Observations in Norwich. The following records, reported from Sevin's pharmacy, show the changes in temperature and the barometric changes Monday:

Table with columns: Ther. Bar., 7 a. m., 12 m., 6 p., Highest 74, lowest 64.

GREENEVILLE Teachers for Coming Year in Grammar School, which Reopens This Morning

The Greeneville grammar school will open for the fall term this morning with an all-day session.

The following is the list of teachers: Main building, room 10, Miss Rachel Jennings; room 9, Miss Marguerite E. Vetter; room 8, Miss Catherine F. Coughlin; room 7, Miss Mary A. Malone; room 6, Miss Winifred M. Skelly; room 5, Miss Mary L. McLaughlin; room 4, Miss Katherine E. Casey; room 3, Miss Mary T. Sullivan; room 2, Miss Mary T. Sullivan; room 1, Miss Mary T. Sullivan.

Coming Outing of Bible Class. It is with keen interest that the members of the Good Will Bible class of the Congregational church are looking forward to their second outing this season.

Persons. Mr. and Mrs. William J. Hamilton are visiting Providence relatives for a few days.

William Shea of Three Rivers, Mass., was the guest of local relatives over Labor day.

Mills and stores were closed Monday and many flags were flying about town in observance of Labor day.

Miss Katie Clark of Seventh street and Miss Hattie Enright of the Central avenue are spending a week as the guests of Clifton H. Hobson of Palmer, Mass.

Mr. and Mrs. William H. Collins and family have returned to their home on Central avenue after spending a week as the guests of Clifton H. Hobson of Palmer, Mass.

Mr. and Mrs. Bernard R. Tilly, Master Benjamin Tilly and Miss Florence Tilly, Mr. and Mrs. H. E. Baldwin and Mrs. F. L. Thompson and daughter have returned to their home on Ocean beach after spending a month at Ocean beach.

Three Warden Henry Davis during the week took down three dead mice, two near the corner of Tenth and Prospect streets and one near Crompton's store on Central avenue. There are three more to come down in the latter place and a number in other parts of the village.

A horse owned by Contractor Torrance ran away early Monday afternoon. The buggy struck the bridge over the canal near Twelfth street, knocking it down. No one was in the team, which the horse carried down North Main street and through Main and Market streets, until stopped near Reynolds' stable on Shetucket street. Little damage was done.

The Board of gas and electric commissioners—John McWilliams, Gilbert S. Raymond and Edwin A. Tracy—submitted their annual report to the court of common council on Monday evening. The report is as follows:

The board of gas and electric commissioners herewith submit the report and statement of their doings and of the business and financial matters for their charge for the year ending July 31, 1938.

Profit and Depreciation. The net profit for the year as shown by the schedules was \$18,445.87 after charging off \$14,564.83 (which sum is 5 per cent of the city's investment on July 31, 1938) for depreciation of the plant. It thus appears that the net income for the year exceeded the cost of manufacture and distribution by \$33,990.70.

List of Salaried Officers. On April 5, 1938, the court of common council appointed Edwin A. Tracy commissioner for three years, beginning May 1st, 1938, to succeed William P. Bogue, who had served the city as commissioner since the taking over of the plant. Mr. Bogue had been acting superintendent since July 1st, 1936, and on May 17, 1937, he was appointed superintendent.

The following is a list of the salaries of officers employed during the year and the salaries now paid to each as follows: William P. Bogue, superintendent, \$2,500; Archa W. Coit, clerk and cashier, \$1,200.

New Offices. The office of this department was removed from the City hall on August 24, 1938, to temporary quarters on the second floor of the building at 101 Main street. The temporary office was occupied until April 1st, 1939, when the office was again moved to the new building at the Albee building, which had been renovated and especially fitted for the business. The main floor has been divided into two parts, one for the commissioners, superintendent, cashiers, bookkeepers and a show room.

Reduction in Price of Electricity. On November 1st, 1938, the price of electricity for lighting was reduced from 14 cents (and less according to quantity used) to the following schedule: 1 to 450 K. W. H., 10c per K. W. H. Over 450 K. W. H., 10c for first 450 and 5c for each additional K. W. H. Minimum charge 25c per month.

This change means a reduction in price for over 90 per cent of all of the light consumers, and also reduced the receipts for the year approximately \$7,500, based on the last year's output.

The price of alternating current electricity used for power delivered at any one meter has been reduced from 14 cents to 10 cents per K. W. H. per month, in accordance with the following schedule: 1 to 500 K. W. H., 5c per K. W. H. Over 500 to 2c for each additional K. W. H. Minimum charge \$2 per month for one-horsepower or fraction thereof, and 50c per each additional horsepower.

This is a very radical reduction in the power rate and we hope the results will justify expectations that many of the local industries will see fit to discard steam power and put in motors. We call attention to the fact that the receipts from the sales of electricity for power increased 21 per cent, leaving the city with an amount at present 125 motors connected with its lines, having a total capacity of 448 horsepower.

City Lighting. The number of arc lights now in use by the city has decreased last year, and the number of incandescent lights is 295 (one more than last year). These lights have burned all night and every night during the year.

The statute provides that the gas and electricity used by the city shall be charged to it at cost, and the actual cost of the gas and electricity furnished the city for lighting streets and public buildings, including the lamps during the year covered by this report, was \$23,278.20 (which is slightly less than last year). The cost of lighting the public buildings was \$25,437, leaving the cost of lighting the streets \$23,217.73. Of this amount \$18,709.73 was for arc lights and care of lamps, and the balance of \$4,508 was for incandescent lights and care. The actual cost to the city, therefore, for each arc light was \$78.59 for the year, and \$12.26 for each incandescent light.

All the electric current used for street lighting, for outside illuminating purposes and on the city hall and public buildings during the four years of the 25th anniversary celebration was furnished by this department without expense to the celebration committee or to the individuals or corporations who put up the electrical decorations.

Extensions and Renewals. Two pairs of 40 primary feed wires have been strung from the station through North Main street and Main street to Rose alley, which give added carrying capacity. In this department there have been 127 extensions and renewals 125 meters, making the total number of active light meters 1,068, and power meters 92. The number of consumers not on meter has been decreased from 14 to 3, the whole number of consumers the past year having been 1,163.

Gas. The following is a table showing the gas main extensions for the past year. 3-Inch Wrought Iron Pipe. Main St. 495 feet. 2 1/2-Inch Wrought Iron Pipe. Main St. 427 feet. Palmer St. 238 feet. Mulberry St. 538 feet. Tyler St. 205 feet. Prospect Street. 193 feet. Yantic St. 300 feet.

COMPARATIVE STATEMENT OF BUSINESS. ELECTRICITY. 12 months ending July 31, 1938. 1937. 1936. 1935. 1934.

COMPARATIVE STATEMENT OF BUSINESS. GAS. 12 months ending July 31, 1938. 1937. 1936. 1935. 1934.

A CLOSE SHAVE TATFVILLE Many of Them Happening Every Day But Soon Forgotten.

Close shaves would be of more frequent occurrence but for the tender faces of many men, which will not permit of shaving often. Heretofore, the company, such shavers will find it a revelation, it does for abrasions, roughness, and severe scrapings what it does for all manner of skin difficulties—beals and cures in a few hours. It is the only article possessing real antiseptic and curative value that has ever been exploited for this purpose, and this week Wednesday for the skin as no toilet preparation could possibly do.

Poslam can be had for fifty cents at any reliable druggist's, particularly Lee & Osgood's and Smith's Drug Store in Norwich, Larue's in Putnam, the company's big flag floated in the breeze above Front street.

Wilfrid Paradis of Jewett City was the guest over Sunday of local relatives. He came to Norwich to see his wife, who has been quite ill at the Backus hospital, but is now improving.

Rev. Arthur O'Keefe, pastor of the Sacred Heart parish, received word Sunday night of the death of his father in Rockville, Conn., and left for that place Monday morning.

Many Tatfville people attended the Labor day exercises in Wauregan on Monday, among those going up being Garde Reboulet, who made a decidedly favorable impression there.

Joseph Vertulle of No. 15 Providence street, with his wife and ten children, leaves today for New Bedford, where they have secured mill work. For the past half year they have been employed in the Foneshah mill.

Mr. and Mrs. John Michon left recently to spend Labor day with their son John in Providence. About the time they reached their destination their son had arrived in Tatfville to make them a visit. He had passed them on the way. Mr. Michon plans to wait here until his parents return.

Mark Goucher, his brother Ernest and Mr. and Mrs. Zol Martin have returned after a vacation in Canada by the death of their father.

At a meeting of the Naturalization club in their hall on Merchants' avenue Sunday, President Joseph Caron in the chair, the following program was chosen to make arrangements for their annual outing: Hormidas Benoit, Thomas Brothers, Frank Lague, Benjamin Pothier and Joseph Caron. The date for the proposed outing is Sept. 19. If the day is pleasant the picnic will be held in the woods off School street, the following morning, in St. Louis hall. Athletic events and other amusements will make an enjoyable time.

Weak, Weary Women Learn the Cause of Daily Woes and End Them. When the back aches and throbs. When housework is torture. When night brings no rest nor sleep. When urinary disorders set in. Women's lot is a weary one. There is a way to escape these woes. Doan's Kidney Pills cure such ills. Have cured women here in Norwich. This is one Norwich woman's testimony.

Mrs. Wm. H. Clark, living at 112 Chestnut Street, Norwich, Conn., says: "I can couch for Doan's Kidney Pills being a remedy that acts as a restorative. I procured them at N. D. Sevin & Son's drug store, and their use brought me more genuine relief from pain in my back than any medicine I had previously used. For years I had been subject to backache and felt tired and weighed down with languor and depressed, being unfit for anything. Doan's Kidney Pills proved to be just the remedy I required and I feel grateful, indeed, for the benefit I derived from their use."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Testifies After Four Years. Carlisle Center, N. Y., G. H. Burman writes: "About four years ago I got you that I had been entirely cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any return of those symptoms and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. The Lee & Osgood Co.

Mr. and Mrs. Frank S. Avery and the two boys, Sydney and Arthur Avery, of West Town street, spent Saturday at Westerly and Watch Hill, going by trolley.

Mr. and Mrs. William W. Babcock of Springfield, Vt., are visiting Mrs. Babcock's aunt, Mrs. J. M. Ray of Elm avenue.

Mrs. Thomas Betham of Wauregan Hill is digging his early potatoes. Some of them weigh two pounds.

End of Vacation. The fall term of the Scotland Road school begins on Tuesday with Miss Florence Chapman of Montville teacher.

Rev. Arthur O'Keefe Called to Rockville by Father's Death—Sudden Death of Mrs. Gertrude Theotte—Personal.

Mrs. Chris. Caron and family were visitors in Wauregan, Monday. William Paradis and Joseph Pothier were in South Coventry Sunday.

George Barron of New Bedford is calling on former friends in town. Herman Muller returned Monday after a few days in New York and Syracuse.

Edward Murphy and Joseph Fontaine left Sunday night for a few days in New York.

Joseph J. Caron of Central Falls, R. I., is the guest of his father, Joseph Caron, over Labor day.

Thomas Brothers and Alexander Murdock made a fishing trip to Packardville Saturday and returned with a fine catch.

Charles Muller, Louis Pratte, John Guyotte and John P. Shea are planning to leave this week Wednesday for a short trip to New York.

All the stores in town, the Foneshah mills and the velvet mill were closed Monday in observance of Labor day. The company's big flag floated in the breeze above Front street.
