

Cartarrh Germs Move Out When Hyomei Moves In

No stomach dosing. HYOMEI (pronounced it High-o-mei) is made from the highest grade of eucalyptus, taken from the eucalyptus forests of inland Australia, and combined with the excellent antiseptics employed with the Listerian system.

In inland Australia, the atmosphere is so impregnated with bacteria thrown out by the eucalyptus trees that germs cannot live, and in consequence cartarrh and consumption are unknown.

Breathes HYOMEI and get the very same, pleasant, healing, germ-killing air as you would get in the eucalyptus forests and kill the germs.

HYOMEI is sold by The Lee & Oswald Co. and druggists everywhere, at \$1.00 a complete outfit.

An outfit consists of a bottle of HYOMEI, a hard rubber pocket inhaler and simple instructions for use.

The inhaler will last a lifetime, but bear in mind if you need another bottle of HYOMEI you can get it at druggists for only five cents at any time.

Guaranteed to cure cartarrh, croup and throat troubles, or money back. Trial sample of Hyomei free to readers of the Bulletin.

HARKNESS IN MONOPLANE DIVES TO EARTH.

First Flight in America—Machine Smashed—Air Pilot Escaped.

New York, Sept. 15.—Harry S. Harkness, the aviator of Cleveland, and member of a prominent family in that city, had a narrow escape today when the monoplane in which he was flying at the aerodrome in Garden City, L. I., dived suddenly to the ground from a height of twenty-five feet.

The machine was smashed to pieces, but he escaped.

This was Harkness' first flight in America. He has been known abroad for his feats in aviation and came to America to enter the elimination trials for the international aviation meet next month.

STATE CONVENTION OF FIREMEN

Association Has Successful Gathering at Waterbury—Norwich Men Elected to Office.

The twenty-seventh annual convention of the Connecticut State Firemen's association closed at Waterbury Thursday morning with routine business, including the reading of the report of the committee on resolutions and the adoption of the following standing committees for the coming year.

Advising committee, George S. Pitt of Middletown, E. P. McConan of Waterbury, James W. Burns of Bristol; legislative committee, Robert V. Clark of South Norwalk, Robert V. Magee of Waterbury, Rev. N. P. Carey of Norwich, George W. Beardsley of Bridgeport and R. O. Connell of East Hartford.

The matter of choosing a place for next year's convention was referred to the executive board. At the close of the convention the delegates reviewed the annual Waterbury police and fire departments' parade.

The annual banquet of the association took place Wednesday night at Hotel Elton, and the delegates and guests present numbered in the vicinity of 250.

The banquet and addresses were accredited with being the best ever given in the history of the association.

Other speakers called upon were Rev. Neilson Poe Carey of Norwich, Supt. George M. Beach, Rev. John N. Lewis, George W. Beardsley, Episcopal church, Waterbury, Anthony F. Bolan of Hartford, new president of the association, R. V. Magee of Waterbury, and Edwin Hart of the board of public safety.

Among those seated at the guest table were Chief Samuel C. Snaggs, Treasurer Samuel C. Snaggs, and other officers.

Following the banquet the delegates attended the performance at the Elton.

Present from this city were Chief H. L. Stanton, Rev. N. P. Carey, Joseph E. Hartley, James M. Kelly and John Hill.

Adoption of Resolutions. The report of the resolutions committee was made by Chairman Coppola Lippitt and approved as follows:

The delegates, representing the republicans of the Third congressional district of Connecticut, in convention assembled on September 13, 1910, commend in highest terms the splendid administration of William H. Taft and express to their constituents satisfaction and faith in the wisdom, patriotism and efficiency of republican policies and republican administrations and call upon all citizens, irrespective of former political alliances, to show their approval of our great national progress and of the great republican policies by which it can alone continue.

We cordially endorse the state platform of the republican party and the candidates upon the state tickets. We thoroughly approve the recent revision of the tariff by congress, made in fulfillment of republican promises and in accordance with the republican doctrine of protecting home industries and American labor.

As a district and a state we are vitally interested in the preservation of the protective tariff, and we insist upon the maintenance of the principles of protection which guards and develops our industries as a cardinal principle of the republican party.

We commend to the voters of this district the manifest ability, wisdom and prompt attention to the manifold duties of his office, his record at home and his standing and influence in the house of representatives, and his continued support and confidence of the people.

Joseph Chapman of Putnam presented the following for the congressional committee and they were chosen: Coppola Lippitt, Norwich; Silas W. Wheeler, Putnam; Charles Smith, Bridgeport; E. Judson Miller, Easton; Charles E. Leonard, Willimantic.

Congressman Higgins extended a personal invitation to all delegates to have dinner with him at the Waterbury house following the convention, and adjournment was immediately taken, the convention having been in session about an hour.

Speaking at Banquet. At the Waterbury banquet was served in the large dining room, a fine menu being provided. After the cigars were lighted, Congressman Higgins explained that Chairman Hopson had been called to New London, and asked John McKinley of New London to act as toastmaster in his absence, which he did in his characteristic jovial manner. In reference to the nomination made by the convention he was positive that the district would stand by it solidly.

Edwin W. Higgins in the past few years has set a beautiful example. Like the writing copy, he has made excellent copy, and in the terms of the printer, copy should be followed, even out of the window. His commendation of the congressman was to the point and won applause.

As to the man who has been named for state treasurer, he felt sure he knew how they felt about him who fills the bill whether a banker, Mason, business man or exporter, and he greeted on ex-Mayor Lippitt, who was called upon with applause.

Mr. Lippitt thanked them for so large an attendance at the convention, and in reference to the state convention on Wednesday stated that this part of the state was disappointed in the choice, but they knew only one of the candidates and he hoped that every one would support the action of the convention and trust that every true republican stand by the ticket throughout. It must be recognized that the democratic party has this year nominated a man who in personal characteristics and reputation is the peer of any man in the state, and yet the same can be said of the man who heads the republican ticket, as would have been said of Mr. Lake. Being republicans we should stand by our party ticket, and go up to the election with a united front. We are going to elect our congressman, who every one knows, as the toastmaster remarked, has done excellent work, and set a fine example. (Applause.)

This completed the speaking and the gathering dispersed.

The Cooks who have used the Single Damper of the Crawford Ranges will never go back to the troublesome two-damper range. The cost of the food spoiled by mistakes in regulating the ordinary two-damper ranges amounts to a large sum.

The Single Damper of the Crawford affords absolute fire and oven control by one motion—slide the knob to "kindle," "bake" or "check," the range does the rest. The Oven of the Crawford has cup-joint heat flues which heat everywhere alike and make it the quickest and surest of bakers. The Two Hods (patented) in the base—one for ashes instead of the old clumsy ash pan—one for coal, is a great trouble-saving feature. Gas Ovens and Broilers above or at end of range, if desired.
