Grangers Hear Prominent Speakers Gathering at Preston City Addressed by W. P. Pollock, Hon. L. E. Whiton and Mayor Thayer—Norwich's Executive Made a Big Hit.

Patrons of Husbandry in large numbers, and representing practically every township in New London county, made their several ways to the Congregational church at Preston City on Thursday to enjoy the hospitality of the Preston City grange to transact any business that might concern their order, and to listen to an especially attractive program which had been arranged by Worthy Lecturer G. Warren Davis. It was a typical Pomona grange meeting, where joy and good cheer reigned supreme and where all entered into the spirit of the occasion with full appreciation of all the advantages that might obtain. The interior of the building was appropriately and elaborately decorated with hand-painted flowers and various emblems suggestive of the order of Patrons of Husbandry.

At the noon hour a menu containing a long list of Preston's choicest kitchen products was placed before the visiting friends, and was well appreciated by the women's work committee of the Preston City grange, Miss Emily Ennis presiding. Mr. Allen E. Burdick and Mrs. Nathan M. Hall, who were assisted by other members of the entertaining grange.

The grange opened in the fifth degree at 10 o'clock, with Worthy Master Everett P. Barnes, presiding. The regular routine business of the order was carried through, and a class of four was obligated. Two important communications were made, one by the Rev. F. A. Holden, Mrs. Billings T. Avery and Rev. W. F. White.

Mr. Thayer spoke of those plain people whom Lincoln loved so much, and whom he brought to do their own thinking. He said that the grange might be of the people, for the people and by the people. If they do not do this way, they are not doing it for the people.

Two Valuable Dogs Killed Thursday Morning by Jewett City Trolley—New Buildings Almost Completed—Short Notes of Local Days.

Two dogs were killed Thursday afternoon on the trolley spanning the trolley river by the Jewett City trolley car that reaches the junction at 4.30 o'clock. The dogs were prized very highly by their owners, one a bird dog belonging to John Tedlow of Norwich and the other a rabbit hound, the property of William Savage of Hunters avenue. The dogs evidently were crossing over to the Lisbon side of the river, and were caught within about eight feet of the shore. They were both badly mangled and were probably killed instantaneously.

Mr. Makepeace's Suggestion. One of the suggestions of the business men's association as to the public utility bill declares the writer to be "heartily and unqualifiedly in favor of the general principles of the bill but makes two suggestions, one that he would prefer three men to five on the commission, and that there should be "specific preference" to appeals from rulings of the commission, so as to avoid all unnecessary delay in the final settlement of contested rulings. This is from W. D. Makepeace in Waterbury, and is a good example of the kind of reply that is useful. It accepts unreservedly the essential principles embodied in the bill and it makes intelligent suggestion as to details. Both the points mentioned by Mr. Makepeace are advisable and both deserve consideration. As to the second, it is hardly possible to be too careful in providing the most prompt decision of disputed points that is consistent with thoroughness.—Hartford Times.

Lovely Complexion. A Clear Skin and Bright Eyes are Easy to Get. All the beauty creams in creation won't improve your complexion if your stomach is out of order. Belching of gas and heartburn mean bad food in the stomach. Bad food means bad blood and bad blood means a bad complexion. Try Mi-o-na stomach tablets for stomach misery, biliousness, dizziness and indigestion. They relieve in a few minutes and make rich, red blood. They are guaranteed to cure or money back.
