MODERN WOODMEN.

Noank camp had an interesting meeting Wednesday evening, enjoying a pleasant visit from George H. Stanton of Norwich. The meeting was well attended and action was taken on removing to another hall for their winter work. Several candidates are on the way and the camp shows a satisfactory condition, both in membership and finances.

ODD FELLOWS.

Shetucket lodge, No. 27, closed last month with work in the third degree, but this month has no candidates so that its meeting on Tuesday evening in Odd Fellows' hall was a short one and occupied only with routine business. On October 18, the annual meeting of the grand lodge is to be held in Hartford, to which both the Norwich lodges will send their usual quota of delegates.

UNITED WORKMEN.

All is in readiness for the annual meeting of the grand lodge in Bridgeport, October 20, and for the convention to the grand lodge with initiation of new members by Farnon lodge, No. 57, of that city, on the evening before the meeting. Superintending officer John Currier Gallagher of New Haven will represent the supreme lodge.

Supreme Overseer John Currier Gallagher of New Haven, accompanied by Grand Guide G. Herbert Bishop of that city, visited the annual meeting of the grand lodge, A. O. U. W., of West Virginia, held in the latter part of September at Fairmount, one of the principal cities in that section of the state which has recently given so wonderfully, in the heart of the state's bituminous coal regions. It will be remembered that in one of the mines in that district an awful accident occurred a few years ago in which several members of the A. O. U. W. were among those who were killed, and that the death claims in consequence were paid, immediately upon identification of the remains, to the widows and orphans of the dead members.

After the adjournment of the grand lodge, on invitation of Past Grand Master Workman S. R. Nixson, Supreme Overseer Gallagher and Grand Guide Bishop visited the New England coal mines, and included in the invitation was a trolley trip of over five miles to the underground, into the heart of the mountains. The long trip through the vast coal strata was one the brothers will ever remember with interest and pleasure. On their return trip they stopped over in Washington, D. C., and visited the capitol and the public library, and spent a considerable part of the time in the offices of the Clerk of the supreme court of the United States.

FORESTERS.

Court City of Norwich, No. 43, held their regular meeting for the month of October Friday evening in Foresters' hall, initiating three candidates and receiving two applications. A committee of three was appointed to make arrangements for a social and smoker to be held in the meeting rooms after the next meeting. There was a good attendance, and a full turnout is expected for the next meeting to make the social a pronounced success.

REBEKAHS.

The Phoenix Past Grands association held its monthly meeting Thursday evening in the meeting rooms of the grand lodge, No. 43, on the evening of the 20th. The meeting was well attended and action was taken on removing to another hall for their winter work. Several candidates are on the way and the camp shows a satisfactory condition, both in membership and finances.

day afternoon with Orient Rebekah lodge of New London, Mrs. Margaret Hart of this city conducting the session. None of the members from this city was present. An enjoyable afternoon was spent and at its close the Orient members served a fine oyster supper. The November meeting is due to be held with Hope lodge of this city, but it has not been definitely settled when the date will be.

For its meeting on Monday evening Norwich lodge has received a special reminder and invitation from Deputy J. L. Wheeler to attend, especially urging the charter members to be on hand.

The New England Order of Protection now numbers 68,000 and is operating on exactly the same basis as at its institution Nov. 12, 1887. It is desirous to make the number 75,000 by May, 1911, and to help towards this end the Connecticut deputies at the recent annual meeting secured a concession from the supreme warden to the effect that to each lodge that will hold a class initiation in 1911, there will be a reduction in the certificate fee.

The Connecticut grand lodge, along similar lines, offers to the member serving the largest number of benefit members before April 1, 1911, \$25 in gold, second largest, \$15; third, \$10. This is to be paid in gold. All securing ten benefit members, a gold locket or watch chain; five members, a solid gold button; or one member, an emblem pin or jewel.

Norwich lodge is also helping on in the good work by offering various inducements to candidates and members securing same, which next week, as ascertained at the meeting next week.

Thomas lodge, No. 224, at its meeting on Tuesday evening in Foresters' hall, had an enjoyable gathering which was well attended. Warden Henry A. Conroy presiding. Some preliminary discussion was indulged in on plans for the observance of the twenty-third anniversary of the order, but no definite plans were made. The date for an observance may be at any time between the middle of October and the middle of December. Refreshments were served at the conclusion of the meeting under the direction of the entertainment committee for the term, which has Mrs. Mary Bassett for chairman. They expect to have special features in their department for each meeting.

Terrence lodge, No. 43, met in Hibernian hall on Wednesday evening with a good number in attendance. Being the routine business of the committee in charge of the Red Men's traveling canoe reported that they had secured the emblem to attach representing Norwich, in the shape of a pair of brass tomahawks contributed by the Pequot Brass foundry and cast in their shop. This fulfilling the conditions that the emblem should be manufactured in the city which it represented. The tomahawks are crossed in a pleasing design and are properly numbered to show they come from Terrence lodge.

It was decided that the tribe in Stonington would be a good one to forward the canoe to next and they are to be written to in order to learn whether and when they will be ready to receive it.

LADIES' AUXILIARY, A. O. H. The regular meeting of the Ladies' auxiliary, A. O. H., was held on Thursday evening in Hibernian hall. Mrs. Mary Silney, the president, conducting the session. Good reports were received of the number who might be expected to go to New London, so that it is probable the Norwich division will be largely represented.

ROYAL ARCANUM. Norwich council, No. 729, is anticipating a most interesting evening next Tuesday at the Buckingham Memorial, when a complimentary whist and social evening is to be held for the members and their friends of both sexes. Each of the council members is privileged to invite either a lady or a gentleman friend, and Orator Sumner Willard, who is in charge of the programme, has plans for a thoroughly enjoyable evening in which whist will be the feature. The Arcanums want to see a record breaking attendance for that night.

KNIGHTS OF PYTHIAS. Wauregan lodge, No. 5, was awaiting a candidate for initiation at its regular meeting last Tuesday evening in Pythian hall, but he did not come. They are looking for him at the next meeting. On the 18th of this month occurs the meeting of the grand lodge in Bridgeport. P. C. C. Thomas A. Holmes is the delegate. D. J. Morrissey alternate, from Wauregan lodge.

SONS OF HERMANN. In Germania hall on Wednesday evening Immergruen lodge, No. 12, held its regular meeting with a good attendance. The regular officers were at their stations. In addition to the routine business there was discussion of plans for an evening of special features in the near future. Germania lodge, No. 11, met on Thursday evening, expecting to have a visit from Herwegh lodge of New London, but no visitors appeared. It is hoped they will come at the next meeting. Two new members were initiated.

KNIGHTS OF COLUMBUS. It is expected that there will be a good sized party of White Cross council go to New London on Sunday for the meeting of Seaside council, where Rev. William Keefe of St. Mary's parish is to speak. The meeting will be close to Columbus day, which is Oct. 12, and the address will be upon Columbianism. As Rev. Father Keefe is an eloquent speaker it is certain his hearers will hear the subject treated in a manner worthy of so great a topic. The visit to New London will be made by the 5.45 trolley Sunday evening, on which it is expected it is about fifty of the White Cross members will go. There will also be delegations from Popnam council of Taftville, Poquetanuck lodge of New London, and Narragansett of Westerly in attendance at the celebration of Columbus day, which will be in the form of memorial services at 7 p. m. at St. Joseph's church and a lecture by Rev. Father Keefe upon Columbus.

Shaheen, conducting the business meeting, which disposed of routine business.
