Nothing Heard from Railway Company and It is Probable Present Way Will Be Maintained.

Street Commissioner Fellows stated on Friday that nothing had been heard from the Connecticut company regarding any change in the street sprinkling contract to conform with the city's desires, and he was of the opinion that the present plan of street sprinkling will continue through the summer. The city does not desire to conform with the company's plan of street sprinkling which is electric sprinkling the portion of the city which is not yet paved. The city officials believe they can do the work as well and cheaper by this plan than by having the railway company do it under the contract which has been in vogue, as they can see no reason for the \$600 or more bonus each year.

SUCCESSFUL CONCERT UNDER XENS' AUSPICES.

First Baptist Church Crowded by an Enthusiastic Audience—Good Sized Sum Will Be Realized.

There was a large and enthusiastic audience, filling the auditorium to its utmost capacity, at the concert given by the Nathan Hale orchestra of New London Friday evening at the First Baptist church under the auspices of the Xens.

The soloist of the evening was John B. Crary of Milford, Mass., formerly of this city, tenor of the Milford Universalist church, and who is also a member of the Lyric Glee club of that city. Mr. Crary was warmly greeted by his Norwich friends, who were delighted to hear him in the two numbers of the programme, both of which were heartily enjoyed. Mr. Crary has an exceptionally pure tenor voice, the quality and flexibility of which were well shown in his rendition of "For All Eternity," by Mascheroni, and "Adoration," by Greenwald, both of which were recommended to the enthusiastic applause.

Miss Helen Page received much praise in her work as accompanist for Mr. Crary.

The programme comprised seven numbers, with one double selection, which with several encores made a well rounded programme. Among such composers as Mendelssohn, Flotow, Mantia, Bendix, Pryor, Gounod, Gruenwald and Herzog.

The concert opened with a march, "Festival," which was well rendered and made a favorable beginning to an exceptionally well planned and executed programme.

Mr. Crary's solo, "For All Eternity," by Mascheroni, and "Adoration," by Greenwald, both of which were recommended to the enthusiastic applause.

FAILED TO AGREE

Majority Stood for Acquittal Throughout—Case Continued Under Same Bonds for Further Trial—Trial of William E. Rockwood whose Mother Appears Against Him.

After considering the case of the state vs. Mrs. Katherine Quinn, charged with blackmail in sending a letter from East Hampton to Jacob Stein in this city, in which it was claimed that the writer was John M. Quinn, state witness, who was paid \$10 to give to a woman in that place whose son had bought liquor in Sheepshead and must get him very sick, the jury disagreed and was discharged from the case. It is understood they stood 7 to 5 for acquittal with the same statement, whereupon they changed to 8 to 3 for acquittal.

Court came in at 9 o'clock and Judge Wheeler took about forty minutes in charging back jury to which they took the papers and exhibits and retired, and it was not until 12.30 o'clock that they came in to report that they could not agree. Judge Wheeler sent them back to consider the matter further and in a half hour they returned with the same statement, whereupon they discharged them from further consideration of the case. The case against Mrs. Quinn was continued, the same bonds being furnished, and it is claimed that it will be tried at another session.

Charged With Theft of \$145. At the afternoon session a jury was selected. She asked him if the money was his and he said no, he had some bills to pay. She supposed at the time that he came by it honestly, and came here to tell the truth.

Henry W. Tibbitts, clerk of the city court, testified to taking testimony in the case against Mrs. Rockwood. Mr. Rockwood testified that he sent money to Mr. Hill amounting to about \$42, which he said he kept in a box in the store. Mr. Shee testified regarding the matter.

After Mr. Shee testified Mr. Rockwood said that he had made some mistake with Mr. Shee and hoped to get the \$42. He said he had borrowed \$10 of Mr. Hill. The accused said he had taken the money from the store on the day the money was taken and said he would come back later.

Patrick Shea testified that he had been in the store on the day the money was taken. He had never paid him any other money, but he said the yearly premium for the policy would be \$42. He said the testimony of the witness was not at all correct and that this court was adjourned at 5.19 until this morning at nine o'clock.

Surprise for the Defense. Susan Rockwood of Worcester, mother of William E. Rockwood, testified that she had been home about six o'clock on April 13 and remained until the 20th. He showed some money and she heard him count out \$120. She told him she owed some money, and he went out and paid some bills for her. \$5.28 for groceries, \$5.50 for rent, \$3 for changing her picture, \$1 for his sister's taken. He gave her \$2 and his sister \$1, and a box of groceries was sent to the house. He said he sent \$10 to one woman, \$15 to another and \$7 to his wife, whom he said was in Norwich.

She said she had five sons and three daughters. She asked him if the money was his and he said no, he had some bills to pay. She supposed at the time that he came by it honestly, and came here to tell the truth.
