BAPTIST PASTOR
May Receive a Call to South Norwich
—No Official Notice Yet.

The following despatch in a number of papers is causing not a little anxiety to local Baptists:

South Norwich, Nov. 17.—The South Norwich Baptist church has issued a call to Rev. Ralph G. Hartley of Willimantic. It is said he will accept.

Rev. Mr. Hartley, when questioned, said: "I have received no official notice, but I did receive a telephone message from South Norwich, stating that the church had taken action to extend a call to me to go there; but as yet I have not decided whether or not I shall accept the call to leave Willimantic."

Rev. Mr. Hartley has been a most energetic pastor and is well liked by the members of his parish and the citizens of the community generally and it would be with regret that they would lose him from the city.

PARISH CARNIVAL
Attracting Large Patronage—Children's Matinee on Friday.

St. Joseph's church carnival in the town hall is attracting large crowds. The attendance Friday evening reached high water mark. The entertainment programme for the evening was well rendered and the music furnished by Helms' orchestra for dancing was of a high order.

Friday afternoon was for the children of the various schools and the little ones enjoyed the freedom of the hall. The pupils of St. Joseph's parochial school marched to the hall by classes and were in charge of the sisters.

Underground Drain Needed.
The board of selectmen paid a visit to the new road between South Windham and Williams Crossing, which is a part of the main road to Norwich. After a careful inspection of the stretch it was found there was a wet place that would necessitate the construction of an underground drain. This will be built to take care of the waste water and relieve the condition there. The drain was recommended by the highway commissioner.

First Selectman R. E. Mitchell with the members of the board, George H. Peckham and S. Arnold Peckham, then made a tour of inspection over the basic road and found a number of places there that are in need of a little attention. The town will put this stretch of road into good shape also before the cold weather sets in. The work to be done is not a great deal but requires attention in order to save expense later on.

WATCH CHAIN AND FOB
Farewell Gift to Capt. P. J. Sullivan from Company L.

Thursday evening following the regular weekly drill of Company L, First Infantry, C. N. G., in the armory, Capt. P. J. Sullivan was presented an elegant gold watch, chain and fob by Lieut. E. E. Carpenter in behalf of the members of the company. The gift was a token of the esteem the members held for their commanding officer and was presented him on the eve of his departure for Danlomon, N. Y. The watch was suitably engraved showing it was a gift to Captain Sullivan from members of Company L. Captain Sullivan could hardly show it to express his thanks for the fine remembrance, but did manage to say: "I thank you all from the bottom of my heart."

ONE DOSE OF DIAPEPSIN ENDS INDIGESTION MISERY

Heartburn, Gas, Dyspepsia and Sourness Vanish, and Your Stomach Will Feel Fine.

If your meals don't fit comfortably, or you feel bloated after eating, and you believe it is the food which fits you; if what little you eat lies like a lump of lead on your stomach; if there is difficulty in breathing after eating; if you are troubled with indigestion, flatulence, or sour undigested food; if you have heartburn, or a burning of gas, you can make up your mind that you need something to stop the fermentation and cure indigestion.

To make every bite of food sit easy in the nourishment and strength of your body, you must rid your stomach of poisons, excessive acid and stomach gas, which sores your entire mood—interferes with digestion and causes so many sufferers of Dyspepsia, Sick Headache, Bloating, Constipation, Griping, etc. Your case is no different—you are a stomach sufferer, though you may call it by some other name: your real and only trouble is that which you eat does not digest, but quickly ferments and sours, producing almost any unhealthy condition.

A case of Pepp's Diapepsin will cost fifty cents at any Pharmacy here, and will convince any stomach sufferer of its merit after taking a single dose that Fermentation and Sour Stomach is causing the misery of Indigestion.

No matter if you call your trouble "Catarrh of the Stomach, Nervousness of the Stomach, or by any other name" always remember that a certain cure is waiting at any drug store the moment you begin to take it.

Pepp's Diapepsin will regulate any out-of-order Stomach within five minutes, and digest promptly, without any fuss or discomfort, all of the kind of food you eat.

A Mail Carrier's Load
seems heavier when he has a weak back and kidney trouble. Fred Duff, mail carrier at Archison, Conn., says: "I have been bothered with kidney and bladder trouble and had a severe pain across my back. Whenever I carried a heavy load of mail my kidney trouble increased. Some time ago I started taking Pepp's Kidney Pills, and since taking them I have gotten entirely rid of all my kidney trouble and am as sound now as ever." Lask & Osgood Co.
