GENTLEMEN'S DRIVING CLUB MEE.

Members Decide to Have Three Races On the First Card of the Season—Races to Be Next Saturday.

Arrangements for an afternoon of horse racing were talked over on Friday evening at a meeting of the directors of the Gentlemen's Driving Club, held on the porch at A. D. La-... It was decided that on Saturday would be the right time to put on a programme at the Fair grounds so that the members here a number of new horses have been added to the list in this city, and it is possible to see the best horses try out at the track most any day now. The work of putting the track in shape for the races will be started on Monday. It was arranged to have four races on July 23, 24, 25 and 26, with purses of \$100, \$75 and \$50, respectively. The races will be in mile heats and there will be small entrance fees. It is expected that a fine list of entries can be secured, both of local horses and out of town trotters and pacers. As this is the first racing here this season, the directors feel that good fortune for the day cannot be assured, especially as there are few counter attractions in the sport here.
