WILLIMANTIC DUBE INSANE.

Freud from Charge of Arson--Taken to Norwich State Hospital.

Frank Dube, aged 38, who has been locked up in the local police station since last Wednesday afternoon as the result of an attempt to set fire to No. 4 mill of the American Thread company, was in police court Monday morning, as his case was continued from Saturday pending the report of the finding of a commission appointed at that time by Judge Arnold at the request of Prosecuting Attorney E. Frank Buebee.

Dube was therefore adjudged not guilty of arson as the result of the report. He was then committed to the Norwich hospital for the insane at Brewster's Neck for a period of six months, when his condition will again be ascertained.

Officer Allan McArthur escorted Dube to the hospital on the 12.25 p. m. car Monday afternoon.

Richard Lyman May Have Drowned While Skating on Columbia Reservoir.

Richard Lyman, aged 18 years, son of Mr. and Mrs. William A. Lyman of Columbia, has been missing from his home since Christmas afternoon, and up to a late hour Monday afternoon no clue to his whereabouts has been ascertained.

It is believed that the young man's body is under the ice on Columbia reservoir, because when last seen he was on his way home from the Curtis Holmes place, where he had just completed doing the chores for the night. The young man had his skates and it is assumed that in the attempt to skate across the lake to his home on the opposite shore he went through the thin ice and was drowned.

When last seen at about 5 o'clock Saturday afternoon Lyman had just given warning to Mrs. Louise Marshall and some girls who were skating to be careful and not get out on the thin ice. As far as can be learned the girls and Mrs. Marshall are the last persons to have seen young Lyman. A searching party was made up of men and boys, but every effort to locate Lyman Sunday was without result.

Monday another large party was made up and was busy all day. Monday afternoon the party of men were engaged in dragging the channel of the reservoir for some trace of the body. It is feared that it may be some days before the body will be recovered, if at all, this winter.

Luigi Partecionini Held in \$1,000 Bonds for Slashing Edward Datio

County Buried Under Foot of Snow--Plans for Watch Night Service.

Luigi Partecionini was found probably guilty of slashing Edward Datio during a fight at the Wilcox barn, on Broad street, last Tuesday night, and in default of a bond of \$1,000 was committed to jail to await trial.

Datio, just discharged from the Essex hospital at Norwich, appeared as a witness against the prisoner. Datio testified that the prisoner was the man who cut him, although he did not realize that he had suffered a bad wound until he put his hand to his face and felt the streaming blood. He thought at first that he had only been stamped in the face. Partecionini denies that he is guilty of the act charged against him, alleging that the man with whom Datio fought was a friend of his and that he was turned away for the past couple of days.

George E. Siles, of the firm of Siles & Harrington, said to Monday afternoon that no one knew what the amount of the financial embarrassment would be, but that it was deemed best to close the store pending an investigation, that all the creditors might, as silk customers, have been turned away for the past couple of days.
