A Practically Perfect Preparation.

Years of experience have enabled Mr. Fletcher to make Castoria a practically perfect preparation. These years of labor! the amount of money required to introduce its merits to the public: the investment in its manufacture, including the most modern machinery, mean a vast amount of invested capital.

Herein lies the guarantee of the absolute safety in the use of Fletcher's Castoria for the baby, and the warning against irresponsible makers of imitations and counterfeits. The signature of Chas. H. Fletcher that is printed in black on the wrapper and red on the bottle is the mother's safeguard.

Children Cry For Fletcher's CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy.

What is CASTORIA? Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance.

AGNES LOGAN, 14, Committed to State School for Girls at Middletown.

Agnes Logan of Thompson was ordered committed to the industrial school for girls at Middletown Tuesday after a hearing before Probate Judge Edward G. Wright, and was taken to the institution by Allan W. Bowen, probation officer.

The Logan girl, who is little more than 14 years of age, was placed in a family in Thompson, two years ago, an inmate of the county home for children. The woman was arrested and committed to the industrial school for a few days ago and is now held for the superior court on a statutory charge growing out of her associations with her.

AUGUST MORTALITY. City Had 14 Deaths During Last Month. Putnam had 14 deaths during August, representing an annual death rate per thousand of 18.7 per cent, according to the statistics in the reports of mortality issued by the state board of health. The deaths of persons of the age of one year and over numbered three; the percentage of deaths of persons under five years to the total mortality was 21.4.

An Old Fistic Revived. That old canard, revived each year that Putnam liquor dealers will spend their good money to keep no-license in Killynig, so trade will be attracted to them is denied. There is very probably no ground for this story, which is persistently circulated each
