

Selection Of Department Commander

Much Interest Attached to It This Year With Three Candidates—Big Gathering Expected at Hartford.

Hartford will be the center of attraction next month for the veterans of the civil war now living in Connecticut, as the 44th annual encampment of the department of Connecticut G. A. R. will be held there Wednesday and Thursday, April 12 and 13. It is the intention to make this the most remarkable encampment held in this state for some years and it is expected that many of the prominent leaders of the Grand Army from various parts of the country will be present.

Robert O. Tyler post, of which Henry E. Simmons is chairman. The details are not completed yet. An invitation to be present and address the campfire has been accepted by Commander in Chief John E. Gilman of Boston, Mass., and a similar acceptance has been received from Senior Vice Commander in Chief Charles Burrows of Rutherford, N. J. Invitations have also been sent to Governor Baldwin and Mayor Smith. It happens that this night will be the 30th anniversary of the firing on Fort Sumter, and this event will without doubt play an important part in the patriotic speeches that will be delivered at the campfire.

LAYOUT FOR ROAD WANTED AT MONTVILLE

Probable That Meeting Will Be Called Last of This Month.

In all probability a special Montville town meeting will be held on Friday afternoon, March 31, in the town hall, Palmertown, to obtain the feeling of taxpayers as to opening a new road from the which hazard will be Kitenaug. First Selectman Moses Chapman stated that the above date appeared to be suitable and that notice would probably be given this week.

The three members of the board of selectmen, Moses Chapman, Matt A. Tinker and Robert C. Burchard, accompanied by Frank W. Browning of Norwich, went over the proposed layout on Wednesday, and arrived at a plan which it is believed will be agreeable to all parties concerned.

As Quickly As Water Dissolves Sugar

About the Time It Takes for a Stuart's Dyspepsia Tablet to Work on the Food and Bring Relief.

TRIAL PACKAGE SENT FREE.

There is no long wait between the time you take a Stuart's Dyspepsia Tablet and the feeling of relief it will bring to an overloaded stomach. It gets busy in a jiffy and quickly sets things to rights in that tired and disordered stomach. It goes right at the work of digesting the food it finds lodged there and in no time at all has things on the move—the gases cease forming, the breath is sweetened, the coating on the tongue disappears and you are no longer conscious that you even have a stomach.

That is one of the chief recommendations for Stuart's Dyspepsia Tablets—that they don't take forever to accomplish the purpose for which you need them. It is just as if you put an extra stomach or two to work when yours needed help. You can't continually overload your stomach and expect it to always smile. It is going to get rebellious and sulky after a while and refuse to go on being driven to do double work. You must rest it occasionally—not by starving and thereby weakening yourself physically—but by using a Stuart's Dyspepsia Tablet to do the work of digesting your food.

These tablets contain all the active elements of the natural stomach juices and will alone and unaided digest food just the same as the gastric juices. And nothing could be more harmless than these tablets. They do not affect the system in any way—do not cure any ailment except as they digest food.

Use them freely. Stuart's Dyspepsia Tablets are sold by all druggists everywhere. Price, 50 cents per box. A trial package will be sent if you will write F. A. Stuart Co., 50 Stuart Bldg., Marshall, Mich.

held from the parlors of Henry Allen & Son, Thursday afternoon, and the large attendance included many relatives and friends from out of town. Rev. C. C. Chappell of Montville officiated. The floral forms were numerous and beautiful.
