BUSH'S 143 BEATS
DONAHUE FOR PRIZE.
Members of Team No. 1 Beats Out His
Captain in Ovis' Duckpins.

In the Ovis' duckpin series on Friday
night at Donovan's alley, which was
the next to the last night of the tour-
nament, Ovis No. 1 improved their
hold upon second place by defeating
the leaders, Ovis No. 4, two games out
of three in the match, but the feature
of the night's action was an individual
single of 143 rolled by Bush, which
beats out Captain Donahue of his own
team for the tournament prize for high
individual single.

Bush now looks good for the prize,
as there is only one more chance for
his mark to be beaten, and that must
be on Monday night, when Teams 2
and 3 come together for the final
match of the tournament, Captain Sal-
livan of Team No. 2 has the prize for
high three string total unless he is
beaten on Monday night by some of
the rollers in Teams No. 2 and 3.

CONSOLIDATE YALE SPORTS.
One Association to Control the Four
Major Lines.

New Haven, Conn., March 22.—Yale's
major sports, football, baseball, row-
ing and track—instead of being controlled
by separate organizations, will here-
after be merged into one body to be
known as the Yale Athletic association.
The idea of the athletic association
committee are ratified next Tues-
day at a student mass meeting. This
would be away with the present tripartite
committee, of which Walter Camp, '94,
is chairman, and a new committee
with similar powers is planned.

The action of the committee is in
line with the recent move to place all
managements upon a consociative basis,
giving both the Academic department
and the Sheffield Scientific school equal
representation.

Cornell Wins Wrestling.

9. Only these four colleges were rep-
resented. The preliminary bouts were
decided during the afternoon and the
final three place honors were contested
for tonight.

STAR PITOWER WORTH
\$50,000 ANY DAY
Lajoie Thinks That a Fair Price for
a First Class Tufel.

Napoleon Lajoie turned baseball
philosopher the other day and dis-
cussed some of the difficulties of a base-
ball manager. From his long expe-
rience as manager and player he knew
whereof he speaks.

"Lots of people thought Barney
Dreyfus was crazy when he paid
\$25,000 for a star pitcher. I don't know
whether Barney paid that much in
cash or not, but if Marty comes
through for Pittsburgh it was money
well invested. If I were a club own-
er and had a pitcher worth \$25,000, I
absolutely know would be a star in
the big league, I don't think I would
hesitate at paying \$25,000. It would
be money well spent, but I don't think
many club owners will agree with me."

"But they spend the money just the
same in the effort without getting the
star pitcher. When I come to Cleve-
land, Rogers and Kilgus had Adie
Jones. It cost them nothing and he
proved to be one of the best pitchers
and ball players the game ever knew.
But after they got Jones they bought
a good deal more than \$25,000 in pitch-
ers, without getting another man the
equal of Jones, until Greer was bought.
See my argument? The average club
owner will think nothing of paying
anywhere from \$2,000 to \$5,000 apiece
for pitching security, who he hopes
will make good. Most come out of tan-
talum the money is thrown away, while
the little time he may get only a star
pitcher."

"My contribution to that if the oppor-
tunity is presented a club owner
should not hesitate about paying the
price for a star. He'll not only save
money by not having to buy so many
second raters, but he will also make
it up at the gate."

SPORTS OF ALL SORTS.

The hands that once drew in thou-
sands of dollars for Baking Nelson,
the great lightweight, have given way
on him, and it will be months before
the Dane will be able to draw on the
gives again.

Harlem Tommy Murphy arrived in
New York yesterday afternoon, with
his wife and baby and Manager Puck
and Tommy has been offered a fight
with Ad Wolcott, the lightweight cham-
pion, July 4.

As a result of the Jewish holidays
next month, the 10-round go between
Leach Cross and Joe Manot of New
Orleans, which was to have been
fought in one of the New York clubs
on April 2, has been postponed until
April 25.

A new middleweight named Ike Weir
has thrown his hat into the ring in
Baltimore and it is likely that Billy
Berker will be the one who will take
up Weir's def. If Weir is as clever a
boxer as the departed featherweight
of the same name he is a good oop.

When Chancellor Pitney was not-
ified recently of his appointment to the
United States circuit court for the
second district, he was in the middle
of playing golf. When Wood-
row Wilson was nominated for gov-
ernor of New Jersey, the first intima-
tion he was given was by a study-
ing the line of a putt on a golf course.

It appears that Leach Cross worked
out a distance runner, possessing
great speed and endurance, and at the
time was issuing challenges to the
time to run from two to fifteen miles.

Ed Nirkirk, who completed the Pitts-

Colonial club induced Peter Can-

carried off the \$100 prize, defeated Ed
Cannon by several yards and supplied

the intention of arranging races with
these men that Sullivan and I decided
to go to Pittsburgh.

Invading the Big Men's Territory—
Pittsburg the Home of Foot Racing—
Ed Kikirk Run Off His Feet—Race
With a Horse.

After our successes in New Jersey
and New York, Sullivan and I decided
that the time was now ripe for us to
go out among the "big fellows." Pitts-
burg was the point we aimed for, at
that time the home of three of the
most famous distance runners of the
day. Few indeed were the outsiders
who had the nerve to invade Pittsburg
looking for matches.

Ed Nirkirk of Pittsburg was regard-
ed as the fastest half mile in the
country, having recently defeated Ed
Case of Toronto at Buffalo, N. Y., in
one mile for \$1,000 a side. E. C. Mc-

WORKING THE RABBIT BALL.
Harry Davis Reminiscences on One
of the Old Tricks of the Game.

"They used to pull off a lot of tricks
in the American league that are
labeled now," remarked Harry Davis
recently at the present office. "They
did not stop at signal-tipping devices,
but they worked in a rabbit ball now
and then, cut down the pitcher's box
over right, out down or raised the line
toward third base, let the horse run all
night on the base paths or on the
grass near the plate. Clark Griffith
curried that last trick on us one day
when he was managing the White Sox.
New York, recently, for a physical ex-
amination upon his request to be ad-
mitted to box. It was not known whether
Peter was accepted."

Bill Baum, manager of One Round
Hogan, said after the fight in which
Hogan was disqualified by Referee
Charles White, that he thought Leach
Cross was just as guilty of fouling as
Hogan. Baum is now looking for
another match with Cross, and it is
expected that the two lightweight will
meet shortly.

Howard Morrow, the promising
young middleweight of Syracuse, N. Y.,
whom Tommy Ryan expects to defeat
into a great fighter in a few years,
will have a chance to show his fighting
qualities in a 10-round bout in Verdon,
Cal., on April 19. Ryan has succeeded

in getting Tom McCarey to put Nor-
wich on with East Passon, Dan Fran-
cisco for 20 rounds on that date.
