Lodge Notes and Fraternal Interests

Woodmen to Attend New London Meeting—Prize Winners at Fraternal Whists—Sons of Veterans to Initiate Odd Fellows Flourishing in Connecticut—Eagles Planning State Field Day.

PYTHIAN SISTERS.

Clover temple, No. 9, conducted a well attended evening of whist on Monday last in Pythian hall making an enjoyable social occasion. Cake and cocoa were served after the play and the results of the games turned in the following prize winners: Mrs. Ambura, 40, half dozen handkerchiefs; Edward Daly, 47, pair of cuff links; second, Mrs. C. B. Clark, 38, set of beauty pins; H. J. Clements, 40, a necktie; consolation, Mrs. Lewis and Robert McKiernan.

UNITED WORKMEN.

The fraternal carpet bowling league season in New London and Groton will close week after next. In this league are the respective teams of Thames lodge, No. 13, A. O. U. W., of Groton, Royal Arcanum lodge of New London and Club Cameron of New London. Last Tuesday night the United Workmen's team was defeated in a game with the Royal Arcanum, score 21 to 13. This places the Arcanum securely in first place. The closing game of the season will be between the Club Cameron and the United Workmen. Up to last Tuesday night the Thames team had won 9 games, the Cameron 11 and the Arcanum 14. Thames lodge won the first series of the fraternal league games, so has laurels to boast of.

SPANISH WAR VETERANS.

The stated meeting of Major R. S. Griswold camp, No. 21, was held Wednesday evening at the armory, Commander Charles A. Hagberg conducting the meeting. Preliminary arrangements for attending the department encampment in Willimantic June 10-11 were completed by which it is expected to have a good turnout. The camp will make the trip. The Norwich delegates were instructed to favor New London in the choice for place of next department encampment. The men were measured for their new uniforms, which are expected to be here in time for the encampment. The tickets of honor were brought in and it was found that "Steeple Jack" Martin was the lucky man.

EAGLES.

The state field day committee of New London aerio, No. 594, Fraternal Order of Eagles, named Thomas E. Donohue, its chairman, as grand marshal of the parade of aerio of Connecticut in New London on Aug. 13, at its meeting Tuesday night. Mr. Donohue will later name his staff and aides, probably selecting one from each aerio in the state.

The committee was notified by the secretary that so far communications have been received from aerios in Watertown, Torrington, Hartford, New Britain, Bristol, Putnam, Bridgeport, Danbury, New Haven and Stamford. It states that interest in the aerio in the field day preparations and each of these aerios anticipates sending big delegations. The parade at New London will be the occasion of the first state aerio meet in which every aerio in the state of Connecticut will be in line.

Each of the Connecticut members of congress answered the invitation of the committee to attend the field day and the reply of each was that he would be here if in the state at that time. President Tatt was invited, but he has sent regrets, owing to the date coming in his vacation, he will not be able to attend, as he had ruled previously that he would not interrupt his vacation except for an emergency of the most pressing nature for July 4. Governor Weeks sent his acceptance, stating, as did the others, that the date was so far distant it would be impossible to tell what might intervene, but every effort would be made to be here.
The Eagles are also to have a field day and outing in Providence on July 28.

MODERN WOODMEN.

Consul Joseph D. Pfeiffer presided last Wednesday evening at the regular meeting of Norwich camp, No. 890, at which two new members of the board of managers—James A. Kimball and Peter Hanson—were elected to fill unexpired terms. The camp also received several applications and is expecting to send a large delegation down to New London next week for the open meeting which is to be held by the two New London camps. It was thought this might be put forward one night, so as to avoid clashing with Ionic camp's meeting next Thursday evening, but as nothing has been heard here of any change it is thought the meeting will be next Thursday evening, just as at first planned.

SONS OF VETERANS.

At its meeting last Monday night at the Buckingham Memorial, Commander A. O. Fairbanks presiding, Sedgwick lodge, No. 4, received the notable number of six applications and will have them ready for initiation at the meeting next Monday evening. The camp was also in consultation with the G. A. R. post committee regarding Memorial day, arranging details for the day in which the Sons of Veterans will assist in the decorations and otherwise.

ORDER OF PROTECTION.

Slater lodge, No. 509, had two applications at its regular meeting in Pythian hall last Wednesday evening, and also received the resignation of its warden, Mrs. Gertrude V. Shepard, who has removed to New Britain. George A. Howard, who has been guide, was elected to fill the unexpired term, and Jennie S. Newbury was elected guide, both being duly installed at this meeting by Deputy Adolph Walden of New London, assisted by Brothers Cole and Chapman of Huguenot lodge of New London. Under good of the order, Deputy Walden and Brother Cole were heard from in spirited remarks, and Supreme Representative E. M. Newbury brought news of the recent supreme lodge meeting in Boston.
The next meeting of Slater lodge is to be a whist evening, so that the business meeting will be called at 7 1/2 o'clock. Deputy Walden told the members that they might expect a delegation of fifteen from Huguenot lodge for the whist, as they intended to come up from New London in a launch.
Deputy Grand Warden James L. Wheeler of New London, the appointed deputy of Norwich lodge, No. 248, New England Order of Protection, will make the lodge visit on Monday next, Monday night. This is the deputy's first visit to Norwich lodge and a large turnout of members will be present to greet him.

ODD FELLOWS.

The attendance of 64 delegates and some 1,500 visitors at the annual grand lodge session last Wednesday in Waterbury, made it the largest one on record in Connecticut. The reports presented the order was shown to be in a prosperous condition in this jurisdiction. Grand Secretary William S. Hutchinson, showing that the total number of Connecticut lodges is 93.
Grand Representatives E. G. Hurlburt and Grant U. Kierstead reported on the proceedings of the sovereign grand lodge at Seattle, Wash., last September and the condition of the order all over the world at the close of the year 1908 was shown to be as follows: Subordinate membership,

December 31, 1908, 1,422,478; encampment membership, 216,225; Rebekah lodge membership, 603,931 (brothers); total membership, 2,032,634. Patriarchal Militant membership, 22,136; total membership, including subordinate lodge members and sisters only of Rebekah lodges, 1,857,778. Total revenue, \$16,370,937.43; total expended for relief, \$5,500,825.60; total invested funds, \$46,212,853.45. Balance on hand of sovereign grand lodge, July 31, 1909, \$82,020.86.
One item of special interest was that dealing with the first steps taken toward the establishment of a tuberculosis sanitarium by the adoption of the report of a special committee, as follows:
(1) That as soon as it may be done conveniently, this grand body should provide and maintain a sanitarium for the cure and treatment of members of the order having tuberculosis.
(2) That such changes as necessary, if any, should be made in our laws as will enable us to create a fund for that purpose and to have the same.
(3) That the grand secretary be authorized to receive and pay to the grand treasurer any voluntary contributions which may be offered for that purpose.
(4) That this committee be continued without expense to the sovereign grand lodge until its next session, then to report and make further recommendations on the subject.
The report on Odd Fellows' homes showed that forty-five such homes have been established, valued at \$3,412,131.50, with \$522,323.80.
Atlanta, Ga., was decided upon as the next meeting place for the sovereign grand lodge.
The Odd Fellows' home at Groton was reported to be in a prosperous condition. The report Grand Master Thoms placed the stamp of approval. He had recently visited the palatial quarters which overlook one of the best harbors on the Atlantic coast, and the aged men who are no longer capable of fighting in the busy world rest in comfort.
The next Connecticut grand lodge will be held in Danbury in May, 1911, an invitation to meet in that city being extended by the new grand master, Joseph H. Hawley.
There was no opposition to granting a slight increase upon the salary of a delegate an increase of \$200 per year was taken upon the salary of Grand Secretary William S. Hutchinson. With the other prerequisites of the office, this amount will make his yearly salary a little in excess of \$2,000.
In addition to the list of officers already published in The Bulletin, the following were elected:
Grand chaplain, Rev. Charles H. Smith, Barre, Mass.; grand marshal, F. E. Roys, Winsted; grand conductor, Joseph R. Portlanck, grand secretary, C. Stevenson, Bridgeport; grand guardian, R. T. W. Adams, Naugatuck; grand herald, F. Henry Monroe, New Haven; grand regent, Grant U. Kierstead, Hartford, and William E. Thoms, Waterbury.

Unclaimed Letters.

The list of unclaimed letters at the Norwich postoffice for the week ending May 21, 1910, follows: Mrs. Cynthia Allen, Mr. R. M. Buble, Edward Brothers, Manuel Gonzalez, Agostino Donadio, E. M. Hill, Robert Hunter, Val Letfrance, Miss H. E. Matthews, Mrs. Julia Muzzou, Andrew Radell, Snow Panna Regina, Mrs. Edwin B. Rogers, Danley Will.

Purser of Steamer Chelsea.

Edward Beullehour, who has been freight clerk at the local office of the Norwich and New York Propeller company, has been advanced to the position of purser on the steamer Chelsea.

Walked Fifty Miles in Eleven Hours, Fifty-Five Minutes.

William Angus, Clarence Scliton and Chester Wentworth of Winsted started Saturday morning on their fifty mile endurance test and completed the distance in eleven hours and fifty-five minutes. Angus and Scliton were the only ones to finish, Wentworth being compelled to drop out at Ansonia. The start was from the corner of Main and Rowley streets and the finish at a point south of Derby. Angus and Scliton set up a fast pace from the start, and Wentworth kept with them until at Seymour, when he began to feel the strain, and at Ansonia reluctantly withdrew. The boys are proud of their feat and intend duplicating it. Part of the trip was made in a pouring rain, which made it harder.

Overlooked the Ocean.

The establishment of a free bathhouse by the city shows that some of our great monopolists have strangely overlooked the ocean.—N. Y. American.

Rare Sight for Texans.

For its size the town of Hempstead has as big a cemetery as any of them, and quite a number of the occupants thereof died a natural death.—Houston Post.

Patten Getting Conservative.

As Patten some time ago announced that he had enough, his presence in the exciting proceedings over cotton must be for the benefit of his health.—Boston Herald.

The Worcester Buckeye Mowing Machines

have not been affected by the comet and are just as good—if not a little better—than usual. Money invested in a BUCKEYE is money well spent—for this reason—the machine is one that is well known throughout this section and because of its manufacture in Worcester, Mass., duplicate parts can be obtained at very short notice. As for information regarding the wearing qualities of the BUCKEYE—ask your neighbor who uses one—and he will tell you that he regrets that he went so long without one! Take the advice of a brother—AND GET BUSY!

During the Milk Strike

is a good time to make butter. Good butter is always salable and the best results can be obtained if the DAZY Churn is used. The DAZY is perfectly sanitary and easy to clean. A child can operate it without difficulty. Cylinder and Barrel Churns a specialty.

Seeds?

Surely—our stock is complete at all times.
