Daniels, their son, went to meet them, and they had planned to come direct to this city, where they will stop for some little time, but Mrs. Daniels was taken ill on the way over and while her condition is not at all serious, it was such that she could not leave the steamer Tuesday, and a Boston physician was called to attend her. It is expected that she will be able to travel in a few days, however, and then will come on to Willimantic. This is the Daniels' first trip home in three years.

TOWN SCHOOL COMMITTEE.

L. B. Lincoln Resigned as Secretary, But It Was Not Accepted—Several Matters Referred to Committees.

The regular monthly meeting of the town school committee, held in the rooms of the board of selectmen Wednesday evening, was called to order shortly after 8 o'clock by Chairman Dr. F. E. Guild with but the republican members of the board present. The minutes of the meeting were called for, but Secretary Lincoln addressed the board, saying: "If it is in order I would like to read something to the board." There was no objection and he read the following: Willimantic, Oct. 11, 1911. To the School Committee of the Town of Windham:

Previous to my last meeting, assuming that it was the privilege of any individual member of this board to aspire to the position of secretary, I adopted what seems to be the usual custom and asked various members to support me for this position. I found some otherwise pledged, but was given sufficient assurance to believe that you, in the majority of this board, would vote in my election. Since that vote was taken it has been stated that one member who voted for me very much regrets it. Under such circumstances I do not care to retain the office, and in the interests of harmony I hereby tender my resignation.

B. LINCOLN.

George S. Elliot said: "If Mr. Lincoln thinks he should be released from his duties, I suppose the board ought to release him. There was absolute quiet for several moments and finally Curtis Dean said: "I had supposed that the question of the secretaryship was settled. Mr. Lincoln has legally accepted secretary of this board, and I for one believe in standing by the decision of the majority." Mr. Lincoln said that he wished that no member would have any feelings in the matter and that someone would move to accept his resignation, as it was final. No action was taken. Mr. Lincoln therefore read the minutes of the previous meeting, which were accepted. Three petitions for a night school, containing in all 91 names, representing Syrians, Italians, Poles and French speaking residents, were received by the board. The report of Triant Officer J. F. Twomey for the month of July was accepted as read. The report of the committee on rules read by Mr. Dean and accepted and the rules adopted. The secretary read the applications of B. E. Taft, James Haggerty and James F. Twomey for recommendation for the appointment as trustee. It was voted to proceed to ballot. The vote: Twomey 2, Taft 1, Haggerty 5. Chairman Guild announced his appointment of the following committees: Teachers, Dean, Guild, Mrs. Spaulding, Lincoln and Twomey; property, repairs and insurance, Case, Kelley, Elliot and Deas; and the following committees: Teachers, Dean, Twomey and Mrs. Spaulding, Lincoln and Kelley; library and text books, Mrs. Spaulding, Case, Lincoln and Keating; auditors, Elliot and Keating.

Many Attended Stafford Fair.

Wednesday, the big day at the Stafford fair, drew a large number of patrons from this city and vicinity, but because of the threatening aspect of the weather conditions, the aspect from the union station was not up to the standard of some previous years. Moulton, about 100 excursion tickets were sold. About a score left here on the 9 o'clock train
