Major D. P. Dunn went to Foreman F. Burt Sprinkle Tuesday afternoon and ordered him to have the difficulty remedied and the obstructions on High street removed. A number of complaints have been lodged with the city officials and in one or two instances minor accidents have resulted from the fact that the materials were in the way. W. H. S. to Play Suffield Today. This afternoon on Windham field there will be what promises to be one of the best gridiron contests of the season locally. The Connecticut Literary institute eleven from Suffield will line up against the eleven representing the Windham high school.

The local boys went down to defeat the visiting team on Saturday at Suffield, but it is figured that the tables will be turned today and the Windham players will exert themselves to the utmost to do the trick.

It is probable that the local team will take the field with this lineup: Captain Richmond, from Suffield; Harrington, C. Green, R. Linderbeck, H. Hoxie, R. Burns, G. Jordan, H. Crane, H. Blakelock.

Captain Richmond is still out of the game, but he will stand to advise the players between the halves and to do what he can to bolster up the team.

RUNAWAY COWS

Rounded Up in Canterbury—Missing Since June, When They Followed Deer.

Five cows belonging to Robert LeRoy of the town of Plainfield have been recaptured, after five months of wild life in the woods and fields in that town. The cows escaped last June from the pasture where they were kept, and it is presumed they were induced to answer the call of the wild deer that were frequent visitors in their vicinity.

Since June the animals have been frequently seen in the vicinity of Deer brook until this week they have managed to avoid capture. They are now partly wild, so much so, in fact, that it was necessary to bring them back from Canterbury, where they were finally rounded up, in a cattle pen.

The Danvers football team is practicing faithfully and making good progress for the time they have been engaged in the sport. The team has been practicing at a practice field, and their work has been watched with interest.

The lighting in the billiard room is by a system of Tungsten bulbs, while the reception room has an electric chandelier on which the lights are enclosed in large globes of ground glass.

The Elks now occupy the entire upper floor of the building. The lodge room proper is also attractively furnished and has a fine art square as a central floor piece. PUTNAM Mitchell Estate Left to Niece—Daughter Would Break Will—Elks Occupy New Quarters—Lecture by Rev. J. N. Walker.

The case of Ella F. Chase and James E. Chase, an appeal from probate of the will of Daniel Mitchell, late of Killingly, was taken up at 10 o'clock Tuesday morning, Judge Silas A. Robison presiding. The case comes from the probate court of the county of Killingly, where the interested parties reside.

Sanford Pratt of East Killingly is accused of the homicide of his wife, Miss Pratt, at present in the county jail; his wife, Eleanor Pratt, is sole legatee. Mrs. Pratt is also a niece of the deceased.

Miss Ella F. Chase is a daughter of the deceased testator and seeks to have her father's will set aside on the part of her estate, on the ground that she alleged mental incapacity of Mr. Mitchell at the time he made the will.

Attorneys Charles L. Torrey and Charles H. Stearns are counsel for the appellants and Attorneys Henry E. Back and Sabin S. Russell for the appellees.

ARCHIBALD MACDONALD Would Accept Republican Nomination for Mayor if Tendered by United Party.

It is announced that Archibald Macdonald will be a candidate to receive the republican nomination for mayor. Mr. Macdonald is a respected candidate for the nomination if it is the general desire of the members of the republican party, but he will not seek the place simply for the honor and prestige of party harmony and party satisfaction with the candidate for mayor are essentially desirable, as Mr. Macdonald views the matter.

The possibility of Mr. Macdonald's being a candidate has been received with general satisfaction by great many of the republican residents of the city. His record in office in Putnam is an exceedingly worthy one and he is believed to have a strong backing. His is the first party candidacy announced. Mr. Macdonald has been a member at large and has a record of public service in the city. His familiarity with the business system of Putnam and the needs of the city, together with his business capacity, and his fine to make him particularly eligible to fill the mayor's chair. He has been a prominent figure in republican efforts in Putnam for years and in conjunction with his experience and fitness for the place has a big personal following.

Mentioned for the nomination for alderman in the republican primary ticket are Alderman G. Allen Hawkins, member of the present council, and Representative John A. Day.

The republican caucus to nominate for the city election, which occurs on the first Monday in December, will be held later in the month.
