NEW SKIN REMEDY STOPS ITCHING

Skin Troubles, Aggravated by Hot Weather, Quickly Cured.

When it is known that psoriasis, the new skin remedy, will stop the torturous itching attending eczema, with first application and bring immediate relief and comfort to sufferers from all skin troubles which are aggravated by hot weather, its merit will be instantly appreciated.

All skin diseases, including eczema, acne, herpes, rash, tetter, etc., yield readily to its remarkable curative properties. Occasional applications of psoriasis, in small quantities, will quickly banish pimples, hives, blackheads, blotches, and will relieve and cure itching feet, scaly scalp, humors, etc.

A special 50-cent package has been adopted for those who use psoriasis for these minor troubles. This, as well as the regular two-dollar jar, is on sale at The Lee & Osgood's, Smith's, and other leading drug stores in Norwich.

Psoriasis is also on sale in Putnam at Larue's; in Danbury at Woodward's; and in Willimantic at Chesbro's.

An experimental supply of psoriasis may be obtained free of charge, by writing to the Emergency Laboratory, 250 Broadway, New York City.

Mr. F. G. Fritts, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver troubles."
