PRINCIPALS' CLUB ADOPTS RESOLUTION SUBMITTED BY COMMITTEE LOOKING UP MATTER WHICH WILL COME BEFORE TOWN MEETING—BELIEVE TOWN SHOULD BEAR THE EXPENSE.

The last of the season, and perhaps
one of the most important, was the
meeting of the Principals' club at the
Broadway schoolhouse on Tuesday af-
ternoon, at which time the committee
which was named some time ago to
look into the advisability of the town
paying the tuition of pupils at the Free
Academy made a report and it was
unanimously accepted. It urged that
steps be taken to secure the payment
of the tuition of pupils at the Free
Academy by the town of Norwich, be-
fore the boards of education, com-
missioners, annual district meetings
and the selectmen to be asked to put
it in the call for the annual town
meeting. The report of the committee
which included what is known as the
Hobson and J. B. Stanton—follows:
A careful and thorough investigation
of the existence of the Free Academy
of the maintenance of a public high
school, or the payment of the tuition
fee at the Free Academy, by the town
of Norwich, is not provided, by the
clerk throughout the United States
whose population numbers between
thousand and upwards has been made.
This investigation revealed some very
interesting facts regarding the Free
Academy, and the conditions under
which it is maintained. It is not
fully comprehended that the town
of Norwich is not provided, by the
clerk throughout the United States
whose population numbers between
thousand and upwards has been made.

Academy, and the conditions under

fully comprehended that the town
of Norwich is not provided, by the

RESOLUTIONS SUGGESTED.

In view of these conditions in our
country and the conditions in other
cities, and in view of the evident
intent of the law, the committee
submit the following resolutions:

Resolved, That justice to the boys
and girls of our town demands the
payment by the town of the tuition
fee charged at the Norwich Free
Academy for all pupils of the town
of Norwich, and that the town should
not be made legally under the provisions
of the present law relating to the
Free Academy, and that the town
should be taken at once to make
such amendments as will make
such payment legal.

Resolved, That we give our unani-
mous support to these resolutions and
pledge our best efforts to secure such
payment by the town of Norwich.

Resolved, That we respectfully
request the assistance and hearty
support of the local press, the Nor-
wich Evening Record, in giving this
matter its strongest advocacy and the
widest possible publicity, both in the
city and in the State.

Resolved, That we earnestly recom-
mend the co-operation and help of
the Norwich board of education.

Resolved, That we ask the moral
support and active public advocacy of
the Norwich board of education, busi-
ness, religious, education, or literary
which have the best interests of the
city at heart.

Resolved, That we take the neces-
sary steps to bring this matter be-
fore the next town meeting.

KATHERINE QUINN ON TRIAL FOR BLACKMAIL

Claimed She Attempted to Get Money
from Jacob Stein by Letter Written
Last January—Pleas of Guilty and
Sentences.

A number of matters were disposed
of before the criminal session of the
superior court here on Tuesday, in-
cluding the several persons charged
with theft from the steamer Kenne-
bec, and the case of Katherine Quinn,
John W. Spencer and Cyrus
Roberts, pleaded guilty to taking ma-
terial from the steamer of the Kenne-
bec. Attorneys spoke for the accused, it
being stated that Murphy had been
abandoned by Deputy Sheriff Draper
13 years and as such his pay had
been \$90 a month and he had charge
of several cases which were given
next to captain. It was claimed
that the man considered the boat
abandoned and that the company did
not care for it. The state attorney
thought it a peculiar case and
expressed the law for the first time and
they are seemingly reputable men.
But for the circumstances which caused
him to go to prison. Judge Wheeler
spoke of the seriousness of the case and
thought that the man should be called
for, but owing to the circum-
stances sent them to jail for one year
each.

John Shea, who had been drawn in
to the case, but made a clean breast
of the matter, was given two months
in jail. The cases against
Arthur D. Ross, Walter Lord and Henry
Dorr, who were connected with the
theft, were not called.

Brought into the court on a bench
warrant by Deputy Sheriff Draper,
Halp Crandall of Ledyard was placed
under \$200 bonds, which his father
furnished. He is 24 years of age and
is charged with shooting a deer in
Ledyard on February first, which were
not on his land. While driving to the
city with the prisoner the deputy sher-
iff was surprised by two handsome
men in the road, which caused the
wall to either side to disappear.

The case against Eddie Connors charged
with bigamy was continued until
the next term, as important witnesses
are in Canada.

John Kurwek, charged with tor-
turing a cow, and Miklay Domovskiy,
charged with assault and robbery, were
put to plea and said not guilty. Their
cases were continued.

BLACKMAIL CASE.

In the afternoon a jury was selected
for the trial of Mrs. Katherine Quinn
charged with blackmailing Jacob Stein
of this city in January, 1910, for
obtaining \$10,000 from Stein. It was
necessary to get two tales-
men and Richard Stephenson and
Frank D. Smith were secured to com-
plete the jury.

Jacob Stein was the first witness
and testified to receiving a letter
and taking it to Chief Murphy, who
gave him instructions regarding the
reply in the addressed envelope, which
he carried out. He sent no money in
the letter. He claimed that he never
saw the letter and that he did not
know the man who sent it. He
sent with it his name and box
171 East Hampton, Conn.

Chief Murphy testified to knowing
Jacob Stein, and Stein showed him a
letter from Mr. Quinn in East Ham-
pton. He instructed Mr. Stein what
to do and saw the addressed envelope di-
rected to John M. Quinn, Box 171,
East Hampton, as it was ready for
mailing. He told of sending Sergeant
Twomey to East Hampton.

Sergeant Twomey testified to seeing
the letter which was sent to Quinn.
He mailed it on the Central Vermont
train at 5:15 a. m. on Jan. 31. He
went on that train to East Hampton
and to the postoffice there, remaining
at the postoffice from 3:30 until 1 or 2
o'clock. Many letters were in and
inquired for a letter for John
Quinn, which was given her by the
postmaster. It was the only letter he
mailed at Norwich. After talking with
the girl he went with her to her home
where he saw the letter which she
was sending for the letter. She denied
all knowledge of sending for the letter.
She testified that she had never seen
the letter and that she had never
addressed to John M. Quinn. She
did some writing in her home and
there and the paper was offered as
testimony. He asked the girl if there
was a John Quinn in East Hampton
and she said no, but she had heard her
uncle say that he had a cousin named
John Quinn and that he had never
seen her for the letter. Mrs. Quinn
denied all knowledge of the letter.

Mrs. Quinn was arrested that night
and Mrs. Quinn was arrested on Feb.
3d.

Postmaster George White of East
Hampton testified to knowing Mrs.
Quinn and for two years the Quinn
family had been in East Hampton.
They got their mail in the general de-
livery. Mrs. Quinn had asked for
mail for the telephone company for
the Quinn family and also for John
Quinn. She asked for his mail and
was told that she was wanted by John
Quinn's mail and she said she did. He
gave it to her. He told of the con-
stant stopping the girl and asking her
question. The girl first asked for a
letter for John Quinn on Friday, Jan.
28, and on Saturday the 29th. The
letter in question was treated as
any other.

Charles R. Butts, for over thirty
years with the Norwich Savings so-
ciety and assistant treasurer for over
fifteen years, testified that he had been
called to identify handwriting many
times and made it somewhat of a study.

When Mr. Butts was asked regard-
ing the handwriting, Attorney Brown-
ing objected, claiming that there were
check marks which he did not think
were in the original and the erasing
of them was started. There was no
further testimony and the case before
the court was adjourned until this
morning at ten, when the case will be
 resumed. It is expected the Rockwood
case will follow this one.
