

HARRY WHITNEY MURPHY'S ARCTIC

Arctic Hunter Arrived at St. John's, N. F., Yesterday, Aboard Schooner Jeanie

DR. COOK'S STORY SEEMS TRUTHFUL

Has no Reason to Doubt His Account More than Peary's—Mr. Whitney Keenly Feels His Position as Storm Center of the Polar Controversy—Said He had Been North Merely on Hunting Trip.

St. John's, N. F., Sept. 28.—Harry Whitney of New Haven believes that Dr. Frederick A. Cook and Commander Peary did the same. In expressing this belief today Mr. Whitney said that he knows no reason for doubting Cook more than Peary.

Cook's Story Seems Truthful and Probable. "Dr. Cook's story," he added, "seems to me truthful and probable. Nothing else would explain his twelve months absence."

Cook's Instruments Left With Whitney. The schooner Jeanie arrived here today with Mr. Whitney aboard, coming from the Greenland coast by way of Indian Harbor.

Explorer Cook Approves of All Whitney Said. "Everything in the interview is substantially correct," said Dr. Cook.

Whitney Did Not Go Back to Etah. Asked why he did not return to Etah and get Cook's property, after he had joined the Jeanie, Whitney replied that he and Captain Bartlett debated that point at length.

WHEN TAFT AND DIAZ MEET IN MEXICO AND TEXAS. Formalities to Which the Americans Are Little Accustomed.

Washington, Sept. 28.—When the long heralded meetings between Presidents Taft and Diaz of Mexico at El Paso, Texas, and Juarez, Mexico, take place, next month, the formalities attending the meeting of the two presidents will be in dispute.

This understanding has been reached on the part of the two nations concerned as the result of considerable correspondence. The region known as the "El Chamisal" contains about 550 acres.

Ownership of it is in question because of the result of the channel of the Rio Grande river, the dividing line between the two countries.

The proposed meeting between the two presidents will be the occasion for formalities to which Americans are little accustomed.

On October 1, President Diaz will be welcomed in the name of president Taft at the entrance to the city of El Paso.

After a visit with President Taft, during which refreshments will be served, President Diaz will withdraw and return to Mexico, accompanied by the same escort.

At noon of the same day President Taft will go to Juarez to repay President Diaz's visit at the Mexican border by a personal representative of the president of Mexico.

HUDSON-FULTON HISTORICAL PARADE

Witnessed by the Greatest Crowd Ever Gathered in New York Thoroughfares

Never Before Have the Police Been Called Upon to Handle so Large a Concourse, and the Duty was Creditably Performed.—Envoys of Twenty-One Nations Saw the Parade of 20,000 Men and 54 Floats.

Schroeder of the Atlantic fleet and his staff, Major General C. O. Howard and Supreme Court Justice Brewer.

Tammany Made Picturesque Showing. Tammany, with a thousand stalwart members in "Prince Alberts" and high hats made a picturesque showing.

Everyone Wore Holiday Humor. The democracy evident in the parade was reflected in the court of honor, where gold-brides and clubbers with sub-lieutenants and midshipmen and foreign envoys, grown great in the service of diplomacy, distinguished and other conspicuous figures followed, and behind them came others and others, seemingly without end.

Two Million Spectators. From 110th street, along Central Park West, 53rd street and down Fifth avenue to Washington square, a distance of over five miles, it is estimated that more than two million persons watched the parade.

As Democratic as It Was Historic. As a parade, it was as democratic as it was historic, as cosmopolitan as it was democratic.

Washington, Sept. 28.—An almost forgotten incident in which the present secretary of war, James M. Dickinson, heroically rescued James F. Joy, a Detroit lawyer, from the Detroit shipwreck fourteen years ago, was today being honored with a medal.

The medal was approved by President Taft and the presentation made by Assistant Secretary of the Treasury, Charles H. Campbell, from the inscription: "In testimony of heroic deeds in saving lives."

On August 29, 1895, the American brigantine, the "Maudslowi," of Detroit, was entertained at St. Clair flats. The guests were conveyed there in steam yachts.
