SCORE WAS 6 TO 1

Norwich Defeated Saturday Afternoon on Windham Field.

In the Norwich-Willimantic game Saturday on Windham field Norwich was handed a trimming by Mayor Dunn's Colts.

At first it looked as though there would not be any game, as a terrific thunder storm commenced about 3.45, and the game was not started until 5 o'clock.

The Willimantic bunch played together better than for some time and fielded well for so bad a day, but they were not there with hits, when some word had helped them materially, as Smith had everybody's goat.

He certainly looks the best pitcher in the league and has speed and other things to spare. The game was ended on account of darkness at the end of the seventh inning. The score:

JOURNEYMEN PLUMBERS

Return to Work This Morning After Two Weeks' Strike. The journeymen plumbers, who have been out on strike for the past fortnight, are to go back to work this morning. The strike was made satisfactory, it is said, although it is rumored that the raise in wages demanded will not become effective until fall. The masters, some of them, at least, were so impressed because of many contracts that they had to make some concessions to the journeymen. The strike therefore may be considered a victory for the latter. Neither side would give out any definite statement Sunday evening.
