Death of Samuel M. Brooks at His Home in Norristown, Pa.—Local Mention. Samuel Mowrey Brooks died at his home in Norristown, N. J., where he had been in business for a quarter of a century, Monday, June 7th.

Mr. Brooks was the son of the late George W. and Cynthia Law Brooks and was born in Greenville, sixty years ago. He received his education in the public schools of Greenville. For a number of years he was bookkeeper for the firm of Winters & Sons, and 27 years ago left Norwich to take charge of the branch office in Norristown of the packing house of Morris & Swift of Chicago. He resigned from this position two years ago because of ill health.

In May, 1882, just before leaving this city, he married Miss Mary Rawlinson of Greenville, Rev. Andrew J. Sullivan of the Congregational church performing the ceremony. Mr. Brooks survived by his wife and one daughter, the wife of Dr. R. Metz Miller, a leading physician of Norristown and a specialist in eye diseases, in an asylum. There are also two brothers, George W. and Albert O. Brooks of Greenville, and four sisters, Mrs. J. Brewster of this city, Miss Harriet M. Brooks and Mrs. Mary E. Hastings of Greenville and Mrs. K. A. Darbie of Danvers.

Mr. Brooks was a man of many friends. His kindly nature, pleasing disposition and upright character were known and appreciated by all who knew him. He was a Knight Templar, belonging to the Norristown commandery. The funeral was held in Norristown Wednesday night, and the remains will be brought to Norwich to be placed at rest in the Yantic cemetery Friday morning. Prayers at the grave will be read at 10.30.

Graduation Exercises of the Weaquocton School Will Be Held Friday Afternoon, June 25.—Personal. The graduation exercises of the Weaquocton school are to be held Friday afternoon, June 25, in Ponemah hall.

The graduation exercises of the Weaquocton school are to be held Friday afternoon, June 25, in Ponemah hall. The exercises in previous years have been held in the evening, but in view of the fact that a large part of the audience usually consists of school children and friends of the unusually large number of pupils in the public schools this year, due to the burning of the parochial building, the committee decided to have the programme in the afternoon, in order that there may be sufficient accommodation for the relatives and friends who are expected to attend.

As a prominent feature of the programme the members of the graduating class will give in dialogue form two scenes from Shakespeare's plays. One is the Trial Scene from The Merchant of Venice and the other the scene from Julius Caesar following the assassination, including the speeches by Brutus and Antony.

The graduating class numbers fifteen. They are William A. Abner, John A. Anderson, Marie Antoinette Caron, May Elizabeth Dunne, Linda Esther Edmundson, Louis Franchette, Lucy Kershaw, Greenwood, Harry Hagan, Thomas Hoyde, Marion Pearson Jarvis, Ernest Pollard, May Torrance, Ora Gross, Bernardus Augustus, Robert Hamilton Walker, Earle Milton Wood.

Personal Notes. Mrs. E. F. Greiner left Wednesday for a visit with relatives in New Bedford.

WARRANT FOR THE DEBTORS Application will be Made on the Grounds that Juro Talked with the Young Girl in the Case—Counsel Secured.

The decision of the supreme court that there was no error in the case of the state vs. Addis Burns, which was handed down Tuesday, as told in The Bulletin, does not end the serious case, and Mrs. Burns will probably not go to state prison right away, it is stated. A petition was made in her behalf and a petition will soon be filed in the superior court asking that a new trial be granted on the grounds that one of the jurors in the previous trial was unduly influenced.

Mrs. Burns was acquainted with the counsel of the supreme court, it is stated. She heard it composed, but was of course disappointed in the outcome of the appeal, although it was stated she was up bravely and has hopes for better success in the new petition.

Attorney William H. Shields has been retained to conduct the case for Mrs. Burns this time and stated on Wednesday that Attorney John C. Geary of New London and Attorney R. P. Freeman of that city would be associated with him. It is claimed, stated Mr. Shields, that one of the jurors in the trial was unduly influenced during the trial by a conversation with May Burns, the girl from New Haven over whom all the trouble resulted. This conversation, it is said, took place here while the case was under way and therefore he was influenced into convicting. Further, that that Attorney Shields was willing to state on Wednesday regarding the petition for a new trial. He stated that it was nothing new to bring such a petition after a decision by the supreme court. It is often done in civil matters and can be just as well done in criminal cases, although it is not from a woman's family.

In New London on Wednesday George Beck, brother of Mrs. Burns, stated that he was not out of jail by endeavoring to get a new trial. At the local jail Mrs. Burns has been assisting in the work and thereby taking up her mind. She has not been able to sleep well of late, but her health is not broken. She has had better meals than the other prisoners, owing to the fact that she pays for them, getting the same as the jailer's family.

A young man named McNulty of New Haven, who was implicated in the affair, was tried in the superior court in the trial which was held in the afternoon of not more than two years in the state prison. He is now serving this sentence.

250th ANNIVERSARY CELEBRATION of the Founding of Norwich, July 5th and 6th

COMMITTEE DECIDES ON HARBOR PARADE. Nearly 100 to Participate—Power Boats Start from Uncas Paper Co. Wharf—Prizes for Best Decorations.

A meeting of the committee on harbor parade for the coming anniversary of the founding of Norwich, Wednesday evening at the Chelsea Boat Club house, at which the chairman, Herbert B. Cary, commended the club president. The meeting was an enthusiastic one, and seemed to indicate that the boat owners, both belonging to the club and those outside, were ready to make the water carnival a fine success.

Major William A. Wells was there to represent the power boat owners outside of the club, and reported an estimate of from 50 to 60 of these who would take part in the parade. George A. Richmond, who is in charge of power boat entries from the club, expects there will be 20 of these. The water events are to be on the evening of Tuesday, July 6th. It was decided to have the power boat parade start from the Uncas paper company dock, all boats to be in line by 7.30, so as to start at 8 o'clock.

The power boats are to move in divisions of ten each, and are to be towed by the head boat of each division, those being the safest plan to avoid collisions and other accidents. It was decided that the boats will be decorated with flags and lanterns to be carried by the crew. The boats will be decorated with Japanese lanterns for all to decorate with. It was decided to place June 25th at the latest date on which entries could be made to the respective chairmen. This will leave the committee time to fill the needs of the occasion.

On the night of the boat parade the boat club will hold open house for its members and their friends, to which admission will be by card, and refreshments will be served. The Porteous & Mitchell company have also erected a sign on the roof over the Western Union telegraph office, the electric lights forming the firm name. There are two rows of lights and this is also in a prominent location for an excellent effect.

PUTTING UP ELECTRIC SIGNS.

A number of the merchants are getting busy with their decorations and the celebration in the shape of electric signs. H. A. Wolf has had a sign placed at the corner of the Russell building on the roof over his place of business. It is his name lighted by electric lights and it makes a prominent showing at night and attracts much attention during the day.

The Porteous & Mitchell company have also erected a sign on the roof over the Western Union telegraph office, the electric lights forming the firm name. There are two rows of lights and this is also in a prominent location for an excellent effect.

WEDDING.

O'Neill—Regan. There was a pretty wedding at St. Patrick's church at 8 o'clock Wednesday morning, when Daniel J. O'Neill and Miss Nellie Regan were married by Rev. William A. Gildea. The bride was Miss Annie M. Gorman of Norwich town.

The bride wore a gown of brown silk, hat to match, and carried an ivory prayerbook. The bridesmaid was dressed in cream pongee silk with lace trimmings, and carried a bouquet of carnations.

Following the ceremony the bridal party went to the newly furnished home of the happy couple at 244 Broad street, where a wedding breakfast was served and a reception held. The room is a superlative policeman and for many years has been the efficient secretary of Division No. 1, A. O. H. The bride is a highly esteemed young lady of this city. They received many valuable and useful presents, including silverware, cut glass, furniture, pictures, etc.

Mr. and Mrs. O'Neill left in the evening for a wedding trip to New York.

Many Deer Seen. A resident of Plain Hill states that there is a large buck and about five does to be seen most any day in that section. In all there are about thirty in that section and they are very tame. They are, however, doing much damage to the crops, which aggravates the farmer.

It is stated that a couple of dogs got after a doe a few days ago in that section. A man drove them off, and the deer would have been killed.

New London to Co-operate. At a meeting of the New London Business Men's association on Wednesday evening it was voted to co-operate with the Norwich Board of Trade for better train service on the Central Vermont road. They also will endeavor to have tickets issued on the trolley line between that city and Willimantic so that five cent fares will not have to be dealt out so often.

Woodmen Get Hall. The local Woodmen have secured a hall in the Carroll building where they will entertain their guests during the celebration. Foresters' hall will be open to all the lodges during the anniversary.

Superior Court. When the superior court came in here on Wednesday the grand jury was immediately adjourned until this morning, as Attorney Hull was before the supreme court in New Haven. It is expected that the case of Furlong adm. vs. the New Haven road will be resumed this morning.

Men Who Fought WERE SENT TO JAIL. Ninety, Seventy-five and Forty-five Days Respectively Given the Trio. In the city court Wednesday morning a case against the three men who caused the excitement in Franklin square on Tuesday evening were tried. They presented a sad appearance in the court. They were charged with intoxication and resistance. They gave the names of John Kelly of Worcester, Frank Murphy of New London, and Maurice B. Kelley of Pittsburg; and they were given respectively 90, 75 and 45 days in jail, there being thirty days each for intoxication and the remainder for resistance.

ARCHDEACON J. ELDRER BROWN NAMED ON COMMITTEE To Consider Advisability of Division of Diocese—Class of Episcopal Convention.

The annual convention of the Protestant Episcopal diocese of Connecticut concluded last Tuesday afternoon in Hartford. Its most important work of the late afternoon was the action taken in the matter of a possible division of the diocese. It was voted that a committee be appointed to consider the advisability of a division and on what lines, or on what basis, such a division should be suggested by the bishop. Bishop Brewster appointed the following: W. H. Lewis, F. W. Hartman, O. H. Raftery, and the Revs. J. Eldred Brown, George T. Linsley and Charles Howard. The committee will meet on Wednesday at the residence of the archdeacon, J. Eldred Brown, at 100 State street.

At the City Union meeting of the King's Daughters held at the Johnson home on Tuesday afternoon Miss Lucy Geer gave an interesting and informal talk concerning the recent county conference. The soprano solos by Mrs. Charles Fink and the alto solos by Mrs. Hazelien formed an important part of the afternoon's enjoyment.

To Omit Prayer Meeting. Because of the union meeting at the Second Congregational church which is to be addressed by two ministers from the city, the prayer meeting of the First Congregational church will not be held this week.

Surprise Party. About twenty young friends of Edward Murray surprised him at his home on Huntington avenue at 10 o'clock on Tuesday evening. Guessing games were played, much merriment resulted from the attempt to pin the tail on the donkey. The prize, a cup and saucer, was won by Miss Anna May Kilroy. The consolation prize went to Edward Murray. Miss May Shields rendered piano solos. Lemonade, fancy cookies, fruit and candy were served. A very enjoyable evening was spent.

Minor Mention. Mrs. George S. Beebe of Scotland road has been entertaining Mrs. Samuel Gillette of Dayville. Mrs. A. R. Keables of New London returned this week from a brief visit in Providence. Mr. and Mrs. Noyes D. Chas. of Otobrande avenue were recent guests of Mr. and Mrs. Charles Bartlett of Montville.

HOW TO GROW FAT

A Lazy Stomach the Cause of Thinness, Nine Times in Ten. If you are thin or lean, have gray hair and a neck, you can't grow fat unless your food properly digests. People take on flesh in proportion to nutritious matter which the organs of digestion absorb and pass into the blood. Just as long as the nutritious matter passes along without being absorbed, just so long will you remain thin. Perhaps your stomach, bowels and liver need a tonic. If your digestion is not perfect, Mi-o-na tablets will put it right at once. Mi-o-na will cure indigestion and every conceivable ailment of the stomach promptly. It cures by building and toning up and not by encouraging a tired stomach to continue its shiftless and health destroying habits. It promptly drives away sour stomach, belching of gas, heaviness after eating. The Lee & Osgood Co. sells Mi-o-na for 50 cents a large box, and guarantees it to cure indigestion, sea and car sickness, vomiting of pregnancy and all stomach diseases and distress, or money back.
