STRIKE AT EAGLEVILLE. Cotton Workers at Ross Mill Refuse Five Per Cent. Increase—Hold Out For Ten Per Cent.

As a result of various mills throughout New England giving their operatives an increase of ten per cent, in most instances, the help employed in the Ross mill at Eagleville went on strike the past week.

The operatives in this mill felt as though they should get an increase as well as other cotton workers, and appointed a committee to wait upon the owners who agreed to grant a five per cent. increase, but the employees held out for ten per cent, and accordingly went out on strike.

WILLIAM F. BROWN SUICIDES. Despondent, Lewiston Avenue Man Drinks Laudanum—Wife Suicided at Colchester.

About 1:45 o'clock Sunday morning, Lieut. Daniel Killourey received a call from Supernumerary Policeman Elery P. Weeks, who had been notified of the suicide of William F. Brown of 283 Lewiston avenue, that occurred just before that hour.

One of James P. Brown's boys, who had been down to the city, returning home, upon reaching the sales stable owned by his father, found William F. Brown in death throes upon the office floor. The boy, upon hearing the groans of the victim, called to a brother and they notified Officer Elery P. Weeks, who resides across the street; he notified police headquarters and Lieutenant Killourey in turn notified Medical Examiner Louis J. Mason, who reached the office at 2:30 o'clock.

Medical Examiner Mason pronounced death due to suicide by poisoning, a two-ounce bottle of laudanum had been used to end life. The phial was found close by Mr. Brown and only the dress remained in the bottom of the bottle. The bottle bore a label of C. DeVillers, a Main street druggist.

Medical Examiner Mason stated on Sunday afternoon that Mr. Brown had taken just enough and that if he had taken any more of the laudanum he would in all probability have thrown it up.

The medical examiner secured the information that Mr. Brown had been drinking heavily for the past two weeks and that his act was in all probability the result of dependency.

Mr. Brown had made his home out of town in this vicinity a number of years and was known to horsemen throughout the state and New England. He was known as a driver of fast horses and held the reins over a number of well known steppers in his day. He originally hailed from Colchester, where he has relatives. He resided in Colchester a number of years, was married there. His wife committed suicide there some years ago.

Thirty Patients Doing Well. Dr. W. P. Keating stated over the telephone Saturday that all the patients of the isolation hospital, thirty in number, were doing well. Elijah Dyer was released from the hospital Saturday evening. No new cases have developed, save two in the Laster household at 61 Chapman street, which was to be expected, as there were thirty people there, who had been exposed to it in the hospital.

Box Shop Nine Defeats Winders. The first game of baseball of any consequence in this vicinity was played at South Windham Saturday afternoon when the inter-department league of the American Thread company opened its season officially. The game was between nine representing the winding room and the box shop. The players in the latter department proved too strong for the winding room crew, in the initial game at least, winning out by a score of 8-1.

NO MORE GRAY HAIR. Sage and Sulphur Remedy for Dandruff, Faded and Gray Hair.

The old idea of using Sage for darkening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at 75, while our mothers are gray before they are 50. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh faded hair, when a simple, harmless remedy will bring back the color in a few days, and don't be tormented with dandruff, itching scalp and loose, falling hair.

Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles, and give color, strength and beauty to your hair.

Get a fifty cent bottle from your druggist today, and prove this to your own satisfaction. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Special agents, Lee & Osgood, 131 Main street.

PUTNAM City to Have League Ball—Games on Morse Field—Mrs. Edgar Clarke's Funeral—New City Court Utilized—Many Patients at Hospital.

Once more there is an opportunity to write that Putnam will have a team in the Eastern Connecticut league this season. There have been several changes of probabilities on this matter this early in the season, but this time there seems to be little doubt that a definite decision has been arrived at. It is understood that arrangements are being made whereby Putnam will have league baseball, Morse field, near Church street, where many hotly contested games have got the fans to many in the past, is being considered as the place for staging the events that are to come to Putnam. This ground was good enough in many past seasons for the best teams that came here to compete with Putnam and the promoters of the team here think it will be this season, although admitting that the high school grounds would be better, but the high school field is not available.
