GREENEVILLE
 Overseer Watkins Surprised at Shetucket Mill—Committee to Take Charge of Annual Banquet.
 Overseer Morris Watkins was pleasantly surprised at the Shetucket cotton mill on Thursday afternoon when the employees of the spinning, warping and spoiling rooms, of which he has had charge for the past seven years, presented him with a gold watch chain and charm and a pair of handsome cuff links. Mr. Watkins leaves on Saturday to assume a similar but desirable position in Georgiaville, R. I., and the gifts were tokens of the esteem in which he is held by those under him.
 Overseers' Annual Banquet.
 Councilman John Heath and ex-Councilman James Fitzpatrick have been unanimously appointed a committee of two to take charge of the annual banquet given by the overseers of the Norwich branch of the United States Finishing Company.
 Lenten Services.
 The Lenten services, which began in St. Mary's church on Ash Wednesday, were largely attended at the evening service at 7.30, which consisted of a sermon, instruction and benediction, and were in charge of Rev. James J. Smith. The meaning and the origin of the placing of ashes upon the foreheads of the people were expounded. After benediction the ashes were distributed by Fathers Smith and Keefe.
 Arthur Page, who has been a local agent for a sewing machine company during the past few months, has gone to Springfield, Mass.
 Personal.
 Henry P. Beausoleil of North Main street has returned from a week's stay in Montreal.
 Michael Fenton has returned to his home in New Haven after visiting friends in town.
 James H. Chester of Providence is spending a few days at his home on North Main street.
 Mr. and Mrs. F. A. Beausoleil of North Main street have returned from a stay with relatives in Webster, Mass.
 The three daughters of the late John W. Baker of East Norwich are Mrs. William Mabrey and Misses Maude and Millie Baker.
 Miss Frances Gately of New London has returned after spending a few days as the guest of Miss Bessie Kennedy of Central avenue.
 Mrs. Michael A. Monahan and two daughters, Aria and Beatrice, have returned to Providence, after spending a week with relatives in town.
 Mr. and Mrs. Fred Rivers of Fourteenth street are planning to move in the near future to Taunton, Mass., where he has secured a position with a telephone company.

MISSIONARY MEETING
 AT METHODIST CHURCH.
 Members of Other Societies Present by Invitation—Supper Followed.
 The regular meeting of the Woman's Home Missionary society of Trinity Methodist church was held in the parlors of the church on Thursday evening at 2 o'clock. Mrs. C. L. Harwood, the president, presiding. In connection with the meeting the interdenominational prayer service was conducted. The auxiliary had invited the society at Gales Ferry and the one from Norwich Town, together with the members of the Woman's Foreign Missionary society of Trinity church, to meet with them and take part in the services; so quite a large company of earnest, devoted women gathered at the church for the purpose of an unusual interest. The programme opened with devotional services and responsive readings, after which the program of prayer service was conducted, consisting of singing and prayers for all objects of work in which the society is engaged, was taken up.
 The subjects for prayer were the national, state and municipal officers, our island possessions, for the red man, for the black man, for our oriental brethren, for the gainers of the grant, officials, for mission night schools, for house to house workers, for the lost womanhood and ruined manhood of our land, for the mountain youths and students, sailors and seamen, for the lumbermen and miners, for our men and women of wealth, and for the whole church. The program was interspersed with songs and appropriate hymns and readings upon Faith, Love and Hope.
 Mrs. George Lord favored the meeting with a beautiful sacred solo, O Rest in the Lord, accompanied by her daughter, Miss Lucille Lord. Mrs. Bushnell of Norwich Town played the accompaniment for the service. The meeting adjourned at 8 o'clock in time for a delicious supper prepared and served to nearly fifty men and women by the managers of the society, Mrs. Frank Bidwell, Mrs. W. Ives, Mrs. Mowry and Mrs. Penfield, assisted by Miss Mary Bidwell. The president of the Norwich Town society, Mrs. Randall, the president of the Woman's Foreign Missionary society, Mrs. J. H. Newland, together with Rev. Dr. and Mrs. M. S. Kaufman and District Superintendent of the New England, were among the invited guests. They also took part in the afternoon exercises. Dr. Kaufman making the closing remarks upon Prayer.

TAFTVILLE
 Personal Mention About the Village—Christening—Water Meter for New Reservoir.
 Joseph Blain of Plainfield was visiting local friends on Front street on Thursday.
 Mrs. James L. Harroun of Willimantic has been visiting her mother, Mrs. Mary L. Beardow of Providence street.
 George Benoit of Riverside has been the guest of his brother-in-law, James Gaffney of Plainfield, recently.
 Henry Charbonneau and Miss Anna Charbonneau have returned to the home of Mr. and Mrs. Albert Lafleur of South B street, after a visit in New Bedford, and plan to go back to their home in La Patrie, Canada, next week.
 In the Sacred Heart church Thursday evening at 7.30 o'clock the infant daughter of Mr. and Mrs. Isidore Mercier of Norwich avenue, which was born last Sunday, was christened Dora Marie. Mr. and Mrs. Leon Mercier acted as godfather and godmother.
 A water meter is being expected for the new reservoir, to provide means of measuring the amount of water it will supply. It will be installed at the outlet midway in the pipe line and a gate will be put in at the same point. As soon as the meter is put in, the pipes will be connected, after which it may be possible, following a rain, to use water from the new reservoir temporarily, as there is no work being done there at present.

LOST AT JEWETT CITY.
 Both Taftville Teams Defeated Thursday Evening.
 Jewett City, playing on its home court, was again too much Thursday evening for the Taftville five, who lost by a score of 16-12 to 5. The game was about as rough as any the local players have been in this season, the players said after they got back home, and there were times when it seemed a good deal like football. The score was full of fast playing, however, and the home team did not greatly distance the visitors.
 The lineup and summary:
 Jewett City—Foster, Robertson, G. Gingras, C. Dupre, L. Heureux, H. Taftville—E. Fontaine, R. Caron, J. Grant, J. Fontaine, R. Aborg, J. Field, J. Fontaine, J. Robertson, G. Gingras, L. Heureux, E. Fontaine, J. Grant, J. Fontaine, J. free tries, Robertson, fouls, on Taftville 6, on Jewett City 4; 20-minute halves; referee, H. G. White; timekeeper, B. Gardner; scorer, Guy.
 In the preliminary game between the Olympia and Jewett City the latter won out by the score of 10 to 4.
 The lineup:
 Jewett City Second—Black, Jr. Brown, Jordan, McArthur, Jr. Owens, H. Olympia—Stone, Pilling, Murphy, C. Caron, White, Jr.
 Fifteen and five minute periods. Referee, H. G. White. City.
 Arrangements are under way whereby on Feb. 26 the local followers of the game may possibly be treated to an exhibition of a five from a girls' high school in Boston, as a person representing the school was present at the game Thursday evening and acted upon terms.

WILL NOT AFFECT NEW LONDON
Mayor Mahan Says that Grand Trunk is After More Business and the Usual Amount will Come this Way—Looks for Double Track Just the Same.

In regard to the application of the Southern New England railroad for a charter to build a line from Palmer to Providence to branch off the Grand Trunk system, Mayor Mahan of New London, who is at the head of the movement to interest the company in increasing the business handled at the New London terminal, said on Thursday that the move just made does not indicate that the business over the Central Vermont will dwindle. On the other hand, it is an indication of a new policy of the Grand Trunk to get into the New England field and get new business. When the new line is completed, even with Portland and Providence terminals, there will be enough for the New London end, as there is now. In winter New London is much better than the other two.
 He said he was glad that the branch is to be extended from Essex to Providence. The New London matter at the same time is going along all right, and in time will be accomplished. From Essex to New London the double track of heavy construction are being put in, and while it may not be right away, the double tracking of the road can be looked for and will come in time. He felt very confident that New London and this end of the state would not be losing any business or railroad facilities by change of route.
 At the Rhode Island legislature on Thursday the charter for the road was asked for by Representatives George Folmer, of Providence, it is declared that the Grand Trunk has been induced to enter Rhode Island by the belief of its entire freight department and transportation officials that splendid returns await the coupling up of its transcontinental system with Providence and the state of Rhode Island.
 It is declared that the Providence and Danielson railroad is either now or will be in the very near future the property of the Grand Trunk railroad, and that the Providence street railway a component part or feeder of the new system.
 The charter under which the Providence and Danielson street railway operates was originally a charter granted to the "Cape Cod Terminal and Transportation Company," passed by the general assembly and enacted into law April 18, 1883.
 The vital point in connection with the new project is the possibility of any competing line getting terminal facilities with the Union station in Providence. It is known that Grand Trunk attorneys have not only been busily engaged in studying the various charters under which the New Haven road is operated in Rhode Island, but that they have also been working hard on the terms of the act known as an act to incorporate the "New York, Providence and Old Colony Railroad Terminal Company."
 The Grand Trunk system is one of the greatest on the American continent. It includes the Grand Trunk railway of Canada and the following lines:
 Miles.
 Lines owned 2951
 Leased, partly owned:
 Atlantic & St. Lawrence, Portland, Me., to Island Pond, Vt. 145
 Buffalo & Lake Huron, Detroit, Mich., to Cleveland, Ohio 184
 Cincinnati, Saginaw & Mackinac, Detroit, Mich., to Mackinac, Mich. 53
 Other lines 202
 Central Vermont 531
 Grand Trunk Western 356
 Entire stock owned:
 Detroit, Grand Haven & Mil., Detroit, Mich., to Muskegon, Mich. 189
 Jointly owned:
 Detroit & Toledo Shore Line 79
 Total road 4768
 The Grand Trunk Pacific railway, also a part of the system, is a new transcontinental railway across Canada, which has received the approval of the Canadian government, and will be carried through with the joint financial support of the government and the Grand Trunk Railway company of Canada. It is now building. It will consist of a main line of an estimated length of about 3500 miles, from Montreal, N. B., to Prince Rupert, B. C., on the Pacific ocean, about 25 miles south of Port Simpson, B. C., with branch 193 miles.

A CLOSE SHAVE
Many of Them Happening Every Day But Soon Forgotten.

Close shaves would be of more frequent occurrence but for the tender faces of many men, which will not permit of shaving often. Heretofore, nothing has been said in these columns about posium, a new skin discovery, in connection with its use after shaving. Its publicity and sales have been confined almost exclusively to its remarkable properties as an eczema cure; it stops the itching at once and cures the worst cases in a few days. While the application of posium after shaving is one of its minor uses, such as for pimples, the complexion, etc., shavers will find it a revelation, as it does for abrasions, roughness, and severe scrapings, which it does for all manner of skin difficulties—keeps and cures in a few hours. It is the only article possessing real antiseptic and curative value that has ever been exploited for this purpose, and will soothe and tone up the skin as no toilet preparation could possibly do.
 Posium can be had for fifty cents at any reliable druggist's, particularly Lee & Osgood's and Smith's Drug Store in Norwich, Larue's in Putnam, Woodward's in Danielson, and Chase-bro's in Willimantic, who make a specialty of it. Or the Emergency Laboratories, No. 32 West 25th Street, New York City, will send a trial supply free by mail to any one who will write for it. This is sufficient to show results in 24 hours.

returned Thursday to his home on East Town street.
 Mrs. George Rooney and her son, William J. Rooney, of West Town street, spent Thursday with relatives in North Franklin.
 An addition is being built and repairs made to the house at Peck's Corner lately occupied by Mr. and Mrs. Charles H. Haskell.
 The Dorcas society of the Methodist Episcopal church united with the Home Missionary society of Trinity church at the Trinity M. E. church on Thursday afternoon.
 Mrs. Charles Standish and her daughter, Rose Bingham Standish, are spending a week with Mrs. Standish's parents, Mr. and Mrs. L. J. Saxton, of Wightman avenue.
 The primary room of the Town street school is closed this week, the intermediate room has but one daily session, and the two upper rooms close earlier in the afternoon—all because of the epidemic of measles.
