**BIG SCORE IN INDOOR BASEBALL**

**Double and Triple Plays—Jule aris High at**  
**Ducspins—Battler Talks of Another Go With**  
**Wolgate.**

The Third company, coast artillery, teams army champions at the indoor baseball game, ran up against some real baseball talent at the army on Friday evening, when they met a team from the Central Athletic club, and emerged from the scrum badly ripped and frayed around the edges. The score was 40 to 12 in favor of the C. A. C. team in nine innings which were played in the last time of 1 hour and 5 minutes.

Three umpires officiated with satisfaction to both sides. General Brewster, Lieutenant Coleman and Lieutenant Nichols. Besides the heavy batting and the gymnastic turns performed on the slippery floor, the feature work was two double plays and triple plays. The double plays were made by Slattery to J. Sullivan, Slattery to Brennan to F. Sullivan, and the triple was made by the lineup: C. A. C.—Houlhan c, Slattery p, J. Sullivan p, Brennan 2b, Brennan 3b, Driscoll ss, Simcox ss, T. Riley rf, R. Jordan lf.

Third Co.—L. Orman c, E. Bussey p, H. Malmer 1b, McMonnies 2b, W. Orman 3b, Mason ss, F. Smith ss, W. D. Burck rf.

**Change in Schedule.**  
 Cincinnati, Feb. 25.—The Cincinnati and Pittsburg National league baseball clubs will close their 1910 season on Oct. 9, the same date on which the two clubs play their final game, according to an agreement made today at a conference between August Herrmann, president of the Cincinnati club, and Barney Dreyfus, president of the Pittsburg team.

**Chicago Americans Off for California.**  
 Chicago, Feb. 25.—The Chicago American league baseball team tonight left for their spring training trip in California on the White Sox Special train. The team is being accompanied by American league and his secretary, Robert McCoy, will be the guests of President Conkley on the tour.

**Over 3,500 Bowlers at Detroit.**  
 Detroit, Feb. 25.—The American bowlers' association here tonight held an international tournament here tomorrow night.

**STOCK MARKET IN A RUT.**  
 Period of Dullness Predicted—Attempt to Lift Prices Failed.  
 New York, Feb. 25.—The lift to prices which was given in yesterday's stock market proved a disappointment to its after effect today. The market flattened out after futile attempts to extend it by the professional board room traders. The latter part of the day was about as dull as the early part of yesterday.

**FINANCIAL AND COMMERCIAL**  
 The large individual transactions in one or two stocks revealed the professional origin of the attempted movement. Some of the "news" on which the rise was based proved so unsatisfactory to the professional buyers that they hastily resold their holdings. In other instances the news had no proof and lost its influence. Brooklyn Transit sold when it was announced that an award in its favor had been made in a lawsuit involving claims for damages of three millions dollars. The southern railroad stocks also fell back sharply, owing to lack of news of the market. The latter part of a financial plan which would carry valuable rights to stockholders, the work's stock market today was a period of dullness and neglect pending the defining of new forces in the market. The report of the railroad's various southern railroads to demands for increase of wages, thus further breaking up the market. The news between the railroads and their employees. The pendency of this settlement not helpful to the market. The winter planted crop comes into increasing importance as the spring approaches for the breakup of the winter. Conflicting reports today of the amount of damage done in the southwest by the severe weather were an influence both in the stock and wheat markets.
