AT THE AUDITORIUM.

Vaudeville and Motion Pictures.

It is an attractive and interesting bill that the management of the Auditorium offers its patrons for the first three days of this week. The Banks-Breeze duo, in a beautiful musical comedy, are the headliners. This talented couple appear in a spectacular novelty which they call musical stonnet. The settings and effects of this act are positively gorgeous. Several musical instruments are employed with rare artistic skill, the singing is excellent, and the beautiful picture work makes this a stage picture of ideal beauty. It is one of the prettiest acts seen at the Auditorium for some time.

In presenting the delegate, Harry Booker and John McMahon created a favorable impression upon the patrons of the theater Monday afternoon and evening. Mikeweeney, the heretic comedian, and Tom Rafferty, the delegate, are both represented by these two star performers with rare skill, and their talking sketch, singing and clowning cannot fail to bring out a good hand.

R. C. Murphy and Miss Blanche Andrews, classy entertainers present a novel singing and dancing turn in which several costume changes and character acts are included. Miss O'Connell and Miss O'Connell complete the bill with her act. Her fine clarinet playing and her singing call forth a generous applause. The new act, "The Wind Had Only Blown the Other Way," coming in for a specially good hand.

The photographs, as usual, are attractive, the pictures depicting life in the far west being especially interesting.

FUNERAL.

Mrs. Mary P. D. Goodrich.

From the parlors of Undertaker Gager on Franklin street, at 2 o'clock Monday afternoon, was held the funeral of Mrs. Mary P. D. Goodrich, whose body arrived here from Hartford on the 11:55 train. A large number of relatives and friends attended the services, many coming from out of town, and there were also several present members of the organization to which Mrs. Goodrich belonged. Among the wealth of floral remembrances were standing pillows marked "O. L. S. G. C." and one from Woman's Relief corps. Rev. Joseph F. Cobb had charge of the services and made an address. Henry Lewis Adams, D.D., officiated.

The bearers were William H. Sherman of Hartford, Henry Lewis Adams, Charles C. Treat and Daniel Preston. Burial was in the family plot in Yantic cemetery, where Rev. Mr. Cobb read a committal service.

WAUREGAN HOUSE DAY CLERK.

Edward D. West of Killingly, Formerly Manager of Putnam Inn, Takes Up New Work.

On Monday Edward D. West of Killingly began his duties as day clerk at the Wauregan house, there having been a vacancy there since Frank Farrell became night clerk. Mr. West has been in the hotel business for many years, both as owner and manager, so that the duties will not be new to him. He is a well known and acquainted with the traveling public. He is a Mason, an Odd Fellow and an Elk. During the past season he was packmaster and bookkeeper at the Williamsville Manufacturing company, previous to which he had been in charge of the Central house at Danvers, and for a time was the owner of the Bugbee house in Putnam. When a young man he was at the Point of Pines, and later he was in business in Boston. For seven years he was manager of the Putnam Inn.

New England Railroad Guide.

A well preserved copy of Holbrook's New England Railroad Guide, Vol. 1, No. 8, known as the traveler's pocket companion, the price of which is now three cents, is in the possession of Frederick L. Osgood of this city. The date is Sept. 15, 1849, making it a month over 21 years old. It contains the timetable of the Norwich and Worcester railroad, and at that time the fare was \$1.50 to Worcester and 22 cents to Jewett City. The usual time from Boston to Allyn's Point was four and a half hours and from Boston to New York twelve hours. The steamboats at that time went to Allyn's Point. There were few trains in those days.

Wedding and Silver Wedding.

Invitations are out for the marriage of Leonard R. Maine and Miss Grace Louise Snyder, daughter of Judge and Mrs. Calvin A. Snyder, of North Stonington, on November 5, the ceremony to take place in the Third Baptist church, North Stonington, at 5 o'clock p. m., and followed by a reception at the bride's home. On the same date Judge and Mrs. Snyder will celebrate their twenty-fifth wedding anniversary for which invitations have also been issued.

Session of Executive Committee.

The executive committee of the court of common pleas met at the court house on Monday evening at the court house, with a majority of the members in attendance. There was but little business, and after acting on the petition that they may be investigated, the meeting adjourned.

TELECALLS OF WATER AT THE

Well at Meadow Brook is Good for That Now at 114 Feet Down—Reservoir Dropped Five Inches in Two Days—1000 Feet of Pipe Laid at Mohegan Lake.

Supt. J. J. Corkery reported on Monday after his visit to the Artesian well at Meadow Brook that water is being found in larger quantity as the well goes deeper. At the present time it furnishes ten gallons a minute and it is down 114 feet. At the present time the lower layer of the ledge has been encountered, which makes the progress a little slower, but it is often so found. The usual yield at present is 1000 to 1500 gallons a day, or nearly two million. It is hoped that fully 100 gallons a minute or more will be secured from the well.

At the end of September the meters had been in use 63 days and the average for that time was 1,957,000 gallons a day, while for the first 33 days they were in use the average was 1,000,000 gallons a day, or nearly two million. This was over 500,000 gallons more a day than is being used at the present time. The suggestion that the cut-off should be stopped, but rather that a further curtailment possible should be made, as it will not be long at the present rate before Fairview will be empty. The suggestion that the drinking water be boiled is being generally adopted, while the owners of springs are doing a big business at the present time in supplying drinking water.

The diver was at work at Mohegan lake on Monday, where he plugged the outlet pipe, and will not be further employed at Fairview. It is possible that other work will have to be done at Mohegan lake. The laying of the six inch pipe from Rockaway to Fairview continued daily and about 1,000 feet have now been laid. It is proposed up here and there or a small cut is made where necessary to keep the line at somewhat of a regular grade. By the end of the week it is thought that the pipe will nearly all be laid for this line.

Superintendent Corkery has been keeping account of the water used, and will start on a new meter, since they were installed, and it shows that the people have been saving a half million gallons of water a day during the past week. It is thought that the fact that there is any water at all in the reservoir now. Had the consumption continued as the average for the past week, the reservoir would have been drained now. The meters have been working 94 days and during that time 168,784,000 gallons have gone through them, or an average of 1,735,680 gallons a day during that time. During the month of October, however, the average was much lower because of the curtailment, and the daily average was but 1,467,732.

DOUBLE TRACKING
AIR LINE DIVISION
Contract for Thirty Miles Between Middletown and Willimantic to Be Awarded Soon.

The contract for the double tracking of the Air line division of the New Haven road between Middletown and Willimantic, a distance of 30 miles, will be awarded probably in a few days, it was given out by reliable authority Monday, says the New Haven Register. The contract will carry with it the erection of some small bridges, will be started before the end of the year.

The new line for years has been the weakest spot on the New Haven system, but the proposed bridge and roadbed will be used to the high standard of the main line. The heavier types of engines used by the New Haven have been barred from the Air line. The new line will be constructed by the proposed bridge and roadbed, and the new line will be constructed by the proposed bridge and roadbed.

NEW LONDON AND WESTERLY PARTIES COMING
To the Big Ball of Columbian Commandery Next Week.

EX-CHIEF BOWEN
IN SERIOUS CONDITION.
Has Been Unconscious Since Monday Morning About 8 O'clock.

The serious illness of ex-Chief John A. Bowen was learned on Monday, he having been stricken Saturday and continued to grow worse until Monday morning about 8 o'clock he lapsed into unconsciousness and had not rallied at a late hour Monday night. His condition is considered very serious, as his legion of friends will regret to learn. He has been troubled with an internal affection of the ear for several days.

GIFT TO MANAGER BLISS.
Employs Presented Him a Silver-Mounted Umbrella.

As a slight token of their high regard and esteem for their former manager, the employees at Foley's theater presented H. H. Bliss Saturday afternoon a handsome silver-mounted umbrella, with the initials "H. H. B." engraved on the handle. The presentation was made by Supt. J. H. McClelland, in behalf of those present. At the conclusion of the afternoon's performance, Mrs. Bliss expressed her gift and in a few words expressed his appreciation of the gift and the kind feeling that prompted it. He received with pleasure to the pleasant experience that he has enjoyed in Norwich and thanked all for working with him in such a manner as to make such an experience possible.

REGISTRARS AND OFFICIALS
TO DISCUSS THE BALLOT.
Will Agree Upon How the Ballots Shall Be Counted at the Election Next Week.

There is to be a meeting of the registrars of voters of the town with their assistants and the officials who will preside at the coming election, this evening, for the purpose of agreeing upon the same rulings for each district and to be held at the court house. The intention of the voter will be counted. There will be an explanation by Registrar Tyler D. Guy from a large printed ballot.

SURELY BREAKS THE MOST SEVERE COLD.
Will Overcome All Distress from a Bad Cold or the Grippe in Just a Few Hours.

The most severe cold will be broken, and all grippe misery ended after taking a dose of Pape's Cold Compound every two hours until three consecutive doses are taken. You will distinctly feel all the disagreeable symptoms leaving after the very first dose. The most miserable neuralgia, pain, headache, dizziness, fever, nose stuffed up, feverishness, sneezing, running of the nose, sore throat, mucous catarrhal discharges, soreness, stiffness, rheumatism, pain and other distress vanishes. Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe. Take this harmless Compound as directed, with the knowledge that there is no other remedy made anywhere else in the world, which will cure your cold or end Grippe misery as promptly and without any other assistance or loss of time as a certain package of Pape's Cold Compound, which any druggist in the world can supply.

A Good Cough Mixture.

Simple Home-made Remedy Free From Opium and Harmful Drugs.

An effective remedy that will usually break up a cold in twenty-four hours and quickly relieve the most irritating cough, is easily made at home by mixing together in a large bottle, 2 ounces of glycerine, a 1/2 ounce of virgin oil of pine and 8 1/2 ounces of pure whiskey. Shake well and take a teaspoonful every four hours. The necessary ingredients are inexpensive and can be bought in any good drug store. This formula is the one used and recommended for many years by the late Dr. W. A. Leach, founder of the Leach Chemical Co., Cincinnati, O., in whose laboratory the genuine virgin oil of pine is compounded.
