senior class of the Westery High school is to rehearse the old, tuneful and catchy light opera, "Pinafore." The class is elected as the committee to manage the musical production Messrs. Pembor, Allen, Coy, Maddock and Robertson.

The Exchange for Woman's Work held its ninth annual meeting at the residence of Miss Harriet Cottrell, and officers for the year were elected as follows: Miss Harriet B. Cottrell, president; Mrs. William Clark, vice president; Mrs. Charles Perry, secretary; Mrs. John Champlin, treasurer; Mrs. Charles P. Cottrell, Mrs. C. Byron Cottrell, Mrs. Arthur M. Cottrell, Mrs. James M. Pondleton, Mrs. Orville Stillman, Mrs. C. P. Pagan, Mrs. Geo. Champlin, Miss Lizzie Babcock, Miss Mattie P. Babcock, Mrs. John Evans, Mrs. David G. McG. Newhall, Mrs. Robert Sherman, Mrs. J. Monroe Perdigon, Mrs. John Phillips, Mrs. George N. Burdick, Mrs. William Segar, board of officers.

The Westery High school contestants for the Daughters of the American Revolution essay prizes commenced their work in the school room, without notes, Thursday afternoon, as the terms of the contest require. The prize winner will be announced Feb. 12.

The Exchange does not depend solely upon its sales for existence, for it is added the annual dues of members and profits from public and private entertainments.

There was a false rumor afloat in Westery Friday to the effect that a Mysie young lady recently employed in Westery had eloped with a professional juggler who had filled a week's engagement in Westery, since the opening of the vaudeville and moving picture houses.

The case against Wilfred Collins brought by George B. Carpenter, treasurer of the poor for the town of Hopkinton, was disposed of by Judge Olin in the third district court Friday.

THE ALVEOLAR METHOD What It Does For Toothless People By means of the wonderful Alveolar Method we are able to give back to a patient the full set of teeth he or she started in with in the beginning. It is quite natural that some unthinking people would ask such questions, and in order that they may be fully answered we will state that there is no boring, no cutting, no implantation about the Alveolar Method, nothing about the work that is painful while it is being done or afterwards.

WE ARE GENERAL PRACTITIONERS All Forms of Dentistry Treated by Experts. While the Alveolar Method is our great specialty, we are general dental practitioners as well. From the simplest filling to the most intricate piece of porcelain work, our experts are at the service of the public. Naturally we would do such work well, much better than it could be done in a one-man office, for the operators employed here are all men of the very highest skill. They need to be to do the Alveolar work. Patients would not be tolerated in our office for a day, neither would dental students. We demand the finished craftsman, both at the operating chair and in the laboratory.
