GOLDEN WEDDING. Celebrated on Friday by Mr. and Mrs. Lyman Loomis of Walnut Street.

Mr. and Mrs. Lyman Loomis of 114 Walnut street celebrated their golden wedding anniversary Friday. A large number of friends and intimate acquaintances called and tendered congratulations and left many appreciated gifts. Among the number of presents received were a number of \$2.50 gold pieces from a neighbor and a fine wedding cake bearing this inscription: April 23, 1841, "Loomis," April 28, 1911.

Because of a slight illness with which Mr. and Mrs. Loomis were afflicted, their daughter-in-law, Mrs. Monroe Loomis, assisted in receiving the guests who called during the day. Mr. Loomis was a native of Manchester, born November 18, 1836, a son of Caleb and Catherine (Emmons) Loomis. Mrs. Loomis was a native of East Haddam, born October 29, 1832, daughter of Edward and Elizabeth (Willey) Worthington.

Mr. and Mrs. Loomis were married fifty years ago Friday in East Haddam by the Rev. Silas W. Robbins, the Congregational parson. Three children were born to them—two sons, Edward and Monroe Loomis, and a daughter, Mrs. Kate Robbins, all of whom are dead. The daughter, Mrs. Robbins, conducted a millinery store in this city twenty years ago. Fifty years ago, to wit, Friday, Mr. Loomis was sexton of the Methodist Episcopal church, but at that time he was obliged to resign because of a conflict of interest in his right arm that still bothers him at times.

Preceding the grand opening there was a street parade that formed in front of St. Mary's school at 7:30 o'clock. Mr. Wm. H. Hoff is Never Without a Bottle of This Wonderful Remedy in His Home—It is a Necessity to His Health and Vigor.

In his letter he says: "For over five years I have been using Duffy's Pure Malt Whiskey. I have found it to be the best stimulant that I have ever tried. I hope that this unsolicited testimonial will be appreciated by all suffering ones and all those in need of a fine tonic stimulant to be the head of the family." Philadelphia, Pa.

Duffy's Pure Malt Whiskey

is one of the greatest strength builders and tonic stimulants known to medicine. It strengthens and fortifies the system against the attacks of disease and dangerous germs and assists in building up the weakened tissues in a gradual, healthy, natural manner. When taken at meal time it stimulates the mucous surfaces and helps the stomach to perform its healthy action, thereby improving the digestion and assimilation of the food and giving to the system its full proportion of nourishment. This action upon the digestive process is of great importance, as it brings to all the tissues and organs of the body the nutriment necessary to their sustenance and indirectly to the whole system strength and vigor. It makes the old feel young and keeps the young strong and vigorous.
