BENEFIT CONCERT For Needlework Guild Affords Pleasure and Makes Money.

Rarely has a better concert been given in the town hall than the one Wednesday evening by the Lotus Male quartette of Boston. The hall was prettily decorated by P. D. Donahue. There were no vacant seats on the main floor and the gallery was well sold out.

The concert was given for the benefit of the Needlework Guild and the proceeds will be used by that organization as a foundation for a school for the establishment of a sewing school. The concert was much enjoyed through the generosity of Messrs. J. C. Murray and George E. Stiles, who footed the bills incident to the rendition of the one concert. For a number of years past these entertainments have given various forms of entertainment in Boston and Providence. Mr. Snow, a member of the committee, said that the concert was a success and that the proceeds will be used for the benefit of some charitable or worthy cause.

Aeroplane Inventor Kept Strong and Vigorous to the Age of 90 and Enabled to Live to See His Life's Work Crowned With Success.

Mr. Henry Clarke Moore, of Tama, Iowa, who is 90 years of age, has just completed his first flying machine. His brain has been kept clear and alert, and the perfection of his invention made possible by the daily use of Duffy's Pure Malt Whiskey as his only invigorator and tonic.

In an interview with our correspondent he said: "For several years I have been greatly troubled with dormant and sluggish action of the lower bowels, which caused me intense suffering. No treatment seemed to benefit me until finally I was induced to try Duffy's Pure Malt Whiskey. It gave me immediate relief. I steadily gained my health and strength, until now I am as vigorous and active as a man of 60 years of age. My mind is as clear as it ever was, and I have done some of the best work on my invention the last few years, which proves my mental and physical condition. Please bear in mind that I am a temperance man and do not advise any one to use alcoholic beverages except as a medicine, but I do firmly advise all old people and those who are run down to use Duffy's Pure Malt Whiskey as I have, as I believe it is the greatest support to those who are weakened by age. In my case it stimulated and built me up; it quickened my circulation and made me feel more alert and able to do things. I will be very glad if my interview will be the means of saving some of my poor sisters and brothers who before this have not heard of the great good they may receive from the use of Duffy's Pure Malt Whiskey." Thousands of letters like this one from Mr. Moore are received from men and women in all walks of life who have been restored to normal health by the use of the world's greatest tonic-stimulant. CAUTION—When you get your druggist, grocer or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. It is an absolutely pure medicinal malt whiskey and is sold in SEALED BOTTLES ONLY—never in bulk. Look for the trade mark, "The Old Chemist" on the label, and make sure the seal over the cork is unbroken. Price, \$1.00 a large bottle. Write Medical Department, The Duffy Malt Whiskey Co., Rochester, N. Y.
