Some Norwich People May Wait Till It's Too Late.

Don't wait until too late. Be sure to be in time. Just in time with kidney pills. Means curing the back. Before backache becomes chronic. Before serious urinary troubles set in.

Doan's Kidney Pills will do this. Here is Norwich testimony to prove it.

Mrs. Henry Dearing, 439 Main St., Norwich, Conn., writes: "I have been terribly from pains in my back and I think they were due to disordered kidneys. I was always in great misery when I lay down and was often unable to sleep. Mornings when I arose I felt so stiff and lame that I could scarcely get about and if I stooped sharp twinges darted through my joints, making it hard for me to straighten. At times my face was so badly swollen that my eyes were closed. Although I was treated by physicians I obtained no benefit until I heard of Doan's Kidney Pills. Their use improved my condition in every way, in fact, so great an improvement that I felt like a different person. My experience with Doan's Kidney Pills warrants my recommending them in the highest terms."
