Lodge Notes and Fraternal Interests

Court City of Norwich Entertains Two Former Norwich Men, Now of Ohio—Haymakers Convocation at Bridgeport Aug. 28—Elks Ready for Their Outing—Hibernian Games at Hartford Today—Sheepbake for Odd Fellows.

HIBERNIANS.

The ladies' auxiliary to the A. O. U. are planning for a social evening on their meeting night on September 2. There will be whist and during the evening the \$5 gold piece will be awarded to the ladies who will be refreshments of cake and ice cream.
A number of the members of the First and Second Divisions and ladies' auxiliary are going to Hartford today to take in the games at Charter Oak park. All details have been completed and the large number of entries received shows that the meet will be the largest one ever pulled off in this state. Mayor Hooker will be the honorary referee and the active referee will be William T. Colahan, the coach at Trinity college. Walter E. Hatterson will be clerk of course and the starter will be Matty Coughlin. Ex-Mayor Alexander Harbinton heads the list of timers. Supt. Egan of the state police is at the head of the track inspectors. William J. Costello of the New York Athletic club will make the announcements. The athletes have been handicapped by Thomas F. O'Brien of the Amateur Athletic union, who is connected with the Metropolitan district, and which has jurisdiction over this state.
David Fitzgerald, the official referee of the Edgewood Athletic club of New Haven, will be one of the track officials.

HAYMAKERS.

George J. Talbot of Naugatuck, state chief haymaker of the state Haymakers' association of Connecticut, has written to the various fraternal organizations announcing and inviting them to the annual convocation of the state association, to be held on Saturday, August 28, in the loft of Knickerbocker association, No. 20 1/2 of Bridgeport.
The occasion will open at 10 o'clock a. m. and all past chief state Haymakers in good standing are entitled to a seat. Norwich will in all likelihood be represented.
The entertaining association has arranged for a first class clam bake to be held at Forest park, Bridgeport, and as there are adequate facilities at the park there will be no postponement on account of weather. The committee has also arranged for a number of athletic events, among which will be a ball game between the Main street association of Torrington and Womponon association of Bridgeport.
It is planned to make the occasion one of the largest gatherings of Haymakers ever held in the state and an enjoyable time will be spent in the fraternality of fun and good fellowship.

ELKS.

The Elks of Norwich lodge, No. 420, are putting on the finishing touches to the arrangements for their annual outing at Foxe's farm, near the bridge next Wednesday, August 11, and given the right kind of weather the picnic is bound to surpass all previous ones. The number of members and chowder and bake ready on the arrival of the 12 o'clock train, upon which many of the members will go down, although some will be there earlier.
A programme of athletic events is scheduled for the afternoon, including a tug of war, in which one of the teams will be the Jewett City heavyweights. The ball game between the Norwich and Foxe's farm teams will be a big feature, and the respective captains are already making ready for the fray. There have been six entries to date in the 100 yard dash, and the other events are well filled up.

REBEKAHS.

Little except regular business was transacted by Hope Rebekah lodge, No. 21, L. O. O. F., at its meeting this week, but the members of this lodge are beginning to get things in shape for the Labor day celebration at Fairview. Mrs. Lulu Palmer of Hope lodge has been placed in charge of the dinner which will be given the visiting delegates from the various lodges of the state. She will have 40 assistants in preparing the tables and cooking and serving the dinner. Members from each of the Rebekah lodges in this vicinity, Osprey and Orient of New London, Home of Grotton and the Elks of Norwich, it is safe to say that Mrs. Palmer and her corps of helpers are going to get up an unequalled menu.

MODERN WOODMEN.

A full attendance of members turned out Monday night to see two new camps initiated in handsome form into lodge camp, No. 7694, Modern Woodmen of America. Six applications for membership were also read.
The local Woodmen, enjoyed the honor of a visit from Consul M. S. Rasmussen, Deputy Andrew A. Brown and Brother Frank Hart of White Oak camp of New London. The New London camp is planning to boom their order by having a parade with floats in the Whaling city on the evening of September 14, and the Norwich camps have received cordial invitations to attend, which they doubtless will do in large numbers.

ODD FELLOWS.

Canton Onece, No. 3, held its regular meeting in Odd Fellows' hall on Thursday night. The members of the local canton are anticipating a thoroughly enjoyable time at the sheepbake on the shores of Lake Compounce at which the cantons of the state are to rally on September 16. The captains of the various cantons met in New Haven some months ago and arranged for the arrangements. Capt. Otto Ernst of this city being present. The New Britain band will live up things with its music and a ball game will be a feature. The members of the subordinate lodges of Odd Fellows have been cordially invited to the doings. The Norwich lodge expects to be well represented.

KNIGHTS OF COLUMBUS.

Considerable local interest is shown in the field day of the Greenwich Knights of Columbus, to be held on Saturday, Aug. 28, at Keeler's hill, on the trolley line between Stamford and Greenwich. One of the principal events is a road race of 12 miles—to be started from Four square in Norwich, and to be finished at the track. It is open to all registered amateur athletes, A. A. U. rules to govern. The same is true of these nine other open events: 100 yard dash, 200 yard dash, 300 yard dash, 3-4 mile run, handicap, 1 mile run, novice, 3 mile run, handicap, 50 yard sprint, running high jump, hurdle, putting 16-lb. hammer, handball.
Two other events are closed to Knights of Columbus—100 yard dash, handicap, and one mile relay race, handicap. The official handicapper will be Thomas F. O'Brien, 342 Broadway, New York of the Metropolitan association, A. A. U. The road race will start at 11 a. m. and the track events at 2 p. m.
For the relay race the prizes will be a handsome silver cup to the winning team, with gold, silver and bronze plaques as individual prizes to men on first, second and third teams. In

the 100 yards dash the prizes will be gold, silver and bronze medals, with emblems of the order to the first, second and third. In all other events gold stop and time watches are provided for; 20-year guarantees go watch for second, and silver medal for third.
The entries thus early received insure an exceptionally attractive meeting, where new records may be made. They include John J. Flanagan, the champion hammer thrower; Keating, the 220 yard national champion; Wright, the 880 yard military champion; Spitzer, who competed in the Olympic games in England; Owen F. Langan of Jersey City in the 100 yards and the 300 yards run, and S. C. North-ride of Brooklyn, also in the 100 and 300 yards runs and in the hog step and jump. In the relay race competing teams will come from New York, Brooklyn, Jersey City, New Haven, Stamford, Greenwich and many other places.

FORESTERS.

Friday evening, Court City of Norwich, No. 53, held its regular and only meeting for the month of August, and it was well attended. Many reports were given which show a great gain financially.
Four applications were received and two candidates received the third degree. Brothers Alfred Bernstein and Clarence Fullerton of Cadiz, Ohio, were guests of the court, as they were on their way to their native place, Old Norwich, as they called it. They regretted not being here to help celebrate the anniversary. The first spoke of the great strength of Forestry in the west, but were pleased to see the financial condition of the order, the best which showed in spite of all the other orders. Forestry is successfully holding its own.
Court Sachem, No. 24, Foresters of America, held a quiet meeting Thursday night, and in addition to regular business initiated one candidate in good form.

SONS OF VETERANS.

An order issued by Division Commander Charles W. Roberts of the Sons of Veterans gives many facts and figures regarding the condition of the order in this state. The report of the division secretary, which is made a part of the report, shows that at the end of the last quarter—on June 20—there were 23 camps in good standing, with a membership of 438. The number of camps was four more than at the time of the previous report, and there was a net gain of 169 in membership, the chief item being the addition of 174 new members. The following camps made gains: Nathan Hale, Hiram Eddy, J. E. Tourtelotte, Griffin A. Steadman, Franklin Bates, Loren D. Penfield, Henry Kinney, William B. Wooster, Daniel C. Rodman, Naugatuck and Alden Skinner. The national secretary has sent the following pleasant message: "Congratulations on your splendid gain for last quarter. It beats all others."
The report of the division treasurer for the quarter shows a small deficit and at a meeting of the division council it was deemed advisable to appeal to the members of the order throughout the state for funds to carry on the work of the organization. This matter will be given the most careful consideration and the order urges the Sons of Veterans in the state to give their time and money in aid of the worthy work of the order.
The national encampment will be held at Washington, D. C. the last week of August and it is expected that a good-sized delegation of Grand Army men and Sons of Veterans will go from this city. Members of the latter order, however, who are desirous to take the trip should notify Division Commander Roberts at once.

MUST HAVE 596 SIGNERS TO GET LICENSE VOTE.
Local Effect of New Petition Law.
The Voter, published monthly by the state executive committee of the prohibition party, gives information in relation to the new petition law and the number of signatures required in towns now under license. The petition for a vote on the license question, while it is addressed to the selectmen of the town, must be given to the town clerk at least 20 days before the date of the annual town meeting. This date will be September 12 this year. The number of signatures needed is 19 per cent of the registered voters instead of 25 names as heretofore. There is no requirement that every voter be secured. In large cities the street and number should be given as well as name in full, in order to identify the individual with name on voting list. The minimum number of signatures required in the towns which are now under license is as follows:
