ON MOTOR BOAT CRUISE.

Party from Shelter Island Visited Here on Monday.

Thoroughly enjoying life on a three weeks' motor boat cruise, Harry Belknap of Shelter Island brought his 30-foot Chequit II up the Thames to Norwich Monday morning and spent the day and night here.

As bronzed as the summer sun can make them, Mr. Belknap and his friend, Everett Wilson, of Greenport, R. I., have completed the first week of their cruise, which they have found thus far an ideal way to spend a vacation.

Since leaving Shelter Island, at the eastern end of Long Island, they have visited Watch Hill, Stonington, Mystic and other points of interest along the shore. Leaving Norwich this morning, they plan to go up the Connecticut river to Hartford and after that to continue along the sound shores.

The Chequit II is one of the prize boats of the Shelter Island Yacht club, has a hunting cabin with ample sleeping accommodations for four people, and is equipped with a ten horse power Twentieth Century motor.

ITCHING IRRITATION.

Its power to instantly relieve any irritation of the skin and make it soft, white and beautiful, is almost miraculous.

In order that any one may try HOKERA at small expense, The Lee & Osgood Co. are selling a liberal sized jar 25c, and in addition guarantee to refund the money if the treatment does not do all that is claimed for it. Larger size 50 cents.
