AT THE BROADWAY. Vaudeville and Motion Pictures.

The show at the Broadway the current week is an exceptionally strong one, even surpassing in excellence that of last week.

The hit of the show last evening was "Crime and Gore in the elaborately staged novelty in which Miss Gore was in turn Bewery Mag and a girl on a slumming trip.

Change is so complete as to cause inquiries to be made at the box office as to how many women are in the sketch.

Mr. Crimmins and Gore in their elaborate stunts, and in the elaborate lighting changes from restaurant or waiter to cook and vice versa.

Both dance, sing and do various other little stunts which give their act just the right blend of foolishness and character portrayal to make it a hit.

BREED THEATER. Grandfather, Splendid Pathetic Moving Picture.

Unquestionably one of the prettiest and yet most pathetic pictures in this week's bill at the Breed Theater is the one called "Grandfather," telling its touching story in a straightforward way.

and featuring a very clever child character, it deals in an ideal grand-father, who is left in the care of his regular attendant, who by the way is a rogue, and loses no opportunity to vent his spite upon the helpless old man.

The rest of the grandfather's family decide to take a sail, as they are summering at the shore, and as they are about to enter the boat, the little granddaughter notices a tear on the cheek of the grandparent, and not guessing the reason, concludes to remain at home and do some detective work.

She is rewarded by discovering the attendant allowing himself to be gagged and tied, while his chums rush the house, the plunder to be divided between the three. The little girl secretes herself in a hollow tree, and watches the proceedings, and when the attendant is securely tied she rushes forward and gives the alarm, meaning the attendant, being tied hand and foot, is unable to help himself, and has to remain where he is until the family arrive, when they promptly put him in the hands of the authorities.

The monster western military picture, "Boots and Saddles," is the big feature, and the crowd of houses are following the intricate story with unflagging interest.

The Plan, The Test, which are strongly dramatic, are followed by the best pictures, "The Suffragette's Dream, and The Strong Draught."

The long and difficult song of Madam Mordecai, of the "Night of the Stars," a brilliant coloratura song, while Mr. Delaney is singing the popular song, "Love Me After This," being given with pretty slides and catchy music, which the audience are pleased to sing when the chorus is thrown upon the screen.

The complete program commences on Thursday, and a splendid one if promised, as Manager McNulty has some surprises up his sleeve, by which the public will be benefited.

\$50,000. 6 Per Cent. Consolidated and Refunding Bonds OF THE William H. Davenport Fire Arms Co.

In accordance with a plan submitted by the Citizens' Committee at the meeting held in Town Hall, Wednesday evening, April 14, 1920, subscriptions for these bonds are solicited.

It was voted at said meeting to recommend to the directors of said Company that \$50,000 6 per cent. Consolidated and Refunding Mortgage Bonds be issued, of which \$100,000 should be used for the purpose of refunding the present outstanding issue and that \$50,000 should be sold for cash in order to provide working capital for the Company.

THE CONDITION OF THE COMPANY DEMANDS AN IMMEDIATE RESPONSE to this suggestion, and accordingly subscriptions will be received at the office of James L. Case, No. 40 Shetucket street, Norwich, Conn., in amounts of \$100 and upwards until Wednesday night, April 21, 1920. The bonds will be issued in denominations of \$100, \$500 and \$1,000.

Unless a sufficient number of these bonds are subscribed for before this date it will be impossible to carry out the plan submitted by said Citizens' Committee, which plan has been approved by more than half of the unsecured creditors and by the Committee of the Norwich Board of Trade and by the Directors' Committee of the Davenport Arms Company.

It is hoped that the citizens of Norwich will be disposed to give this matter immediate attention and that the full amount (\$50,000) of these bonds may be subscribed.

THE DAVENPORT ARMS COMPANY HAS PAID, IN WAGES ALONE, DURING THE PAST TEN YEARS, AN AVERAGE OF OVER \$140,000 PER YEAR, AND IT IS CLEARLY FOR THE INTEREST OF THE CITY OF NORWICH TO RETAIN THIS INDUSTRY IF POSSIBLE.

AN IMMEDIATE RESPONSE IS ABSOLUTELY NECESSARY AND RESPECTFULLY INVITED BY THE COMMITTEE.
