Under his guidance the party will pass an enjoyable and profitable day in visiting the capitol, the state prison at Vethersfield and various other points of interest. The party will leave Greenville by electric for Willimantic shortly before 7 o'clock. They will return about 8 at night. The pupils in the graduating class of the school are Agnes Dawson, Mary Crowe, Fanny Grover, Helen Greene, Maud Pearson, Clara Coughlin, Catherine Yerrington, Edith Ringland, Fannie Singel, Katherine McIntyre, Lena Goldstein, Sadie Crowe, Ruth McKinley, Annie Murphy, Louis Brown, William McClim, John Gleason, Kirt Hicketts, Gustave Rydholm, Howard Benjamin, Samuel Crowe, James Hollingworth, Charles Prentice, David Campbell, Harry Sabrowski and Clifford Wilson.

Much Interest in Men's Mission.

Large congregations were the rule at the men's mission in St. Mary's church, Thursday, the feast of the Ascension. The instructions at the 8 o'clock mass were given by Father Downes, who spoke on "The Sacrament of Penance." In his instruction the speaker said it was necessary after sorrow for our sins to have a firm purpose to amend our life. At the evening service Father Downes gave the instructions on "The Sacrament of Penance." Rev. James R. Mitchell preached the sermon, which was on "The Mercy of God." Father Mitchell dwelt strongly on his theme, explaining his mercy on the repentant sinner. He mentioned many instances where he had shown mercy upon the repentant sinner and urged the men to go to confession during the mission, confess their sins and ask God for mercy. A large number received Holy Communion on Thursday. The children's mission services which are being held in the afternoon are largely attended.

Conference Congregational Churches

Six Meet at Hanover—Dr. S. H. Howe Preaches Morning Sermon.

A conference of the six churches of Lisbon, Plainfield, Jewett City, Preston City, Griswold and Hanover was held in Hanover Wednesday. The excellent programme was arranged by Rev. C. H. Peck, pastor of the Hanover church. Rev. W. H. Gane of Jewett City led the devotional service. The sermon was by Rev. Dr. S. H. Howe of Park church, Norwich, from the text, The Man with the Sack Cloth. He said there are three attitudes which men take to the sin and suffering in the world. The first is indifference. Indifference to the trouble and sorrow about us is a hall mark of vulgarity. The second attitude is cynicism. These believe that the kingdom of God is stronger than the kingdom of men. The third attitude is that of Christ, who said, Come unto me all ye that are weary and heavy laden. The sermon was full of the power of Christ and practical suggestions which those present could carry away to their homes. The ministers present felt that they could work bet-

ter with the Master for the redemption of the world. An ample collation was served by the ladies of the Hanover church at noon. When the seats in the vestry were all taken, many more found places under the trees on the lawn and dinner was served there. The day was a pleasant one and the church was filled. Large numbers came from the surrounding parishes. The afternoon service began at 2. There were three short addresses. The first was by Rev. D. B. MacLane of Taftville, on Churches Meeting the Needs of Their Parishes. The second was by Rev. William Ewing, secretary of the Congregational Sunday School union, Boston. His address was full of interesting and suggestive details of the work of the Sunday School union in the far west. The third address was by Dr. Gane of Jewett City, a fine talk on Practical Suggestions as to Church Efficiency and the Parish Organization. Rev. H. A. Beadle summed up the impressions of the day. A violin solo by Rev. Mr. MacLane closed the exercises.

It showed that the personally by the inventory amounted to \$29,940.33, and that amount was increased by sales to \$22,743.32. Small sums were lost, owing to the sales at the auction not bringing what the articles were appraised at. To F. W. Barber was paid \$150 under the award of the arbitrators. The state succession tax amounted to \$384.85. There was paid to F. S. Drake \$200 and turned over to the residuary legatee the sum of \$17,317.96. The expenses of settling the estate amounted to about \$1,500. The account was accepted by Judge N. J. Ayling.

SILK MILL PROPERTY HAS BEEN TRANSFERRED. Deeds Have Passed and Brainard & Armstrong Company Are in Possession.

As was stated last week, the Brainard & Armstrong company are to operate the Green silk mill in this city. The deeds transferring the property from Mr. Green to the Brainard & Armstrong company of New London have been passed and recorded by tax collector Holbrook. This firm, as Mayor Benjamin Armstrong of New London stated last week, intends to operate the plant at its full capacity, and to do so very soon, installing considerable new machinery for the purpose of increasing the output. By this deal a very strong manufacturing company becomes identified with Norwich, a fact which is of much interest to the industrial life. Mr. Smith was an important factor in bringing about this deal, and to him and his friends it is particularly pleasing that the result was accomplished.

LIQUOR CASE CONTINUED. W. E. Ryan's Case Goes Over for a Week at Request of Counsel—Embezzlement Matter Postponed.

In the city court on Thursday morning Attorney T. J. Kelly appeared for W. E. Ryan, who is charged with embezzlement of the law, at his saloon in Central wharf. City Attorney Hall explained that he intended to be ready to try the case then but was not prepared to do so until ready today. Attorney Kelly stated that he would like the case adjourned a week to get acquainted with the case and it was finally adjourned for one week. Mr. Ryan has an appeal before the city superior court and has been doing business under that and without a license for the past seven months. There has been no effort to get the case tried, it is understood, and the delay has been prolonged as it is applicable in such cases. The county commissioners refused him a license. In the case against Samuel Tubor, charged with embezzlement, the case was continued until this morning. Attorney Hall stating that there was a feature about it which he had not previously understood and he thought it might be settled.

It was Daniel Dean's birthday anniversary Thursday and a party of friends of Mr. and Mrs. Dean went to their home to give them a surprise, carrying a handsome chair for Mr. Dean. There were about thirty in the party and a merry time was anticipated, but it proved to have a feature not scheduled on the programme, which seriously marred the enjoyment. Mrs. Thomas Buckley of the East Side was on the piazza with a number of other women when it suddenly gave way and Mrs. Buckley being at the bottom of the fall received a serious injury, as Dr. J. J. Dopheus found when called that she had broken her right leg below the knee. A hack was called and she was taken to her home on Pembocot street, where the fracture was reduced. Mr. Dean lives in Rogers avenue, Laurel Hill, and the distance they fell was several feet.

Women in Finland. In Finland the meetings of suffragettes are unknown, for already women are students in the university, clerks in the banks, in the post offices and in business houses, and they not only have their vote but can be elected members of the diet. Yet, according to Paul Waineman in her "Summer Tour in Finland," they are "not in the least overbearing, but are for the greater part exceedingly modest and womanlike." As she landed one of the recently elected members of the diet was pointed out to her; she was "well dressed and young looking, with keen, deep-set eyes and a pleasant smile, and in no way resembled the grotesque caricatures of the women members of the Finnish diet in some English journals." Even the paths of Heisingfors are scrupulously brushed every morning by a regiment of barefooted women, and in this work they are employed all over the grand duchy; in fact, a mere man may well pause and wonder for what purpose he was created in Finland.

NORWICH TOWN.

Local People Recall Features of Town's Celebration in 1859—Social and Personal Interests.

Old-timers recall that Wednesday and Thursday, September 7 and 8, 1859, were beautiful fall days. No rainfall interfered with the grand procession of the 200th anniversary, the decorations, or the immense tent on the parade. A half-mile procession made the tour of the town with banners and trade exhibits—some of which were in operation. Giles L'Hommedieu, then 94 years old, the oldest native-born American in the town, was near death. The procession passed his home in perfect silence. A dinner was given by General Williams to the Mohicans. More than sixty of them sat down to this dinner. The honored guest of that anniversary was ex-President Fillmore. When the 200th anniversary is celebrated, historians will tell of President Taft as the most distinguished guest of the 1909 celebration.

Birds Noted This Week. Greenbacks are here in numbers. A tiny yellow warbler was seen on Wednesday—also a scarlet tanager for the first time. All the birds seem to have arrived. On a small pear tree on Washington street is a robin's nest with eggs. Five different cats are prowling about, but as yet have not disturbed the birds, although the nest is very accessible.
