DIVISIONS FOR THE BIG PARADE Have Been Arranged by the Formation Committee and Marshals Appointed—Mason's Sword to be Shown—W. C. T. U. Completes Plans—Mohegan Indians Fifty Years Ago.

There was a meeting of the formation committee at the directors' room of the Thames National bank on Thursday evening, at which many details were settled upon, including the formation of divisions. It has been decided that there will be six divisions of the parade, although it was thought at one time that there would be seven. Since then, however, the committee has decided that all can be taken care of in six, and that will be final unless there is a large number of new participants.

At a meeting this week the W. C. T. U. completed most of their final arrangements regarding their part in the celebration. Mrs. C. A. Perkins was appointed chairman of the rest room which is to be open in charge of the W. C. T. U. from 9 a. m. to 3 p. m. Monday in the Universalist church vestry. The women are to be in attendance in two-hour relays, those already volunteering being Mrs. C. W. Kennison, Mrs. J. A. Perkins, Randall of Norwich Town, Mrs. C. A. Everett and Mrs. Grover. More are to be secured and the 'Y's are to assist.

Since the bridge district school meeting Wednesday night, when it was decided inadvisable from a matter of expense for the district to have a float in the parade, a number of people in the district have talked the matter over and a meeting to be held in Waite's block next week has been called for the purpose of seeing if it cannot be arranged to get up a float. Putnam Phalanx Circular. The executive committee of the Putnam Phalanx has sent out the following circular to members of the society in the Norwich trip, week after next: JUST A REMINDER. The Fourth of July comes on Sunday this year. The celebration will therefore be on Monday.

Mohegan Indians in Parade. As there were 50 years ago there will be a number of Mohegan Indians in the parade this year, it is expected. Fifty years ago, through the influence of General William H. Thacker, the Mohegans were invited to join in the bicentennial celebration. Mrs. E. T. Baker of Mohegan writes The Bulletin: "I think there are a few of us living who were grown up people at that time. I rode, but one of my sisters, with two other women, walked with the men. After the parade, the General Williams gave us a fine dinner in the garden back of his house."
