The social evening of the season was the junior-senior reception in Town hall Friday evening. This is an annual affair and the junior class of the Willimantic high school maintained the high standard of excellence set by their predecessors.

Lincoln's Quiet Way.

Papers that don't like President Roosevelt are taking this occasion to quote the following from Lincoln on the late E. J. Godkin: "There is nothing in his state papers, admirable as they have been in many respects, so creditable to his heart and heart as the entire absence of all violence, either of language or opinion." The curious part of the compliment to Lincoln is that it should come from Mr. Godkin, who was Rooseveltian in spirit if not in form.—Waterbury American
