HEAT CAUSED DEATH.

Mrs. Nathan E. Douglas Overcame While Under Tree in Yard.

Pauline A., 47, widow of Nathan E. Douglas, died at her home, 27 Natchaug street, Thursday evening at 8.50 o'clock. Death was due to apoplexy. Some months ago Mrs. Douglas sustained a shock and since had been gradually failing. The excessive heat of the past few days was too much for her infirm condition and while seeking relief beneath the shade of a tree in her yard she was overcome. She was taken to the house and Dr. J. A. Grosdard was called, but her condition grew worse and she died Thursday evening. Deceased was born in Sutton, Canada, in October, 1844. She came to this country when quite a young girl. Besides her husband there survive four daughters and a son, Mrs. Della Deming of Bridgeport, Mrs. Bellows of North Woodstock, and the Misses Carrie and Harriet and William Douglas, all residing at home.

A. M. E. ZION SOCIETY

Planning to Raise Funds for Erection of Church.

Plans will be formulated within a short time to raise the necessary funds for the erection of a place of worship for the A. M. E. congregation of Willimantic. Rev. S. E. Robinson, the new pastor of the mission, stated on Friday that within a short time the other ministers of the city and himself would hold a meeting. The meeting was to have been called about a month ago when Rev. J. H. Battle was transferred.

Several available sites in the city have been looked over by a committee from the local mission. The one on Schoolhouse lane particularly appeals to the committee and as there is a possibility that the mission may purchase St. Paul's Episcopal church when its new edifice is built the coming winter, the expense of moving the church to this particular site would not be excessive. Rev. Mr. Robinson said that the mission found it rather hard to swell its fund, but is not one whit discouraged, and is confident that when an appeal is made to the people of the city and vicinity that a hearty response will be the result. At the time Bishop Wilbur was here on May 30 he guaranteed that in the event of the local mission raising \$500 the church extension fund of the New England A. M. E. conference would contribute a similar amount, and the balance, \$1,500, would be raised by voluntary contributions from the people of the city and vicinity. It is estimated that \$2,500 will be required to carry the project through.

Joint Reunion of '09 and '10.

The classes of 1809 and 1910, Windham high school, held a delightful joint reunion Thursday evening at Lakeside park, Lake Washington, South Coventry. About fifty members of the two classes were present. The evening's programme comprised dancing in the Casino to music furnished by Helmond's orchestra. Tables were provided outside the dance floor for those who desired to play whist. Some of the reunionists participated in bowling contests and others enjoyed motor boat rides on the lake. This committee was in charge of the arrangements. Class of 1909, Misses Hattie Brown, Evelyn Asher and Archie Sharpe; class of 1910, Miss Louise Staebner, Clark Burnham and Reuben Bowden.
