Casarets Are Best

Laxative for Women

A Tan-Cant Box Keeps You Feeling Good for Months—No Headache, Indigestion, Foul Taste or Bad Breath.

All women need Casarets. Simply because they don't exercise enough. They don't eat coarse food, or enough fruit and green vegetables. Those are Nature's way of keeping the bowels active. But very few women employ them.

For Relief From Battleship Maine—Letter from Congressman Higgins.

First Selectman James J. Tew received the following letter from Congressman Edwin W. Higgins Wednesday, relative to the recent request made by the town of Willimantic for a relic of the battleship Maine to be preserved in some suitable public place.

"I am in receipt of your favor of the 21st instant and note your request for some relic taken from the battleship Maine now being raised in Havana harbor for the purpose of preserving it in some public place in your town. There are certainly many and strong reasons why there is to be any distribution of parts of the Maine when she is raised that the town of Willimantic should be remembered. For the present I can think of no better action to take than to place your request in the hands of the secretary of the navy, which I will be pleased to do. I will cheerfully do anything I can to further your request. "EDWIN W. HIGGINS."
