Pimples, Rash, Eruptions, Etc. Quickly Eradicated by New Skin Remedy.

Since its discovery one year ago, poslam, the new skin remedy, has, in its extraordinary accomplishments, exceeded the most sanguine expectations of the eminent specialist who gave it to the world.

In less serious skin affections, such as pimples, rash, herpes, blackheads, and other disfigurements of years standing, the terrible itching attending eczema is stopped with the first application, giving proof of its curative properties at the very outset.

Poslam is also on sale in Putnam at Larue's; in Danielson at Woodward's, and in Willimantic at Chesbro's. Samples for experimental purposes may be had free of charge by writing direct to the Emergency Laboratories, 32 West Twenty-fifth Street, New York City.
