DEATH OF NATHAN L. BISHOP.

End Came Unexpectedly After Week's Illness with Pneumonia—Superintendent of Schools Here for Forty Years, 32 in Central District—Prominent in State Educational Societies, Grand Army and Church Work

The news of the death of Nathan L. Bishop, superintendent of the Central district schools, came as a shock to the community on Monday. Although he had been seriously ill with pneumonia for a week, the fatal termination of the attack was hardly looked for by his own family.

Mr. Bishop had been acting as superintendent of the public schools of Waterford. This position took him away from the city only five or six days a month, but it gave to the small district schools of Waterford, which were unable to pay for a superintendent's service, the expert supervision of one of the most successful educators of the state.

This work came to Mr. Bishop unsolicited. Charles D. Hine, the secretary of the state board of education, made the appointment, and he was reluctantly accepted and only after the board of education of the Central district had expressed themselves in favor of the arrangement.

Recently Mr. Hine was extremely anxious to have Mr. Bishop relinquish his position as superintendent of the superintendency of various districts in the country towns, which were being vacated by the last legislature, but he refused to do so, as he felt that he could best serve the community where his whole career had been spent.

Mr. Bishop was a member of the National Y. M. C. A. association for twenty years. He was secretary of the National Y. M. C. A. association for twelve years. He was also secretary of the National Y. M. C. A. association for twelve years.

A WOMAN TO BE PRETTY. Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the hair is crowded with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales, the germ thrown up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 9c in stamps for sample to The Herpicide Co., Detroit, Mich.

A CLOSE SHAVE

Many of Them Happening Every Day But Soon Forgotten. Close shaves would be of more frequent occurrence but for the tender faces of many men, which will not permit of shaving often. Heretofore, nothing has been said in these columns about posium, a new skin discoverer, in connection with its use after shaving. Its publicity and sales have been confined almost exclusively to its remarkable properties as an exfoliant; it stops the itching at once and cures the worst cases in a few days. While the application of posium after shaving is one of its minor uses, such as for pimples, the complexion, etc., shavers will find it a revelation, as it does for abrasions, roughness, and severe scrapings which it does for all manner of skin difficulties—beals and cures in a few hours. It is the only article possessing real antiseptic and curative value that has ever been exploited for this purpose. It cures skin after the doctors say as no toilet preparation could possibly do.

Posium can be had for fifty cents at any reliable druggist's, particularly Lee & Osgood's and Smith's Drug Store in Norwich, Larus's in Putnam, Woodward's in Danbury, and Chamberlain's in Willimantic, who make a specialty of it. Or the Emergency Laboratories, No. 32 West 25th Street, New York, will send you a trial sample free by mail to any one who will write for it. This is sufficient to show results in 24 hours.

Frightful Fate Averted. "I would have been a cripple for life, from a terrible cut on my knee," writes Frank Dabery, Kelliber, Minn., "without Bucklen's Arnica Salve, which soon cured me." Infallible for wounds, cuts and bruises. It cures burns, scalds, acid sores, boils, skin eruptions, World's best for piles. 25c at The Lee & Osgood Co's.

C. R. Kluger, the jeweler, 1660 Virginia ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could not do more than a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and irregularities disappeared, and I can now attend to business every day and recommend Foley's Kidney Remedy to all sufferers. My backache after the doctors said other remedies had failed." The Lee & Osgood Co.
