

Over 10,000 Persons in Auditorium of Atlantic City's Million Dollar Pier

Atlantic City, N. J., May 22.—Over ten thousand people filled the big auditorium of the million dollar pier today to attend the mass meeting for labor, the greatest popular meeting of the Presbyterian general assembly, Charles F. Nagel, secretary of commerce and labor, did not appear to deliver his scheduled address on the conservation of national life. A slight illness caused his non-appearance. Congressman Bennett of New York explained that Mr. Nagel had forwarded a message in which he deplored his inability to be present to express his views. Congressman Bennett spoke for Secretary Nagel.

PRESENT WORKING DAY IS TOO LONG

Said the Rev. Charles Stelzle, who made the Principal Address of the Meeting—He Attacked Present Industrial and Social Conditions Among the Working Classes—Justification for a Shorter Working Day.

Mr. Bennett said that he was speaking for the cabinet officer when he said that the national turmoil over conservation of forests and national reservations was not nearly as important as the conservation of human life throughout the country. Mr. Bennett stated that the coming report of the commission on immigration which has been studying conditions in American factories is likely to create a sensation in the industrial world. He said that the report will show that the conditions among the working classes are not organized in unions to force protective measures.

BARNUM & BAILEY MAIN CIRCUIT BURNED

No Panic Among 15,000 People at Show at Schenectady. Schenectady, N. Y., May 22.—Barnum & Bailey's "big top," the main tent of the circus, caught fire here Saturday afternoon. The fire broke out and burned like an overturned hot-air balloon. Fifteen thousand people who were watching the show fled in panic. The management attributes the fire to the obstinacy of a careless smoker. Employees who saw him carry a lighted cigar to the canvas walls, warned him that he must not smoke. Instead of crossing the cigar away, they believe that he hid it behind his back, and as he sat down brushed the burning end against the canvas. The fire started in his neighborhood, and was soon out of control.

5,700 WORKMEN RETURN TO THEIR PLACES TODAY

Strike in 25 Mills of the International Paper Co. Settled. Buffalo, N. Y., May 22.—John Lundrigan, chairman of the state board of arbitration, today announced that the strike in 25 mills of the International Paper Co. has been settled. The terms of the settlement allow 5,700 workmen to return to their places of work tomorrow after ten weeks' idleness.

Arrived Sunday on La Touraine—Famous Hunter Also Here. New York, May 22.—Lady Cook (Tennessee Claflin), an ardent suffragette, arrived in New York today on the La Touraine. She comes this time to visit relatives. Of the new queen of England, Lady Cook said: "In many things the present queen will, you'll find, have her day or her hour."

Two Dogs Kill 75 Sheep in Southbury

Southbury, Conn., May 22.—In the past few days 75 sheep have been killed and 152 bitten by two dogs that are supposed to have come to this place from another township. There are about 25 flocks of sheep in this section and the one flock has escaped loss and that only because it is being guarded night and day by armed men.

\$500,000 Fire at Elkhart, Ind.

Elkhart, Ind., May 22.—The plant of the C. G. Conn Co., manufacturers of band instruments, was destroyed by fire here tonight, entailing a loss of \$500,000. One of the night watchmen, Roy Edgerly, was burned to death. The amount of the insurance is not known.

Cabled Paragraphs

St. Petersburg, May 22.—The expulsion of Jews from Kiev has not yet begun. Liverpool, May 22.—Gifford Pinchock, the former chief forester of the United States, was a passenger on board the steamer Arabia, which sailed for New York today. Paris, May 22.—A report of a conversation which General William had with M. Pinchock, in London, reproduced here, states that the emperor was more than usually pleased with the French foreign minister, and told the latter that the great powers, in their humanitarian attitude, should remain closely united as to the Pacific confederation.

Large Bequest Caused Sensation

Princeton, N. J., May 22.—The report of a large bequest to the graduate school of Princeton university by Isaac Charney Wyman, class of 1848, of Salem, Mass., caused a sensation today in Princeton among the trustees and faculty members and undergraduates of Princeton. Dean Andrew F. West, 74, mentioned as a joint executor with Charles Wyman, class of 1848, of Salem, Mass., was in Boston tonight, but a telephone call from him to the trustees brought the information that a conservative estimate of the bequest would be \$2,000,000 and upwards, but probably not \$1,000,000.

Twenty Mud-Covered Autos Checked at Swan's Garage Early Saturday

Twenty mud-covered automobiles on the third day of the all-Connecticut reliability run passed through here on Saturday morning from New London to Hartford. The cars were checked by having their tires taken at the A. C. Swan garage by Irving Watson, who had no time to spare. City to complete the day's trip, which would end in Hartford, where it had been started at 10 o'clock. The heavy rain of Friday night had added to the road difficulties and made this last day's trip the most unpleasant of the three. The cars started at 8 o'clock Saturday and were finished about 4:30 p. m.

Conservation of Country Life

Rev. Warren H. Wilson, assistant to Supt. Stelzle, speaking of "the conservation of country life," said that the country is being rapidly depopulated by the rush for the cities that is threatening the power of the country. He said that the country ministers must take up both the financial and social work to keep the country from being depopulated. He said that the danger of the country being forced to import its foodstuffs within a few years.

30,000 BARRELS OIL BURNED

Lightning Struck a Texas Tank—Extensive Damage to Derricks. Sour Lake, Tex., May 22.—A severe electrical storm, accompanied by rain and wind, visited Sour Lake and vicinity early this morning, did extensive damage to derricks and other oil field property. The storm struck a steel tank, setting fire to and destroying its contents of 30,000 barrels of oil. The fire burned for several hours, causing a loss to oil interests estimated at about \$150,000.

BOY AND GIRL TOOK FATAL DOSES FROM BOTTLE OF TONIC COMPOUND

Elizabeth, N. J., May 22.—While playing "house" while their mother was absent, a boy and girl, five and six years old, respectively, took a fatal dose of a tonic compound which they had seen their elders use. Both died in a few hours. An antidote was given, but it was too late. The boy, Rosa, took the bottle away when she found the children playing with it. They showed no symptoms of distress and went to sleep restfully when bedtime came, but woke later in great pain and died within a few hours.

Violent Rocking of Earth

Salt Lake City, Utah, May 22.—Sunday morning slumber of this city's residents was disturbed by a violent rocking of the earth, the seismograph at Salt Lake City recording a disturbance of thirty seconds. The earthquake was sharp and sudden, and was felt in the city, chimneys and old adobe houses. The tremor was local, being confined within a radius of five miles.

Boston Telegraph Operator Drowned

Lakeville, Mass., May 22.—Two lives were lost in Lake Umbagog today when John J. Gallagher, a Boston telegraph operator, went down carrying with him in a frenzied death grasp a young child, who was the only occupant of the boat. Gallagher, who was a famous hunter, was shot in the forehead when suddenly he shouted loudly for help and jumped overboard. Bopp was in another boat, leaped to Gallagher's aid, but the boy and man gripped him by the neck and they went to the bottom together.
