DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Norwich Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are common symptoms of kidney trouble and you should seek a remedy which is recommended for the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Norwich. Follow the advice of a Norwich citizen.

Mrs. Catherine Hogan, 23 Hickory St., Norwich, Conn., says: "I recommend Doan's Kidney Pills as highly today as when I gave a public statement in their praise three years ago. This remedy cured me of a severe attack of kidney complaint, causing the pains in my back and difficulty with the kidney secretions to disappear, after everything else had failed to help me. I will always recommend Doan's Kidney Pills."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Foley Kidney Pills Tonic in action, quick in results. Will cure any case of kidney or bladder disorder not beyond the reach of medicine. No need to say more. Lee & Osgood Co.

Adopt a Plan

A definite plan is the foundation of success in saving.

It doesn't make much difference what the plan of saving is, so long as it's systematic. Some people never spend the dimes they get—they put them in a convenient home savings bank.

Some men shave themselves and drop into the bank the money they would have to pay the barber. Others walk to the office and save the carfare.

You can select any plan which suits you. Regularity in your saving is the essential thing.

One dollar opens an account and starts your savings earning interest. BEGIN NOW.
