

COUGHS AND COLDS.

At this season, when coughs are so prevalent, an effective remedy, and one easily obtained, is Perry Davis' Pain-Killer. It is no new nostrum, vended by unknown agents, but has stood the test of over seventy years; and those who use the article, internally or externally, will connect with it grateful recollections of its worthy inventor.

BURNED AND ITCHED

Eczema on Hand, Arms, Legs and Face—It was Something Terrible.

COMPLETE CURE BY CUTICURA

"About fifteen or eighteen years ago eczema developed on top of my hand. It burned and itched so much that I was compelled to show it to a doctor. He pronounced it ringworm. After trying his different remedies the disease increased and went up my arms and to my legs and finally on my face. The burning was something terrible. I went to another doctor who had the reputation of being the best in town. He told me it was eczema. His medicine checked the advance of the disease but no further. I finally concluded to try the Cuticura Remedies and found relief in the first trial. I continued until I was completely free from the disease and I have not been troubled since. C. Burkhardt, 236 W. Market St., Chambersburg, Pa., Sept. 19, 1908."

Many Large Outlays During the Past Year on Courthouse, County Home, Jail and for the First Time Rope Ferry Bridge—Statistics on Prisoners and What It Costs to Keep Them.

The board of county commissioners in session here on Tuesday and granted licenses to Andrew Clendenning, corner Boswell avenue and North Main street; Calixte Defresne, 11 Bath street, and James O'Connell, 8 Franklin and 152 West Main street. The auditors, J. H. Noble and B. D. Home, on Tuesday completed the annual audit of the county accounts and found them to be correct. By the report of the commissioners for the year ending September 30, there were 1,164 committed to the jails during the year and there were 1,148 discharged, the number remaining in the jails September 30 being 102. There were 1,051 white men and 46 white women, 42 colored men and 25 colored women committed during the year, of which there were 46 men and two women under 21.

There were 442 natives of the state, 370 natives of other states, 252 natives of other countries. Thirty-one of the natives of this state could not read or write, 32 natives of other states were illiterate and 152 of those from other countries. There were 319 married and 664 had been in jail before. Drunkenness was the chief cause for commitment, there being 549 for that, 129 for breach of the peace, 88 for vagrancy, 82 for larceny, 79 for burglary, the average number in jail during the year being 113. Prisoners were discharged mostly upon expiration of sentence, 800 getting out that way, 313 by paying their fines, 54 by various other processes, while 29 were transferred to other jails and 21 were sent to court and not returned, and 14 were sent to prison. The receipts of the year were from

SCHOOLBOYS GUESTS AT Y. M. C. A. BUILDING. Shown the Workings of the Gym and Treated with Ice Cream.

With farewell shouts of "What's the matter with the Y. M. C. A.? It's all right!" a group of 150 boys, made up largely of West Chelsea school district boys, voiced their approval of the entertainment that had been given them Tuesday afternoon from 4 to 6 o'clock at the association building. The boys all had been furnished tickets of admission which they presented at the gymnasium door upon arriving. Under the guidance of Physical Director Bandlow they were taken upon the floor and put through marching drills and work with apparatus, as well as participating in tug of war, racing and other competitive sports. There were also two teams selected for a short basketball game. For the benefit of the visitors, the candidates who are trying for places on the New Haven squad went through some of their manoeuvres, and the hour in the gym concluded with a basketball game between Coblyn's team and Leahy's team, which was the deciding event in a series of athletics which the juniors have been running for several weeks. Coblyn's team had 173 points before the basketball game, and by winning that sent their total up to 181, thereby winning the tournament. Leahy's team was second on total points, with 175, and Hochkiss' team was third with 161. After the gym hour was over, the boys were all assembled upstairs in the hall, where General Secretary Morse and Assistant Secretary Hyde spoke to them in an interesting way, and ice cream was served. Richard Young, Leroy Storms, Joseph Corcoran, Benjamin Bruce and Clarence Whittaker officiated as waiters, and were enthusiastically received as they circulated the plates among the eager schoolboys.

COUNTY HOME CHILDREN HAD HAPPY THANKSGIVING. Seven Write Letters to The Bulletin Expressing Thanks for the Turkey.

The following seven letters, written by the children of the County Home to The Bulletin company, show how they enjoyed their Thanksgiving and the large turkey furnished by The Bulletin: County Home, Norwich, Ct., Nov. 29, 1909. Bulletin Co., Norwich, Ct.: Dear Sirs—We were very thankful for the turkey you sent us. Mrs. Graves let all the children see it. The Norwich Bulletin published on Thanksgiving day a reproduction from a photograph of a scene which is becoming rare in Connecticut. It was a view of a flock of 100 turkeys on a farm in Norwich town. Adjoining this picture on the page was the head, "Incidents in Society." As turkeys of this sort, retailed at 35 cents a pound and upward, being by all odds the costliest Thanksgiving birds that could be bought, it is indeed probable that many of the turkeys there on view are by this time "Incidents in Society"—in "society's" midst, "so to speak"—New Haven Register. Crane of robbing the receptacle of state secrets, Mr. Knox considers himself lucky that all the burglar did at Valley Forge was to lift the lid.—Washington Times.

STOMACH DISTRESS JUST VANISHES Indigestion, Gas, Heartburn, Dyspepsia or a Stomach Headache Go and You Feel Fine in Five Minutes—Just a Little Diapepsin is Always Effective. As there is often some one in your family who suffers an attack of Indigestion or some form of Stomach trouble, why don't you keep some Diapepsin in the house handy? This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes after. Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes and relieves at once such miseries as Belching of Gas, Eructations of sour undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders. Some folks have tried so long to find relief from Indigestion and Dyspepsia or an out-of-order stomach with the common every-day cures advertised that they have about made up their minds that they have about something else wrong, or believe there is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer. This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the breath with nauseous odors. A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the Stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.
