Probable that He Will be Assigned to Trinity Church in This City by Conference in Session at South Manchester—Address by Bishop Cranston.

It was announced at the Sunday school session at Trinity Methodist Episcopal church yesterday by Supt. Costello Lipitt that it is expected that Rev. Frederick W. Coleman of Fall River will be assigned to Trinity M. E. church in this city by the conference in session at South Manchester today. For the past six years Rev. Mr. Coleman has been pastor of St. Paul's church in Fall River. He has held pastorates in Rhode Island and Massachusetts for the past sixteen years. In 1894 he was pastor in Providence and for the next two years at Holbrook. In 1897 and 1898 he was pastor in New Bedford. He came to 1302 at East Greenwich. The following two years he was located at Providence again, after which he took up his abode in this city. The probability of his appointment here is very pleasing to the church.

At the Sunday morning service at Trinity M. E. church, Rev. W. P. Buck of New London officiated.

Appointive Board in Session. The assignment board of the New England Southern Methodist conference met at South Manchester, Me., on Saturday night, and it is expected that their labors will not be many present. The following morning, when the assignments of pastors for the coming year will be given out. It is understood that there will be more pastoral changes this year than for many years past.

Announcement was made Sunday night at the Trinity M. E. church that the conference held Saturday afternoon proposed by the board of stewards to raise a fund for the caring of superannuated ministers for the fund. The plan is to make an assessment of 1-2 per cent. on the salaries of pastors receiving \$100 or more a year and \$100 or less on pastors receiving less than \$100.

The Sunday morning session was devoted to a joy feast, at which Bishop Cranston presided. The service was a Sunday service Sunday afternoon.
