## COUNTY TAX RECOMMENDED

Meeting of County Senators and Representatives at Hartford Acts on Commissioners' Recommendations.

(Special to The Bulletin.)  
Hartford, June 16.—At the New London county meeting this afternoon the following statement from the county commissioners was read and explained by County Commissioner Noyes:

To the Honorable Senators and Representatives of New London County:  
Whereas it appears a careful estimate of county needs for the next two years.  
The amounts involved in the figures for bar library and new court room are by reputable firms under competitive bids. The money asked for on account of East Lyme and Waterford bridge and for renovation of Norwich court room, and the rooms used in connection therewith, are necessarily estimated; arrived at with care by the commissioners, who have had the assistance in making them of people who make this class of business a specialty.

Interest has been estimated at 4-1/2 per cent on floating debt and must be taken into account, as it cannot be met in any other way than the one proposed.

All items asked for with the exception of real estate at the county house, or recommended by the commissioners who will explain the situation at the home and advise you why they bring this matter to your attention.

All items but this one are absolutely necessary to a proper administration of county affairs.

The floating debt of the county is, or soon will be, as follows:  
County house addition at Norwich \$39,000.00  
New jail block at Norwich, Conn. 16,127.82  
Court house at New London 50,000.00  
Accrued interest, Norwich 1,500.00  
Total \$106,627.82

To the above add as follows:  
Furnishing bar library and court room in new addition at Norwich \$2,536.  
Renovation old court room in Norwich 2,500  
Repairs, maintenance and care of East Lyme and Waterford bridge 2,500  
Interest \$9,000  
Total \$114,163.82

Your commissioners further recommend that you lay a small county tax of not over one-half mill which will raise about \$40,000, to be applied to the reduction of the floating debt. Such a tax, if laid, will not become available before the summer of 1910. To the large attendance of senators and representatives present, Mr. Noyes made some remarks in addition, in which he explained conditions in the county. He said, for one thing, that the cost of renovation of the old court room at Norwich had only been estimated by a representative of N. S. Gilbert & Sons, and the figure given was not final, but he believed it pretty near the final cost. The court room and other rooms in the old part of the Norwich court house are in rather shabby condition and the prisoners' pen in the court room is only about one-third of what its size should be and this renovation was really very necessary.

The meeting had been called to consider the six different matters contained in the notice sent to members by the clerk, and which was printed in The Bulletin not long since. Entering the new court room and its library was something which had to be done and the bridge between East Lyme and Waterford must be taken care of and a bridge tender employed. These and the renovation of the old court house at Norwich were necessities.

It was also necessary that the county's share of the joint note for the court house addition at Norwich be cared for and after consultation with the counsel for the Norwich Savings society, which holds this note for \$50,000, it had been decided that the bank should be the authority of the county meeting for the commissioners to borrow money. These matters might best be taken care of together, said Mr. Noyes, and after a vote on this subject was taken up on. The total amount was \$46,500. Senator Alyn suggested that if the whole amount of \$114,000 be care-4 in this vote but was told by the commissioners that there are already in existence two other county notes which care for the rest of this.

A vote was prepared to read as follows: That the county commissioners of New London county are hereby authorized and empowered to borrow a sum not to exceed \$47,000 for and in the name of the county of New London, the same to include the county's share of the note of \$50,000 now existing on account of the county court house at Norwich. This was passed. As to the county tax, it was explained that the proceeds of this tax were to be devoted to the meeting of the floating debt of the county and that a tax of 1-2 mill would do this, with a tax of 1-4 mill later on to meet subsequent debts. Mr. Whiton of New London asked if this meeting could lay the tax, and was informed that this could not be done now, but that the meeting could recommend such action. On motion of Mr. Broughton of Storrs, a resolution was prepared reading as follows: Resolved That it is the sense of this meeting that a county tax of 1-2 mill be levied on the grand list of New London county for 1909, and the county commissioners be instructed to take the necessary action to call a meeting in the legal manner to consider the laying of said tax.

This was passed. The county commissioner Noyes suggested the purchase of a couple of pieces of property on either side of the present county home, where the children have been a half-acre of playground and need more, and on which the commissioners have a 30 days option. One is 100x150 feet and the other 50x190 feet and the two can be bought for \$75,000. Mr. Broughton moved and Senator Bradford seconded that the commissioners be instructed to buy this property, which it was stated could hardly decrease in value, at an amount not to exceed this sum and this was voted. The vote providing for the borrowing of money was then reconsidered and after some debate over whether or not the total sum should be made \$50,000 was passed at \$47,000. The meeting adjourned for two weeks.

### FUNERALS.

**Mrs. Henry C. Ray.**

MRS. HENRY C. RAY.

She was buried in the Scotland church. The bestowers were Elsie Scott, Elsie Baldwin, Frank Allen and William P. Chesbro of Taftville, sons-in-law of the deceased. There were many beautiful floral forms. The burial was in the Ray-Yerrington cemetery at Taftville, where a committal service was read. Church and Allen had charge of the arrangements.

Mrs. Ray's death was sudden, occurring from heart disease Thursday night last. Her maiden name was Phebe M. Palmer. She was 83 years of age and lived with her daughter, Mrs. Frank Allen. Mrs. Ray is survived by four daughters, Mrs. Frank Allen of Scotland, Mrs. Elsie Geer, Mrs. Chesbro and Mrs. Baldwin of Norwich, and three sons, Henry C. Ray of Norwich, Clifford Ray of Hampton and Herbert Ray of South Dakota.

**Lyme.—Charles Moss died Friday night** at his beautiful home on Brighton Heights. He had been in a sanitarium for treatment of water on the lung. Friday he was quite bright and wanted to come home. He had been home five hours when the water flooded his heart and he died. He was 65 years of age.

### A Thrilling Rescue.

How Bert R. Lean, of Cheney, Wash., was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and now I am as well as ever." For Lung Trouble, Bronchitis, Coughs and Colds, Asthma, Croup and Whooping Cough it's supreme. 50c and \$1.00. Trial bottle free. Guaranteed by The Lee & Osgood Co.
